

Spatial correlation plot for Acinar-i cells

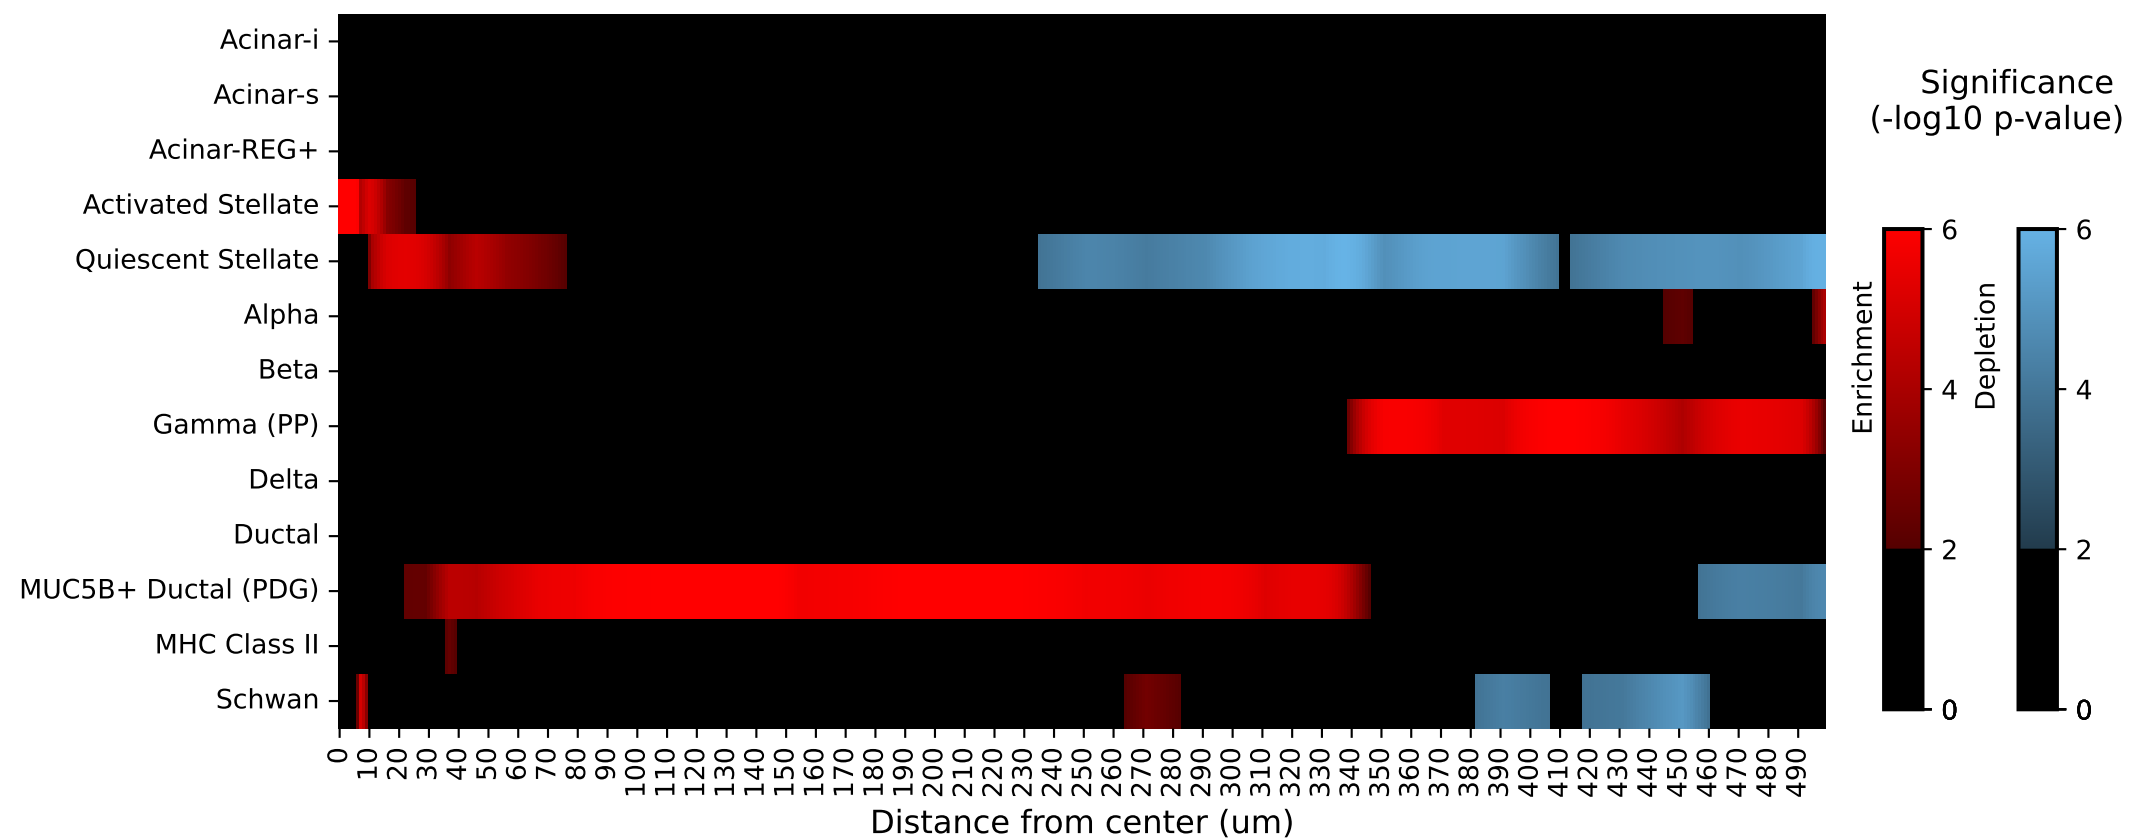

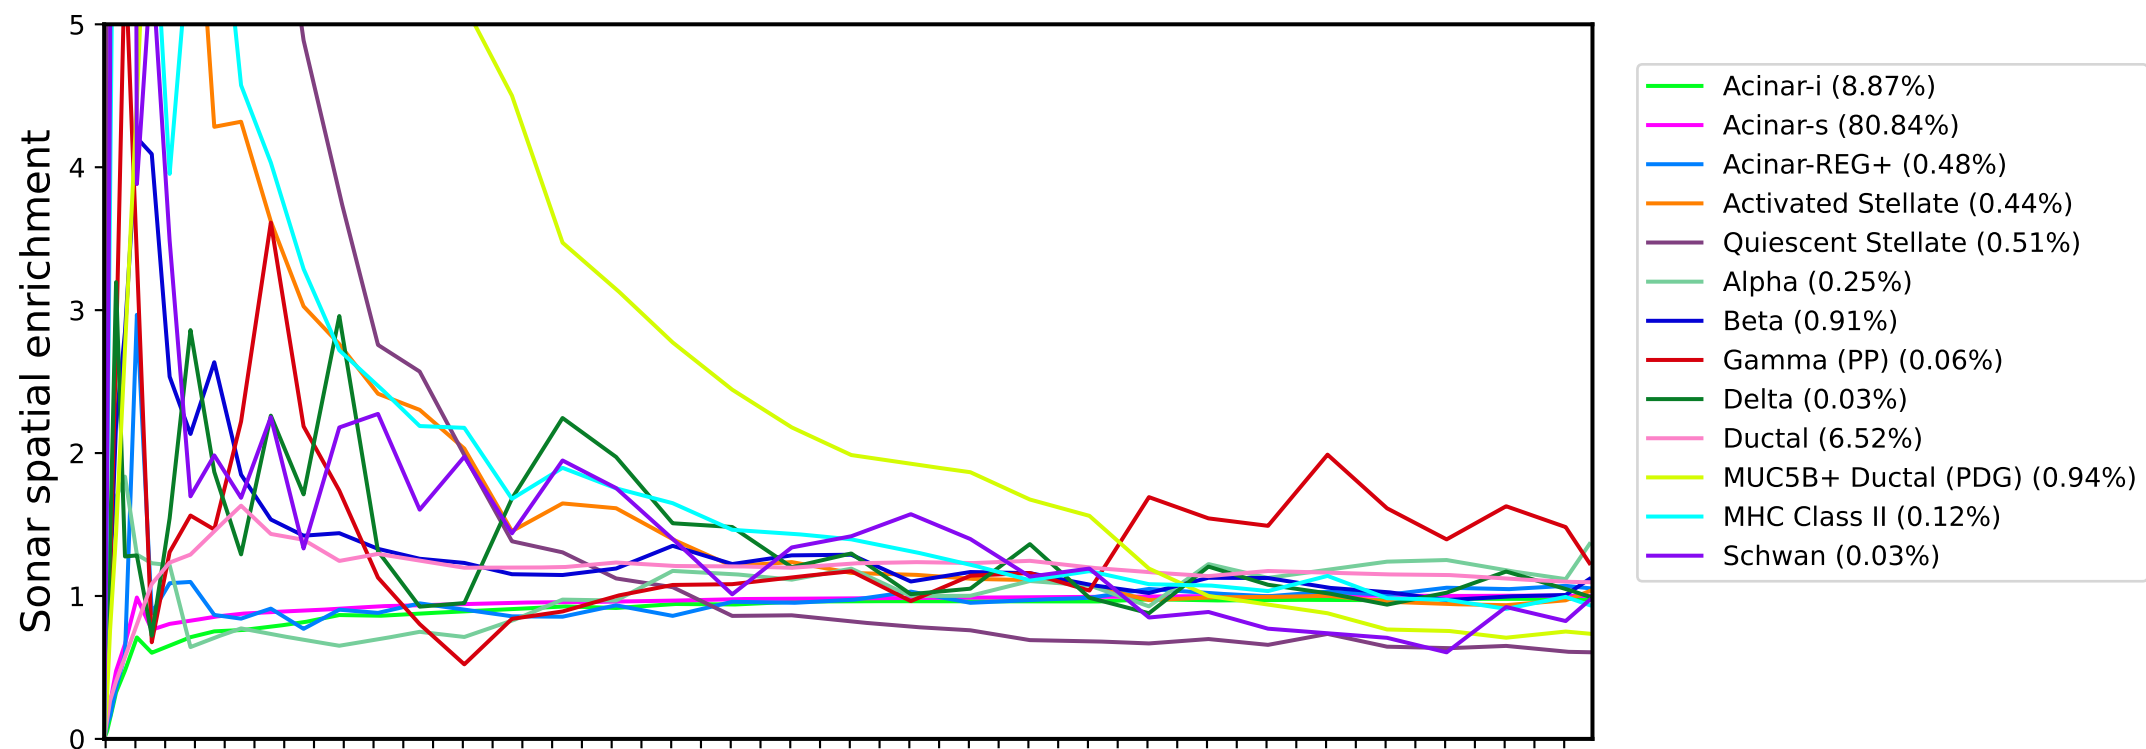

Spatial correlation plot for Acinar-s cells

