

Cross-correlation of Acinar-i

Cross-correlation of Acinar-s

Cross-correlation of Acinar-REG+

Cross-correlation of Activated Stellate

Cross-correlation of Quiescent Stellate

Cross-correlation of Alpha

Cross-correlation of Beta

Cross-correlation of Gamma (PP)

Cross-correlation of Delta

Cross-correlation of Ductal

Cross-correlation of MUC5B+ Ductal (PDG)

Cross-correlation of MHC Class II

Cross-correlation of Schwan