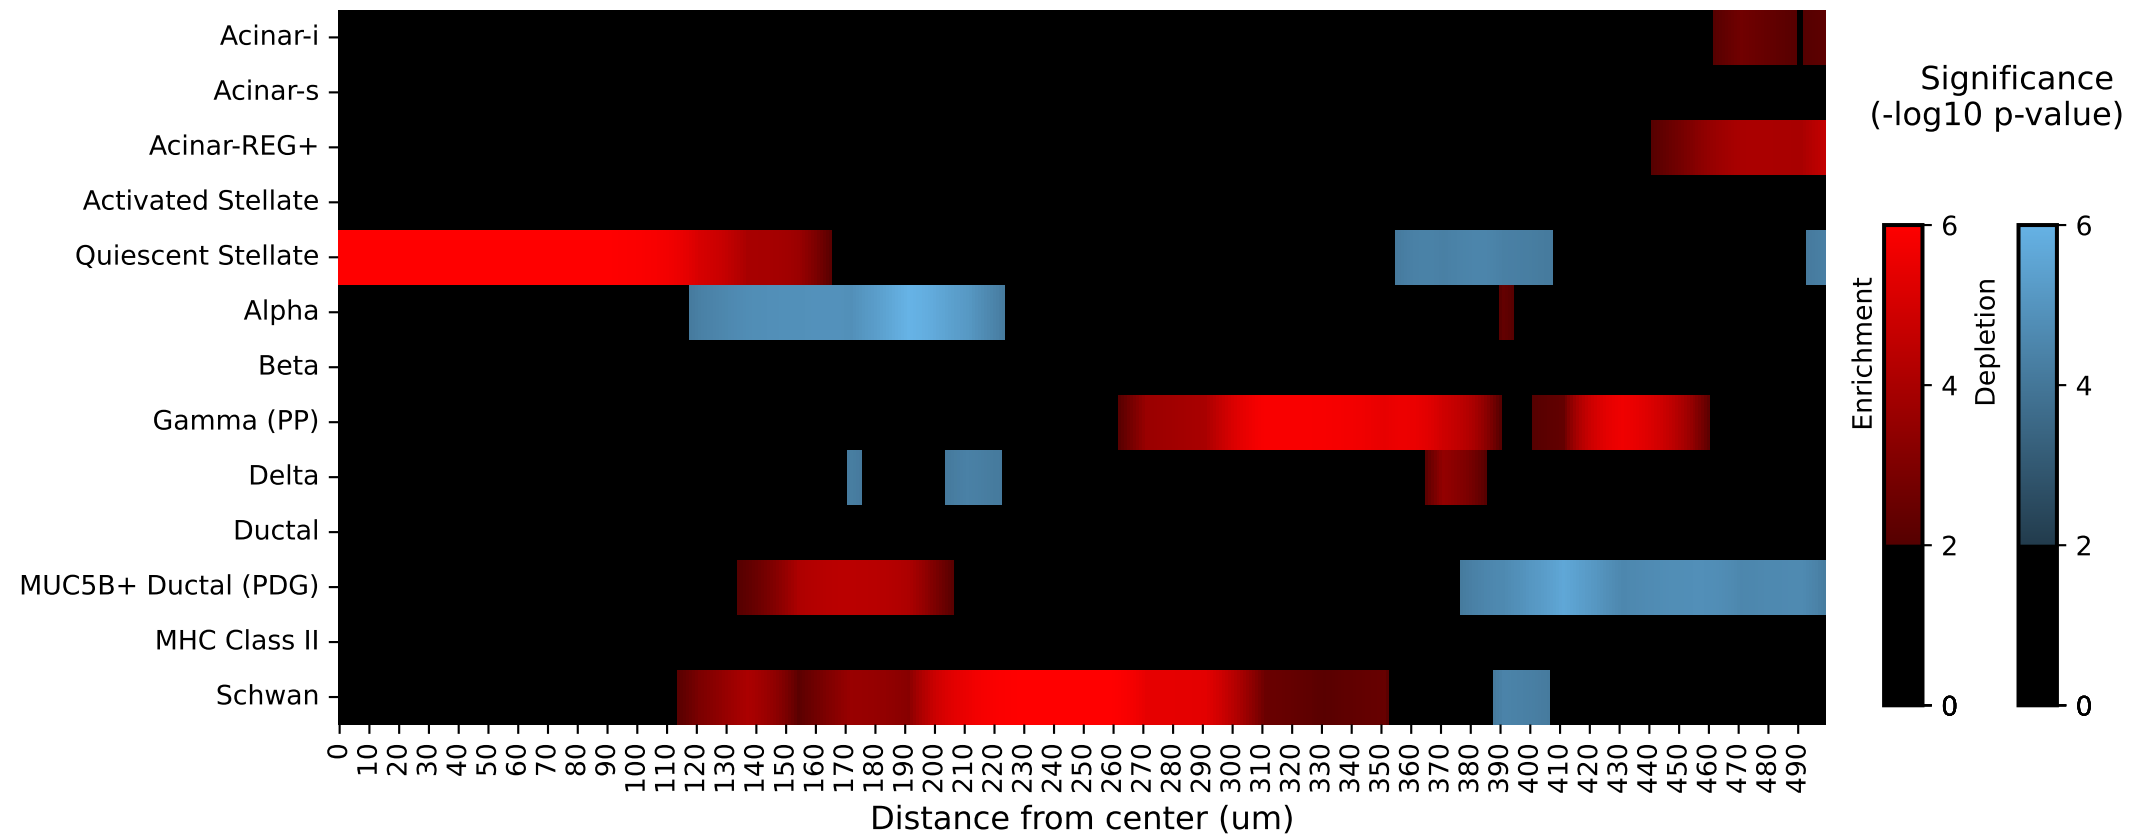

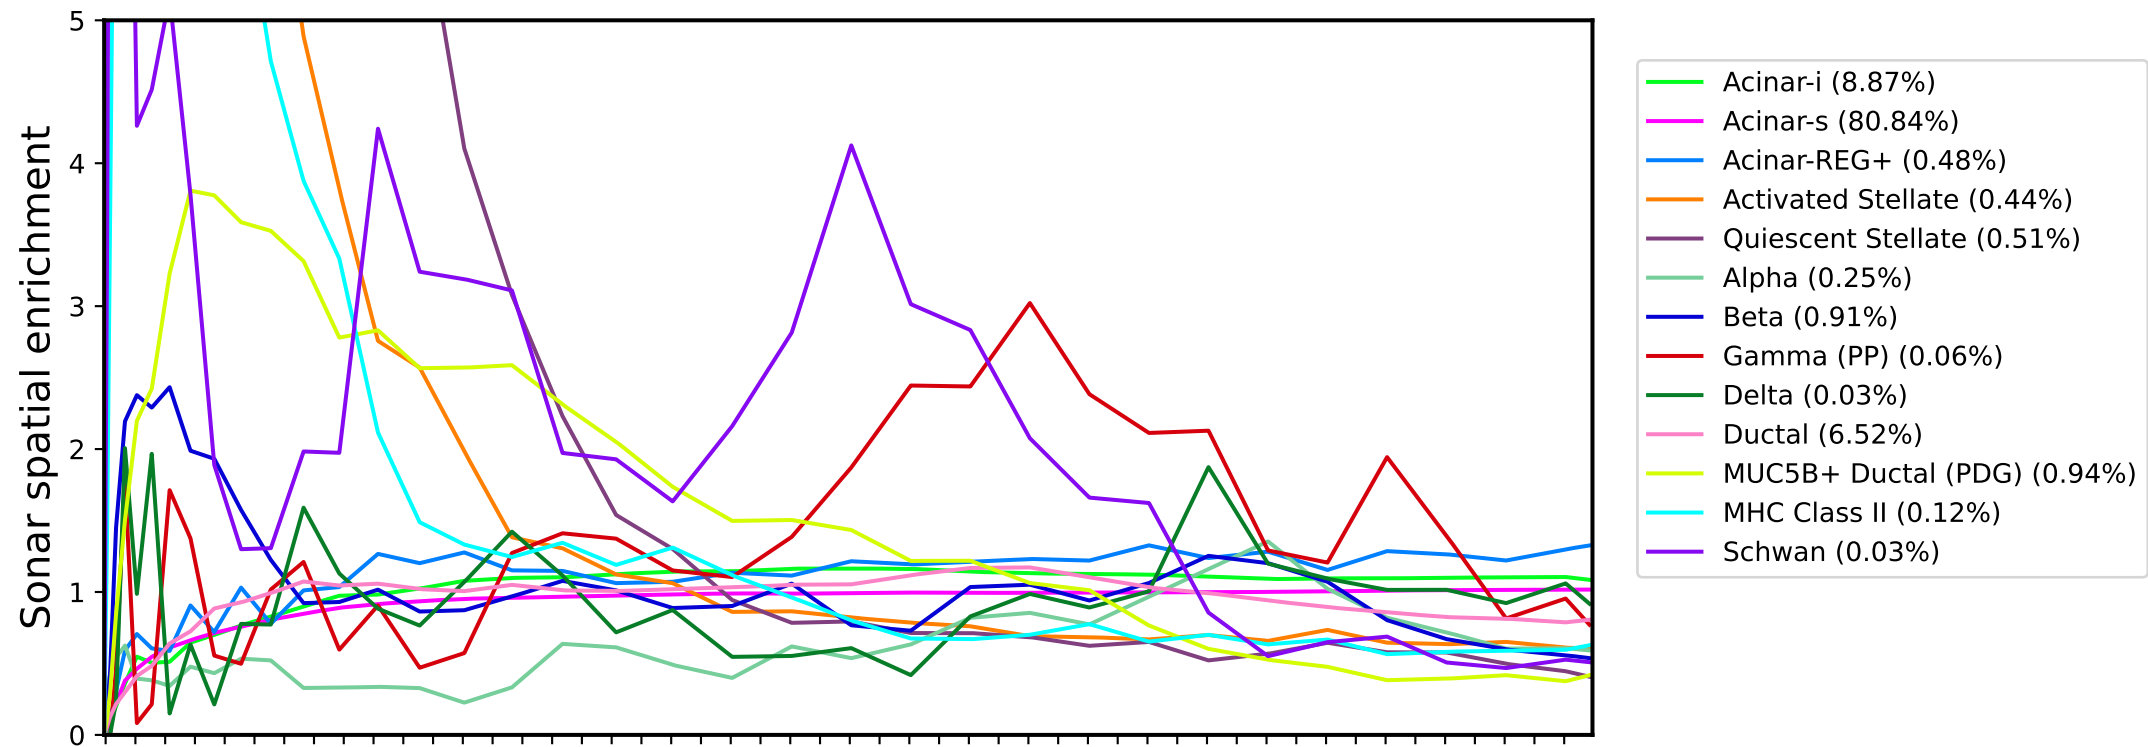

Spatial correlation plot for Acinar-REG+ cells

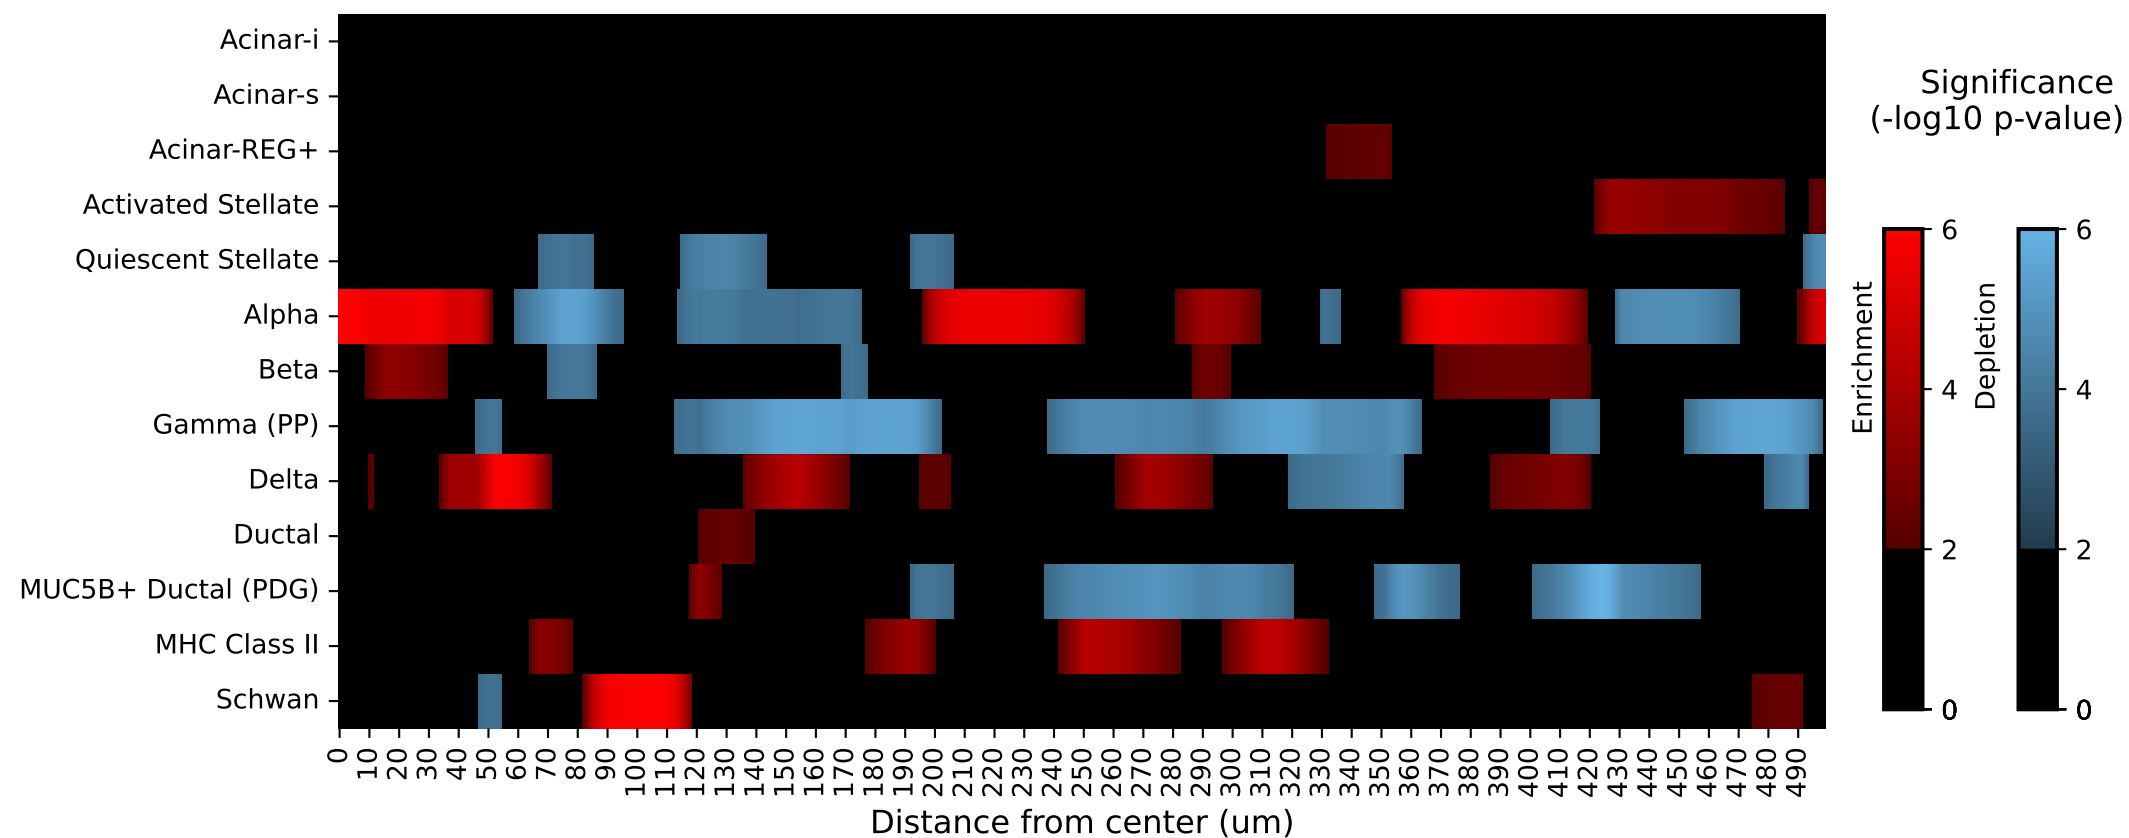

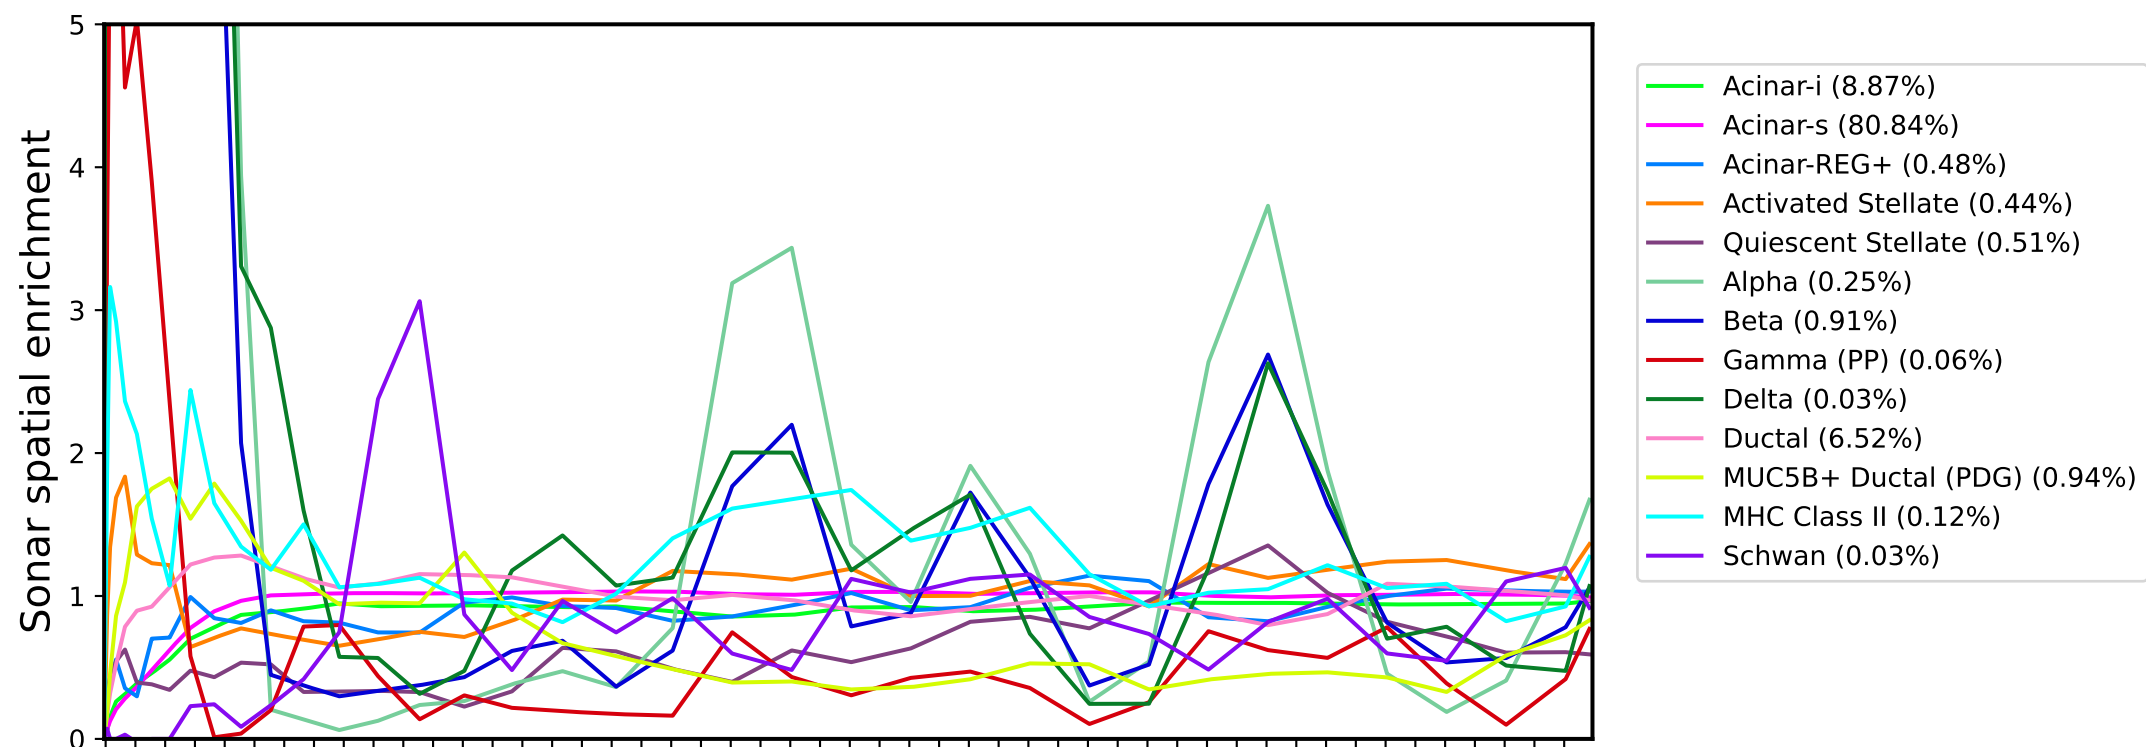

Spatial correlation plot for Activated Stellate cells

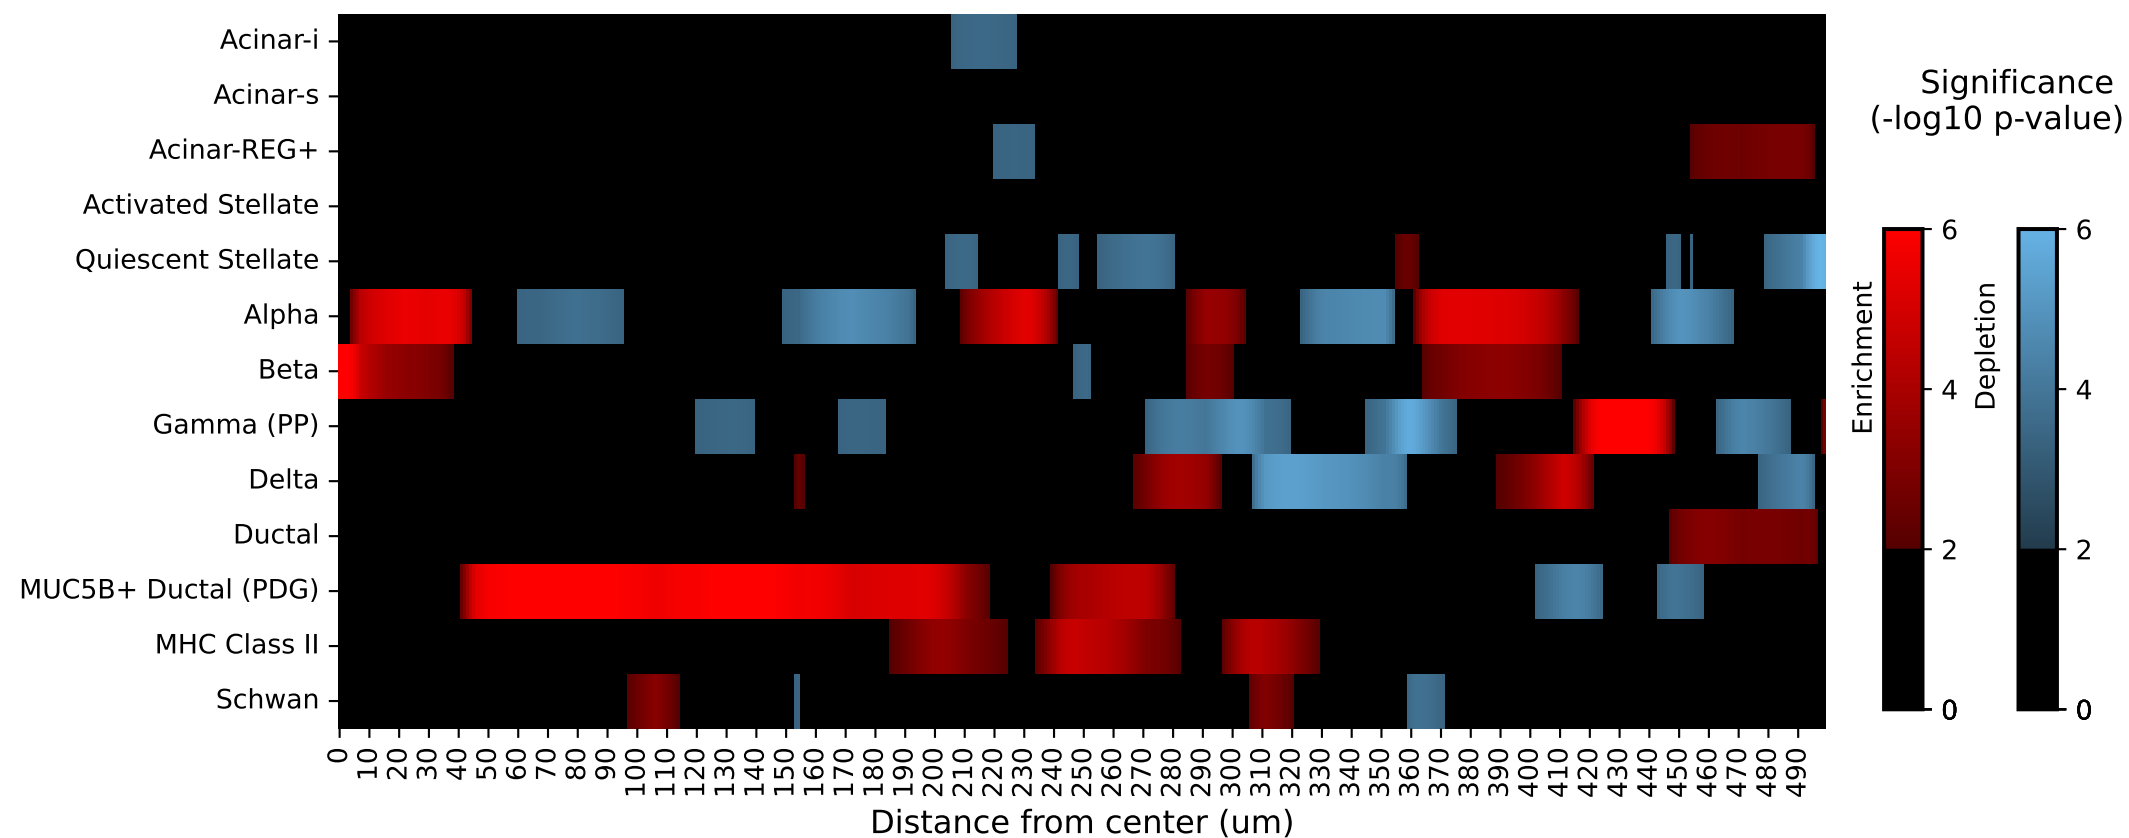

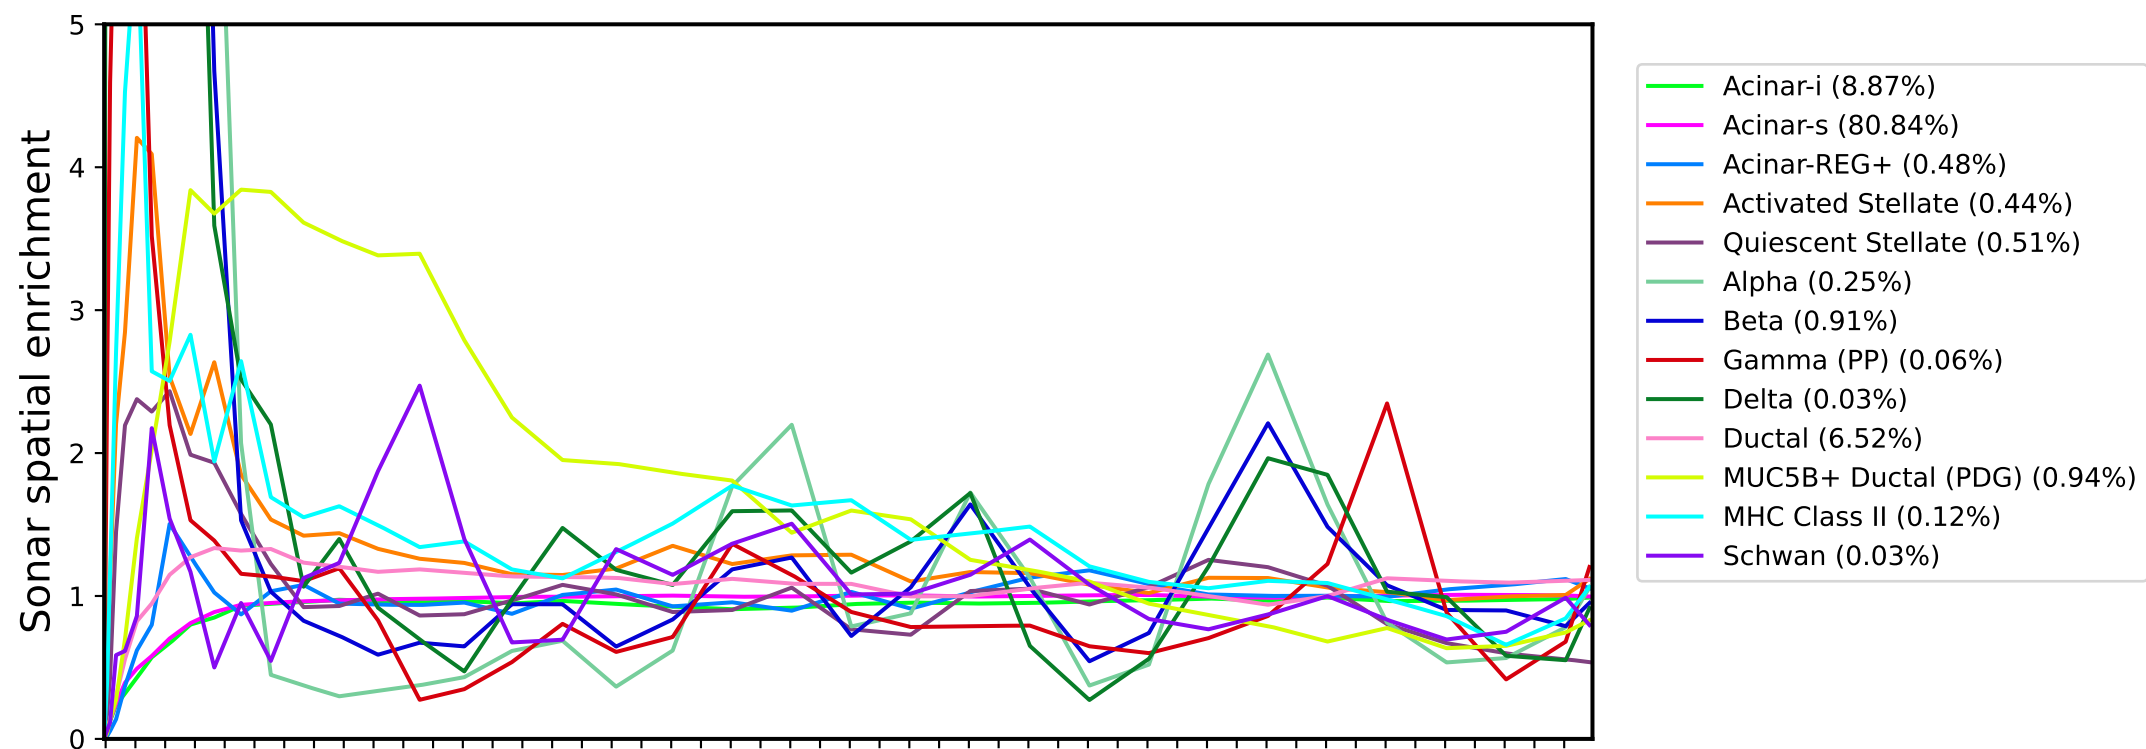

Spatial correlation plot for Quiescent Stellate cells

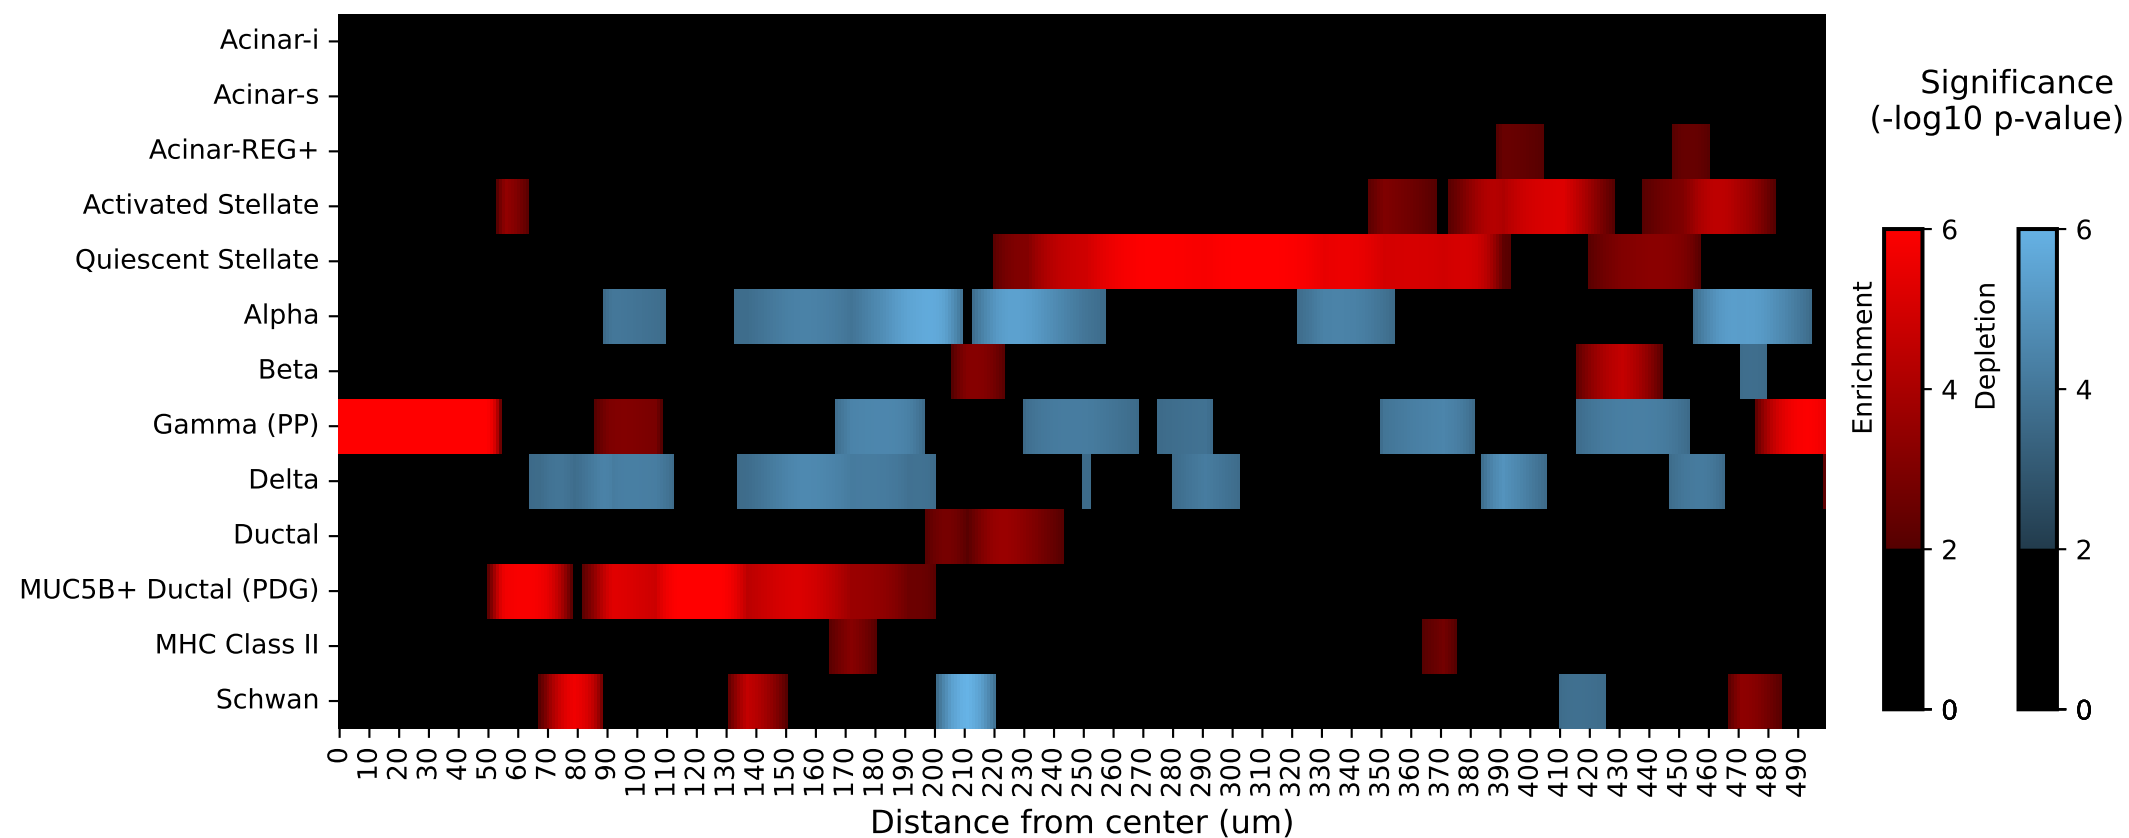

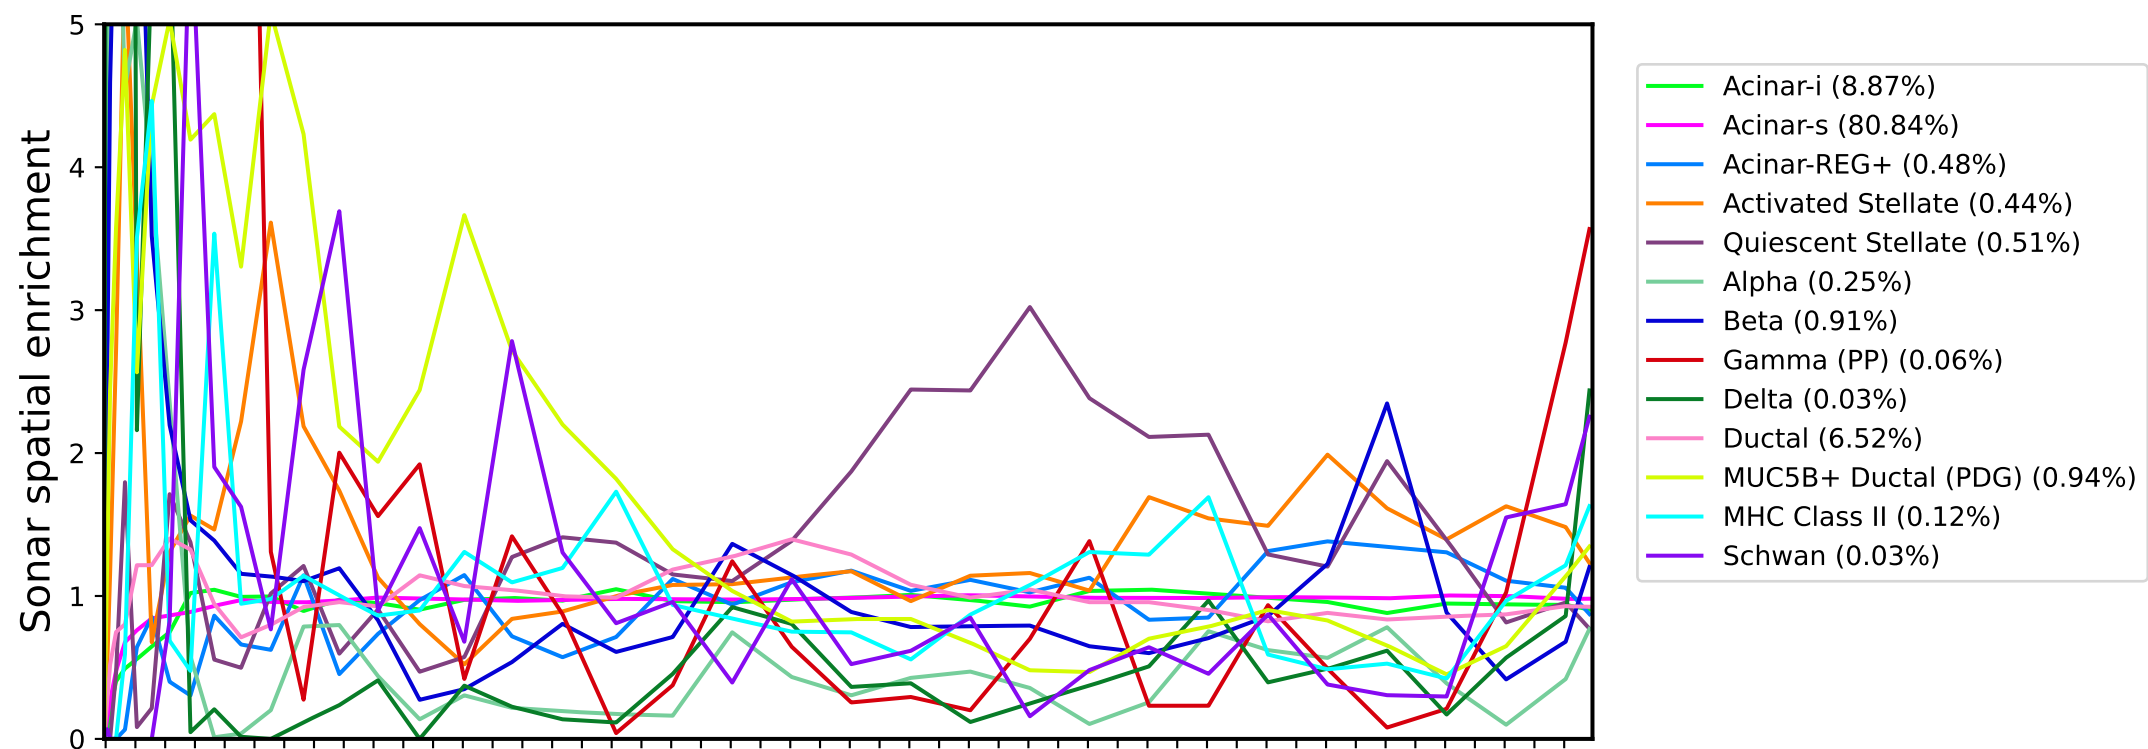

Spatial correlation plot for Alpha cells

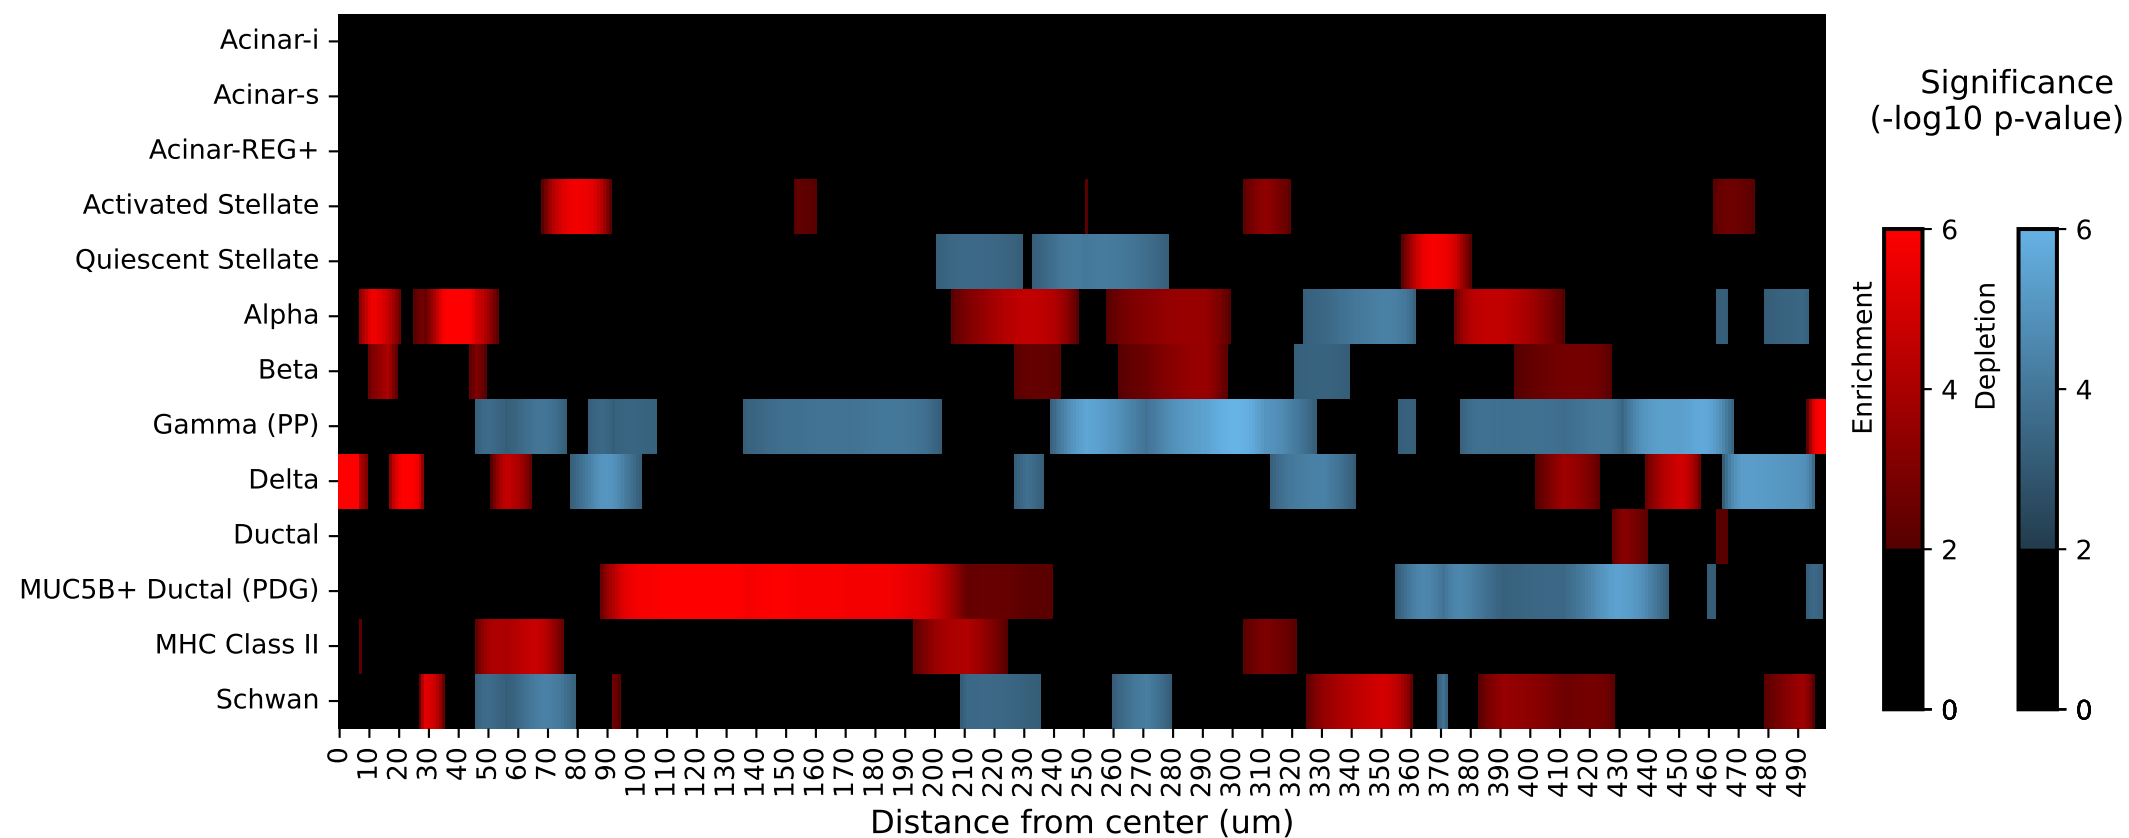

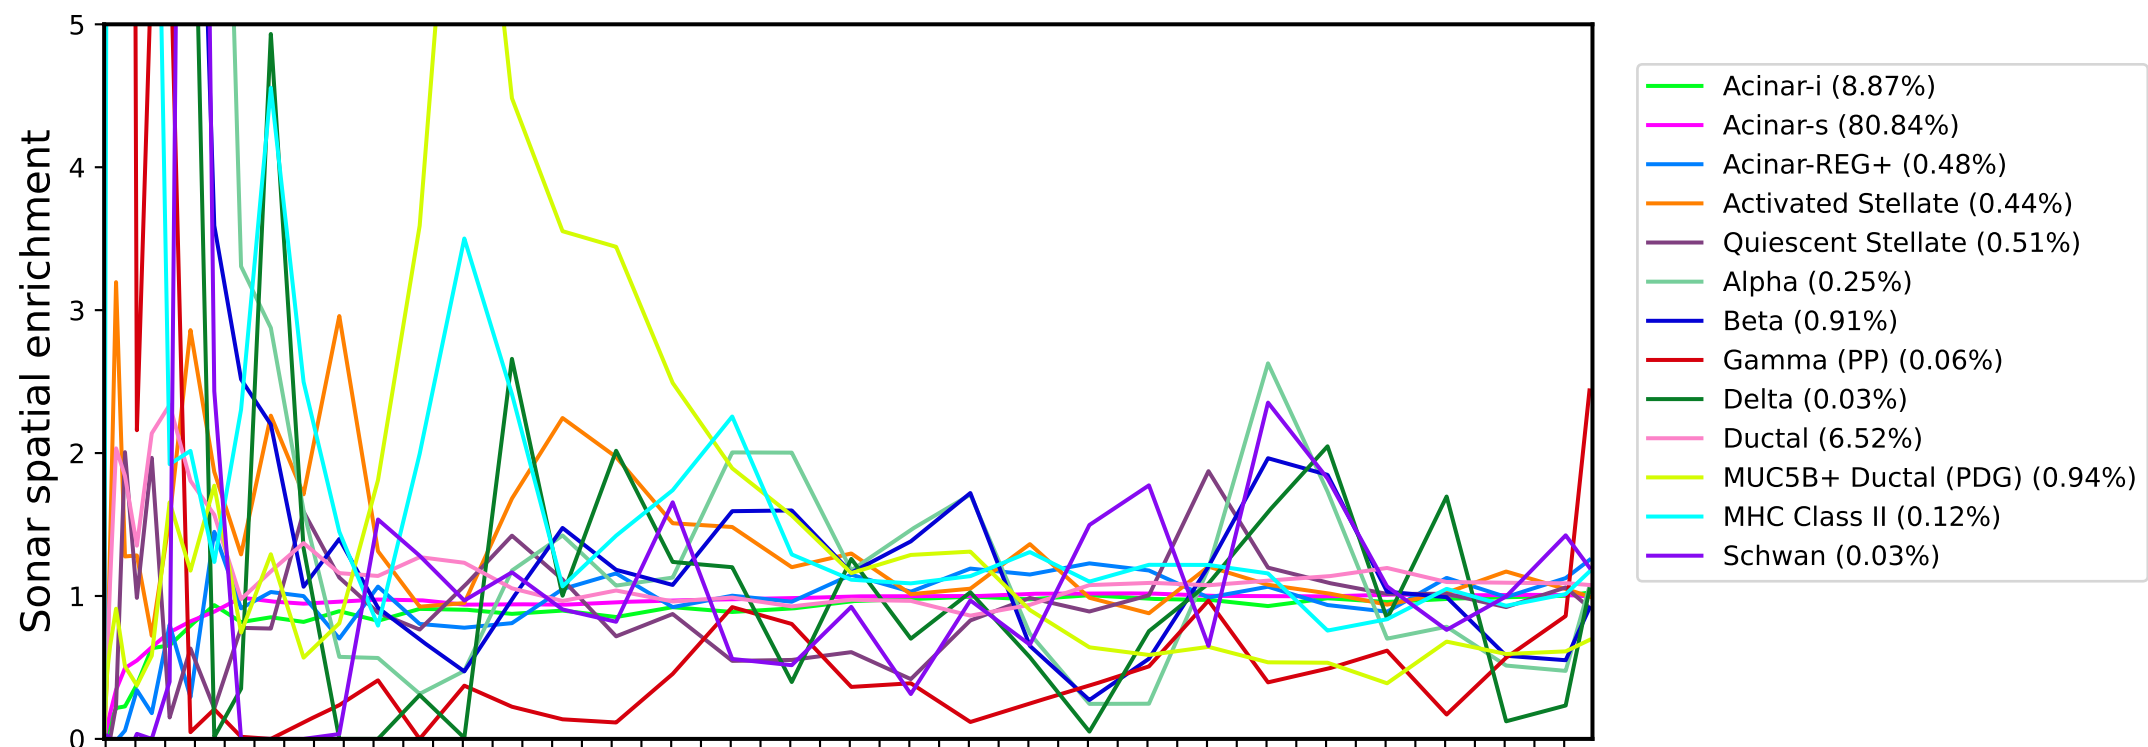

Spatial correlation plot for Beta cells

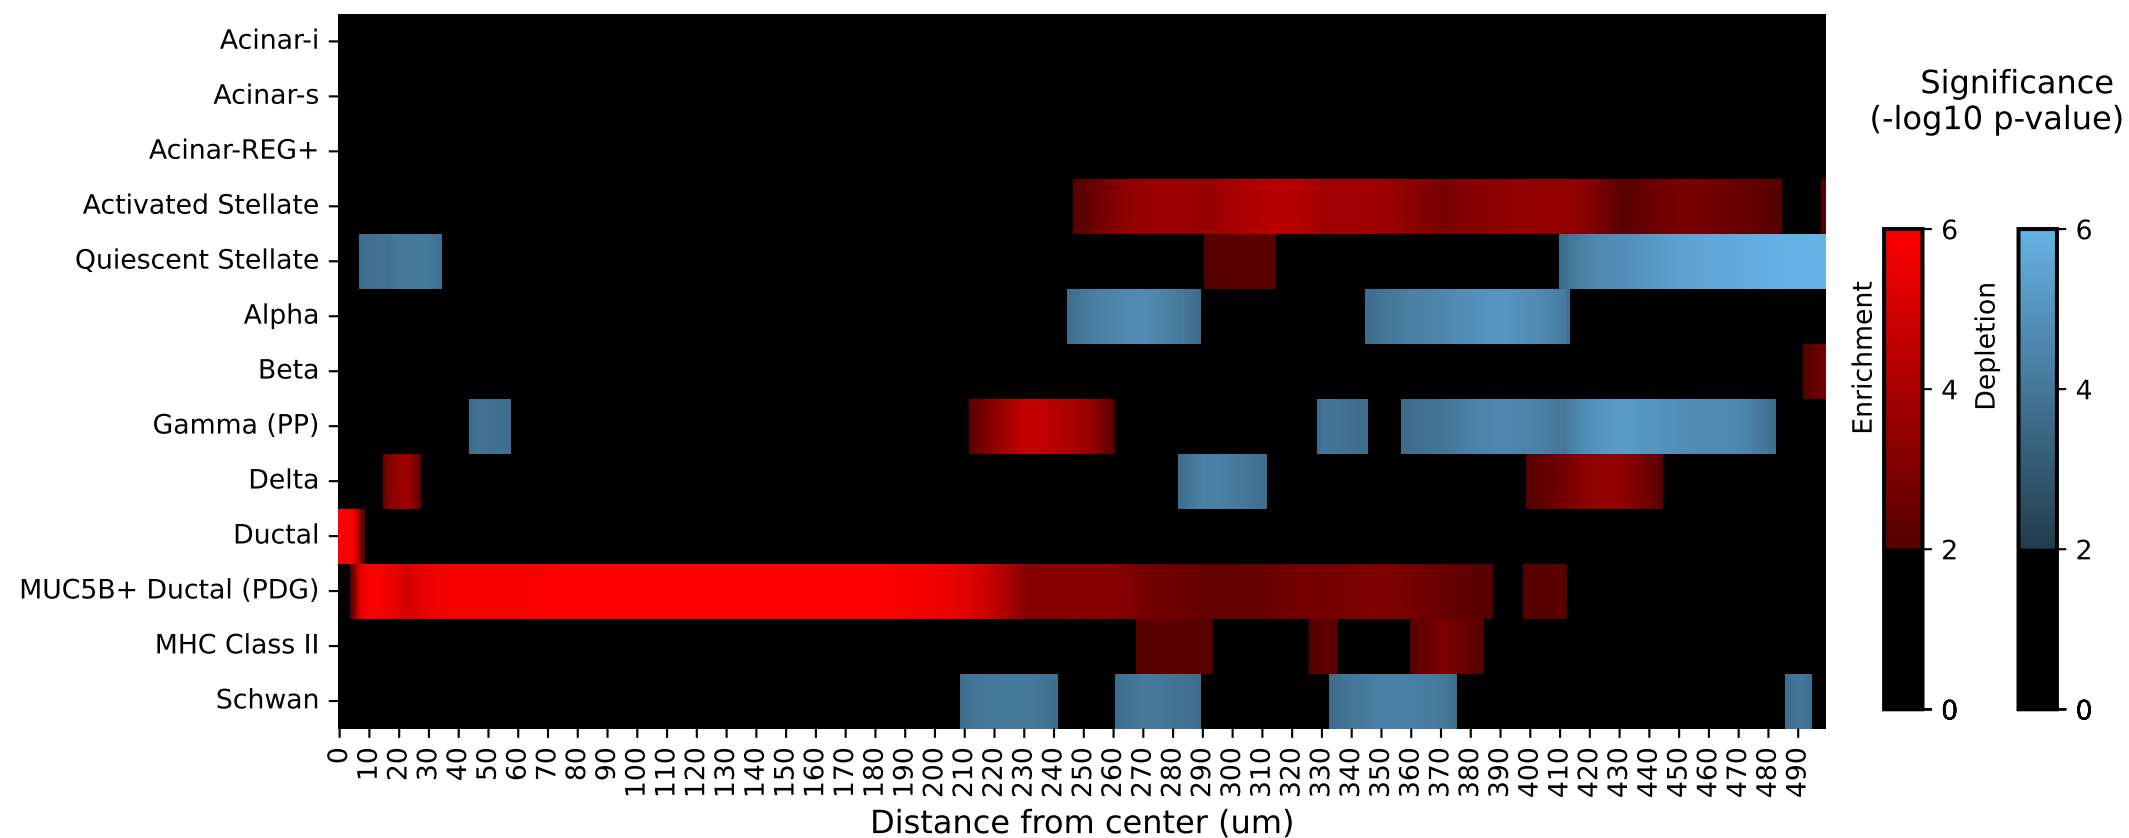

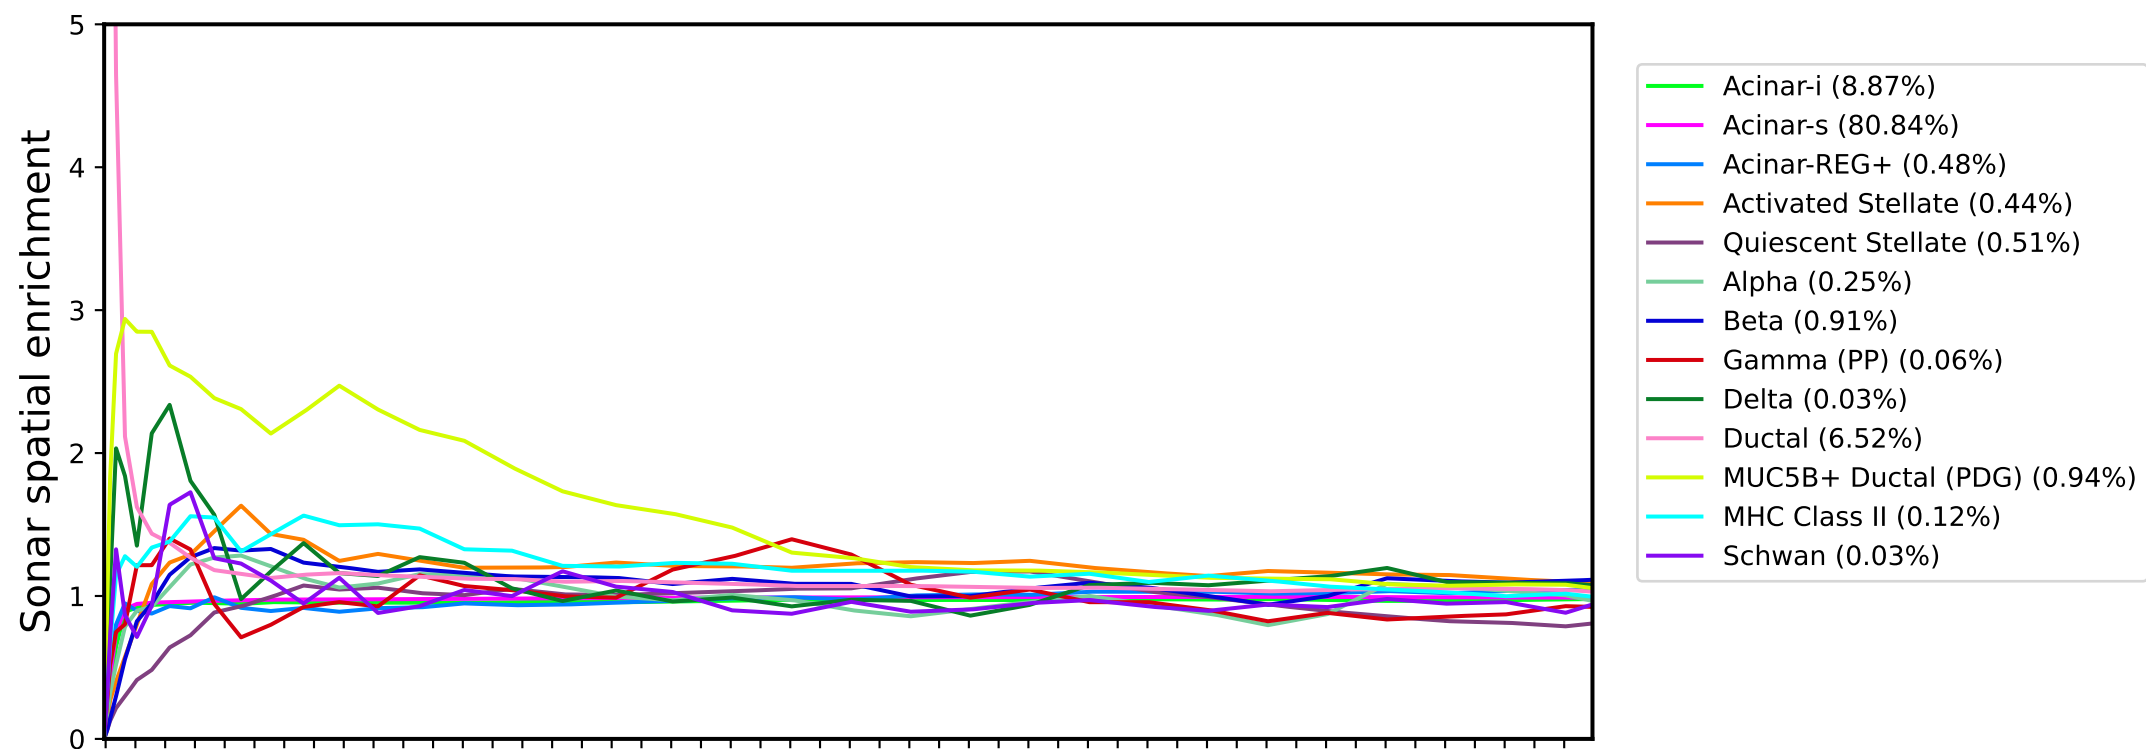

Spatial correlation plot for Gamma (PP) cells

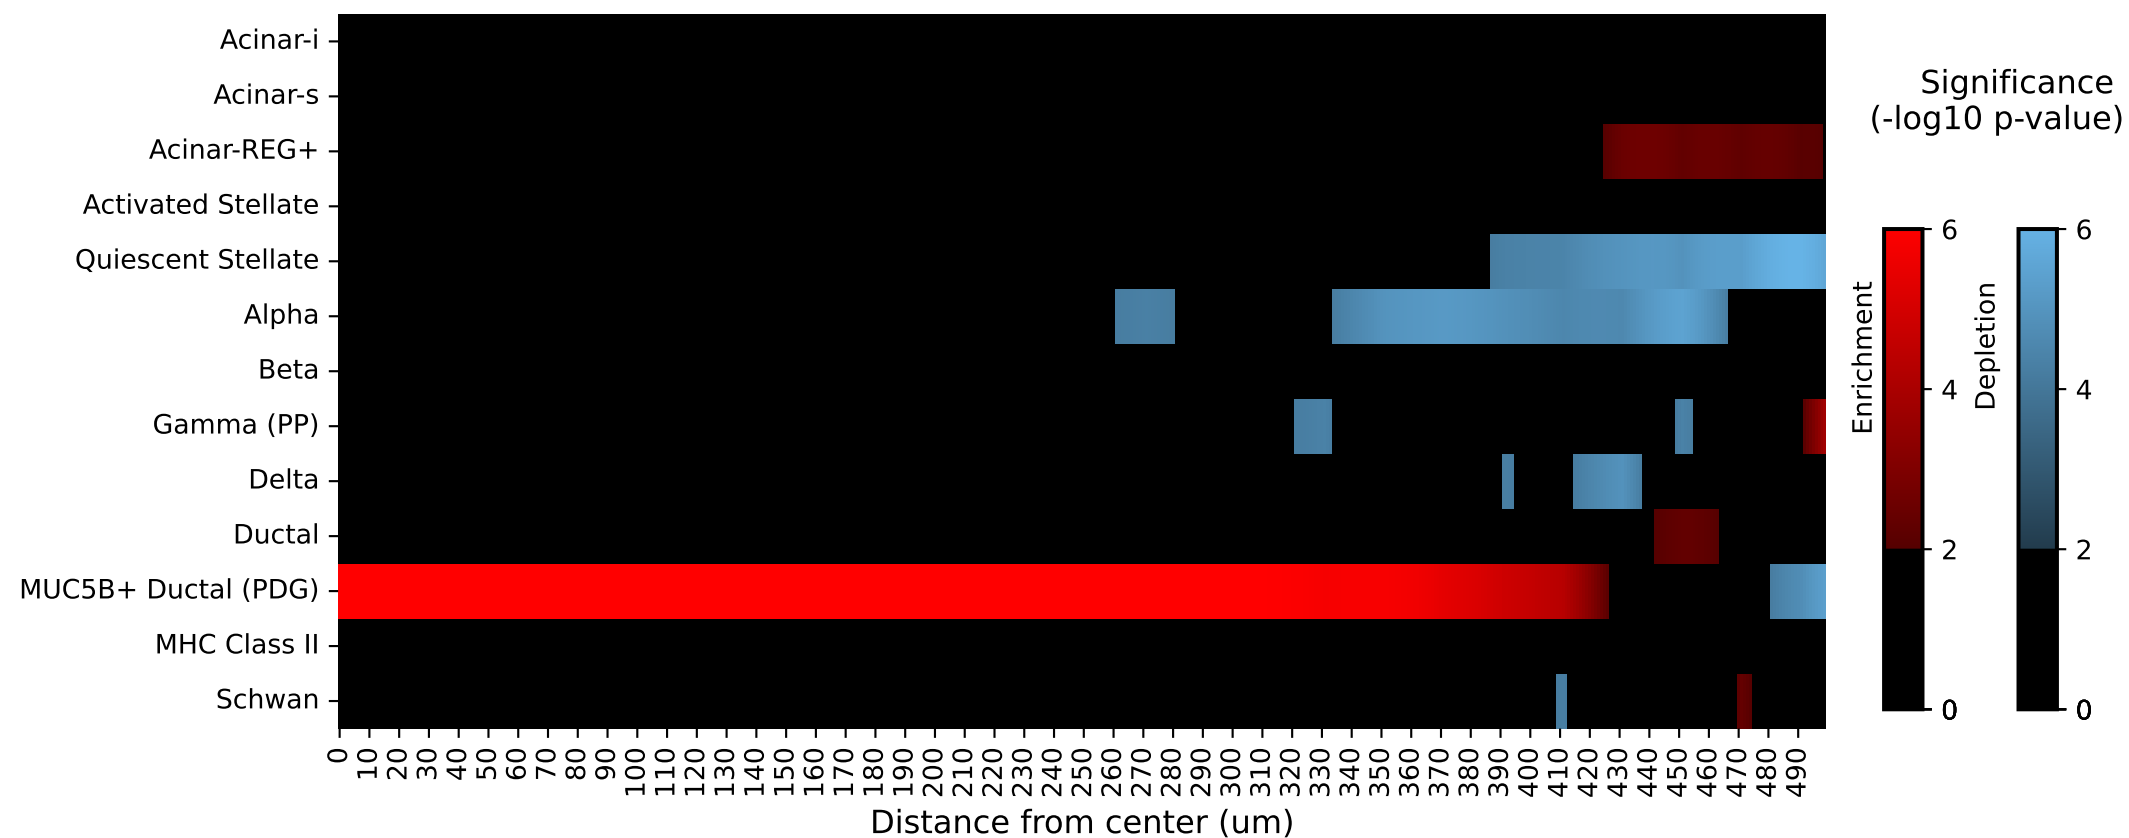

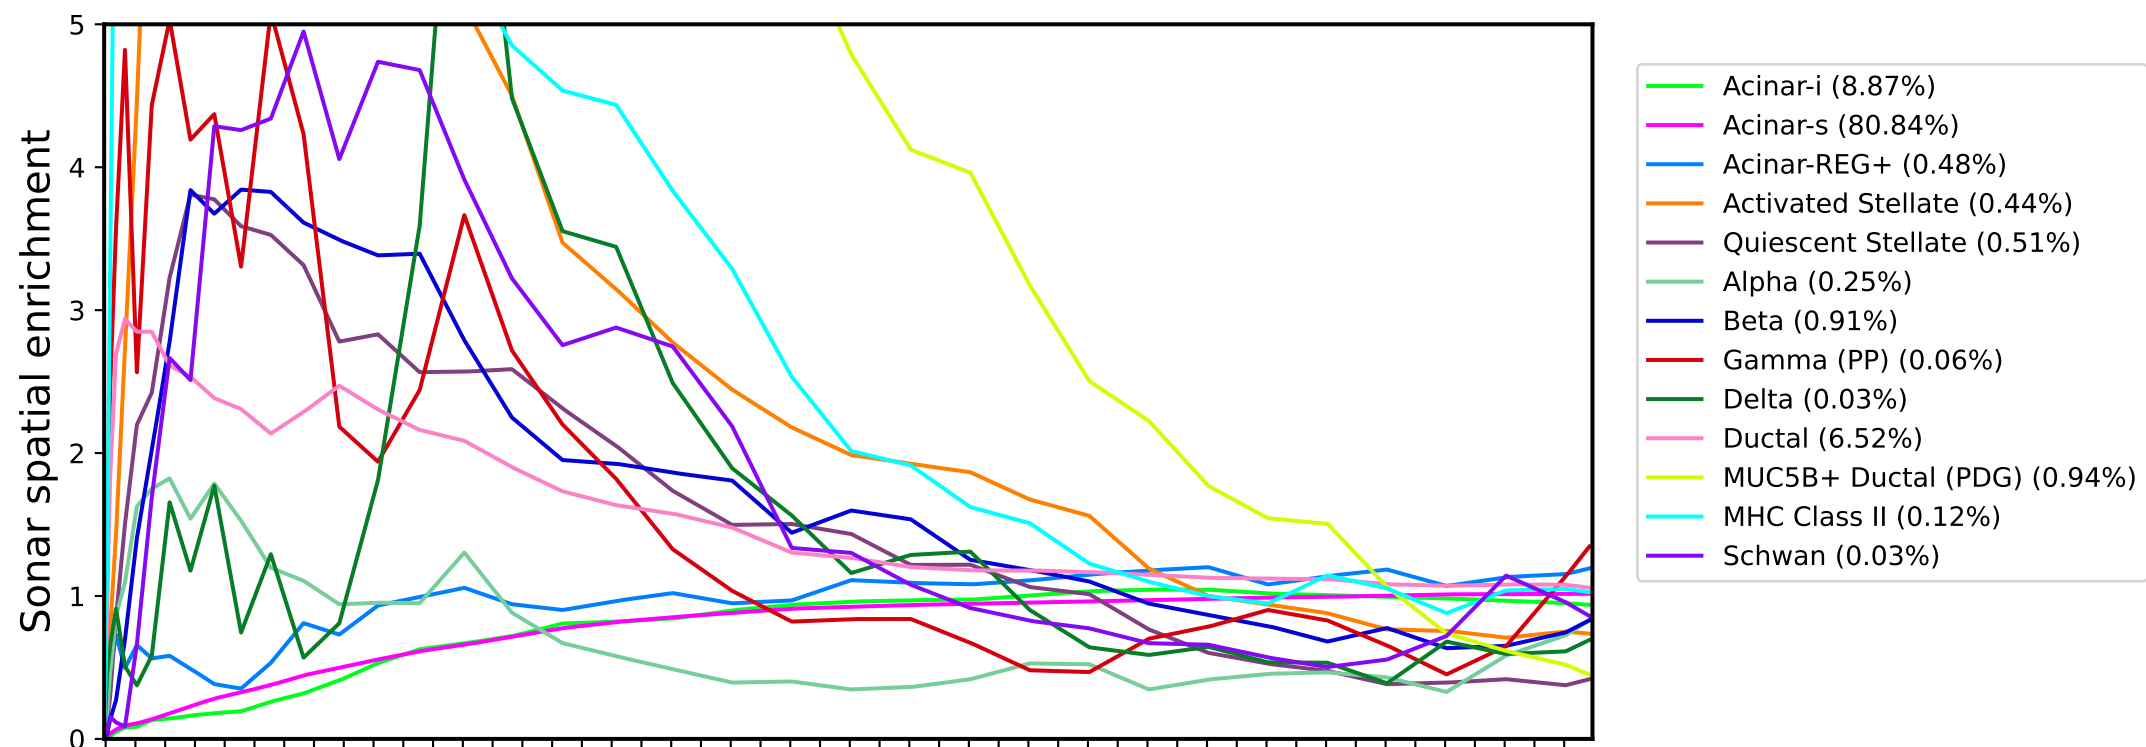

Spatial correlation plot for Delta cells

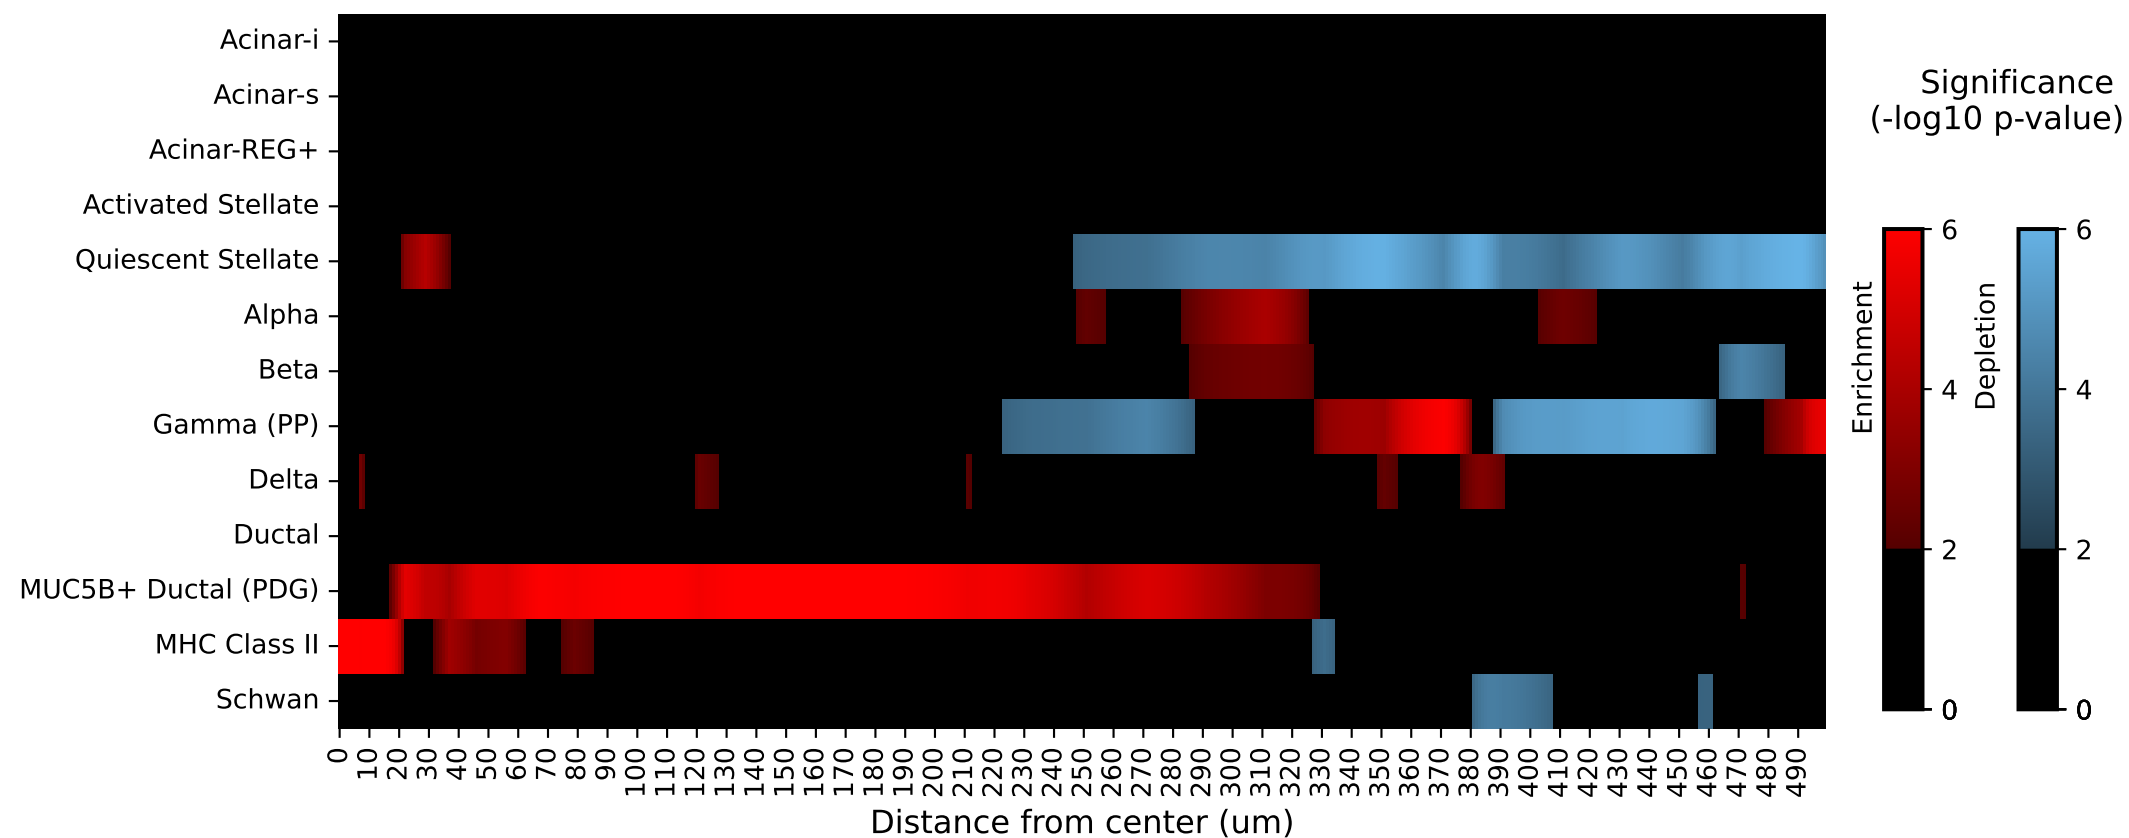

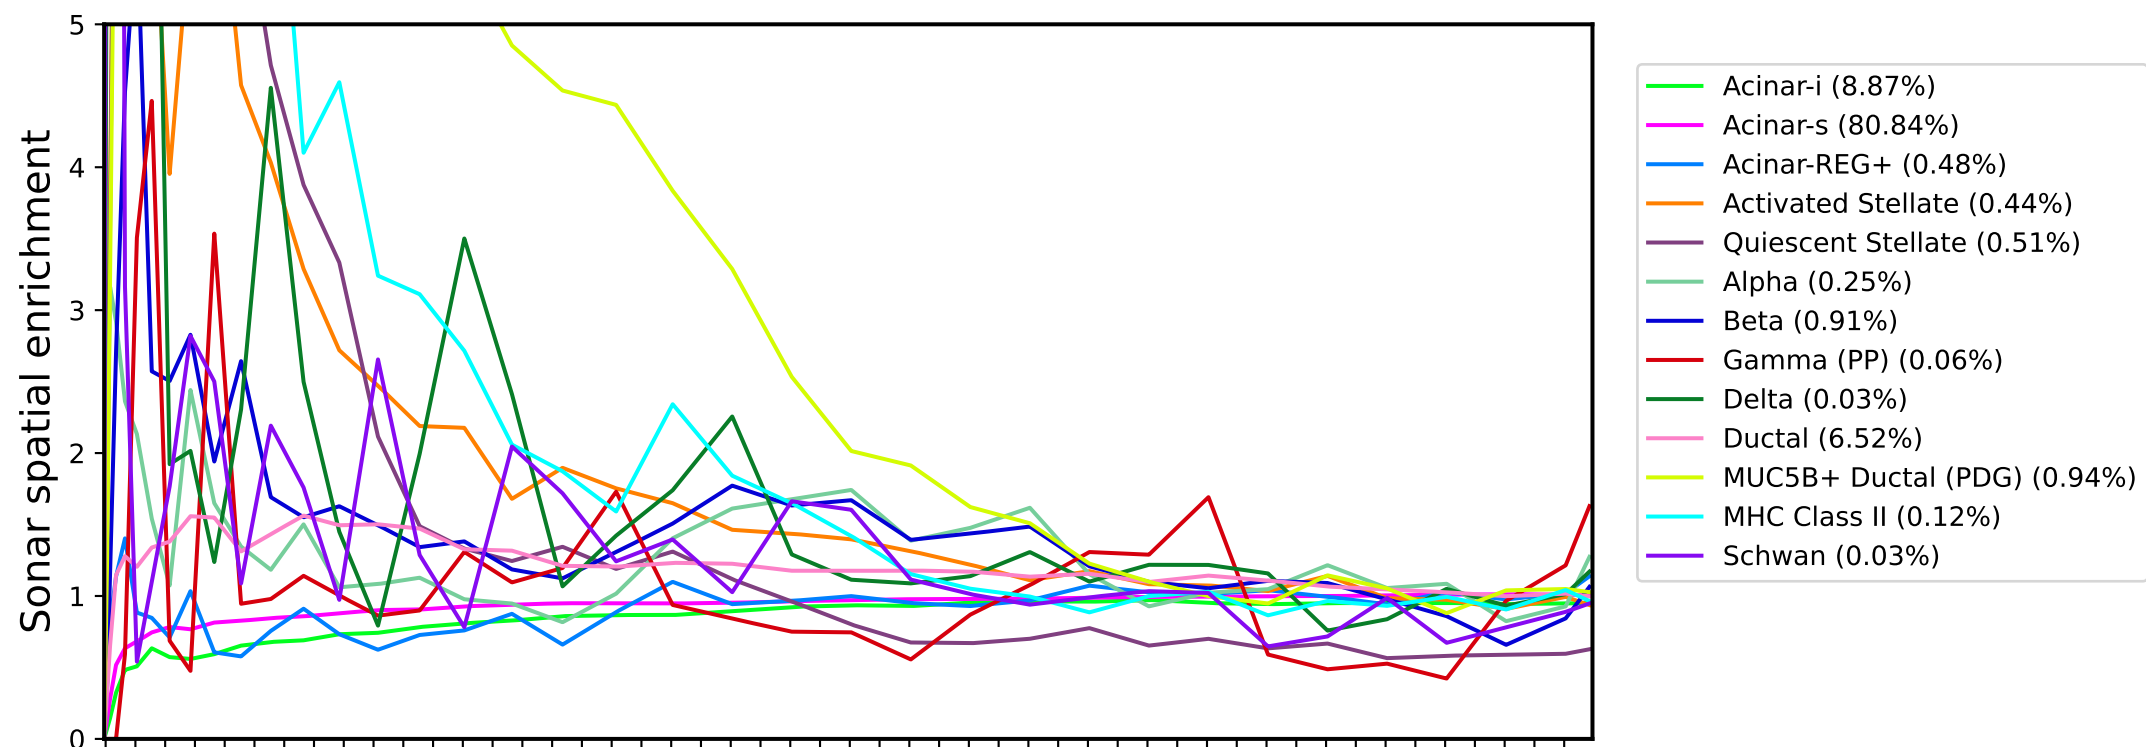

Spatial correlation plot for Ductal cells

Spatial correlation plot for MUC5B+ Ductal (PDG) cells

Spatial correlation plot for MHC Class II cells

Spatial correlation plot for Schwan cells
