

# Spatial correlation plot for Astrocyte Gfap cells

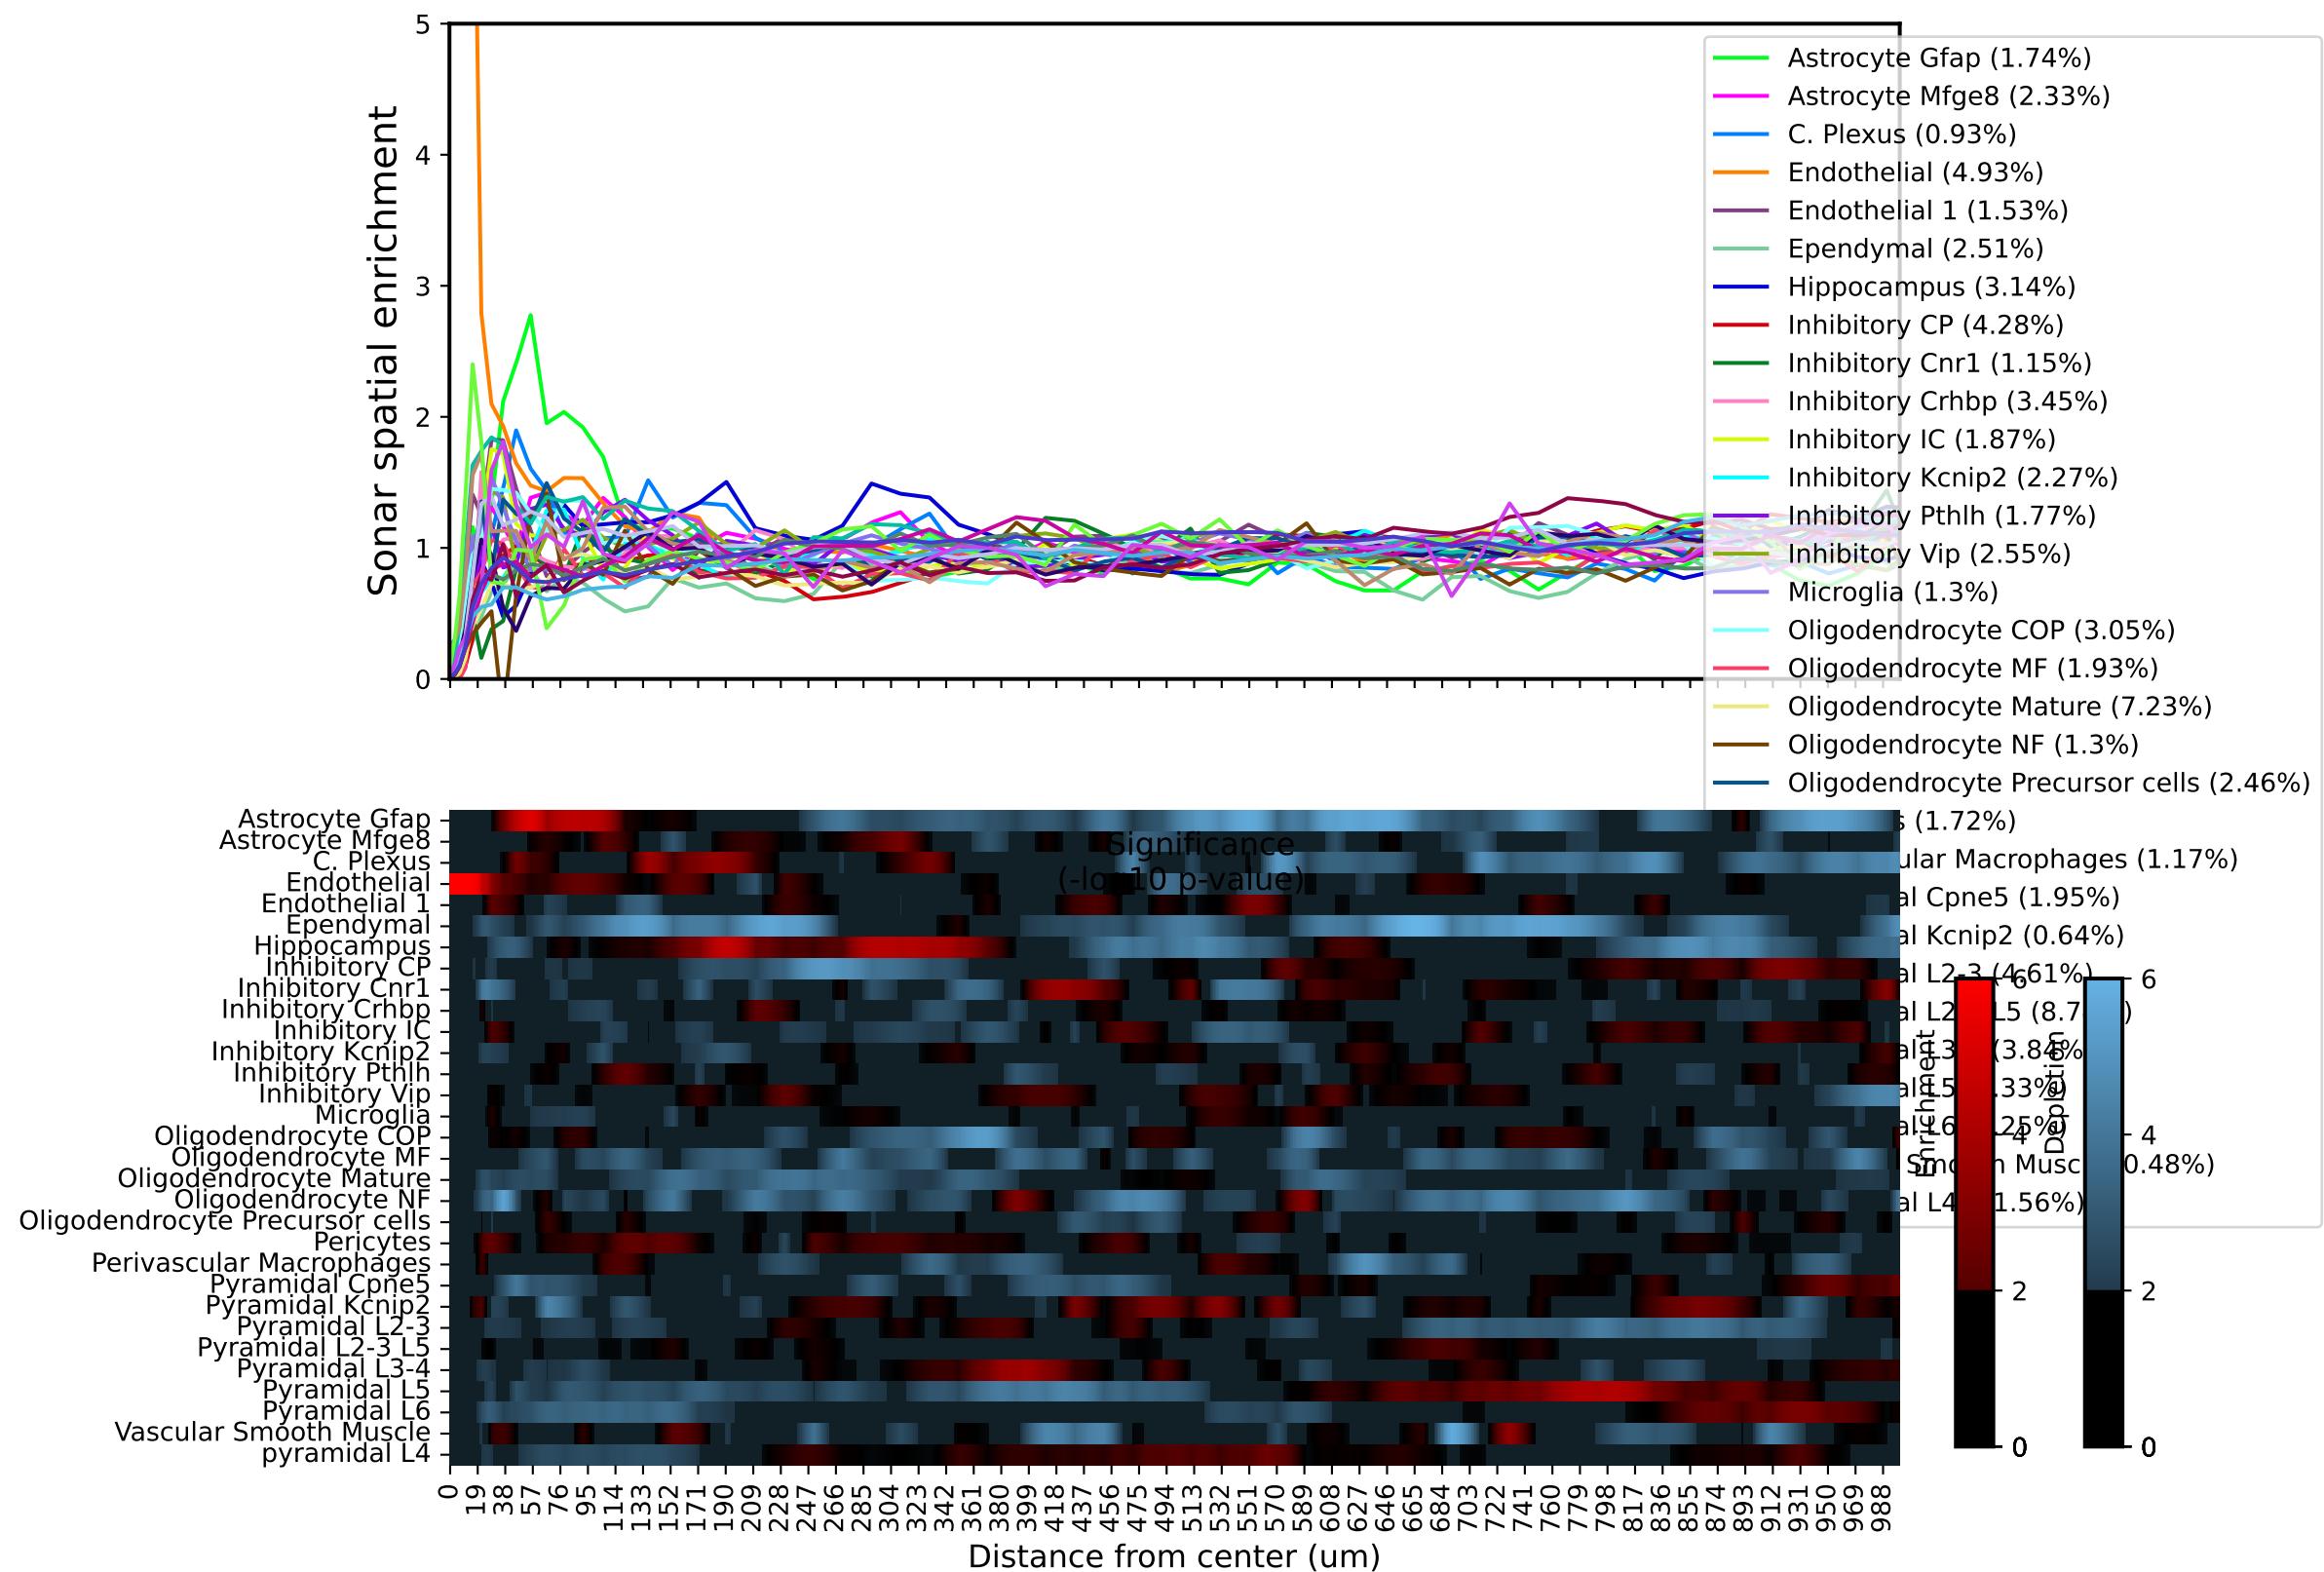

# Spatial correlation plot for Astrocyte Mfge8 cells

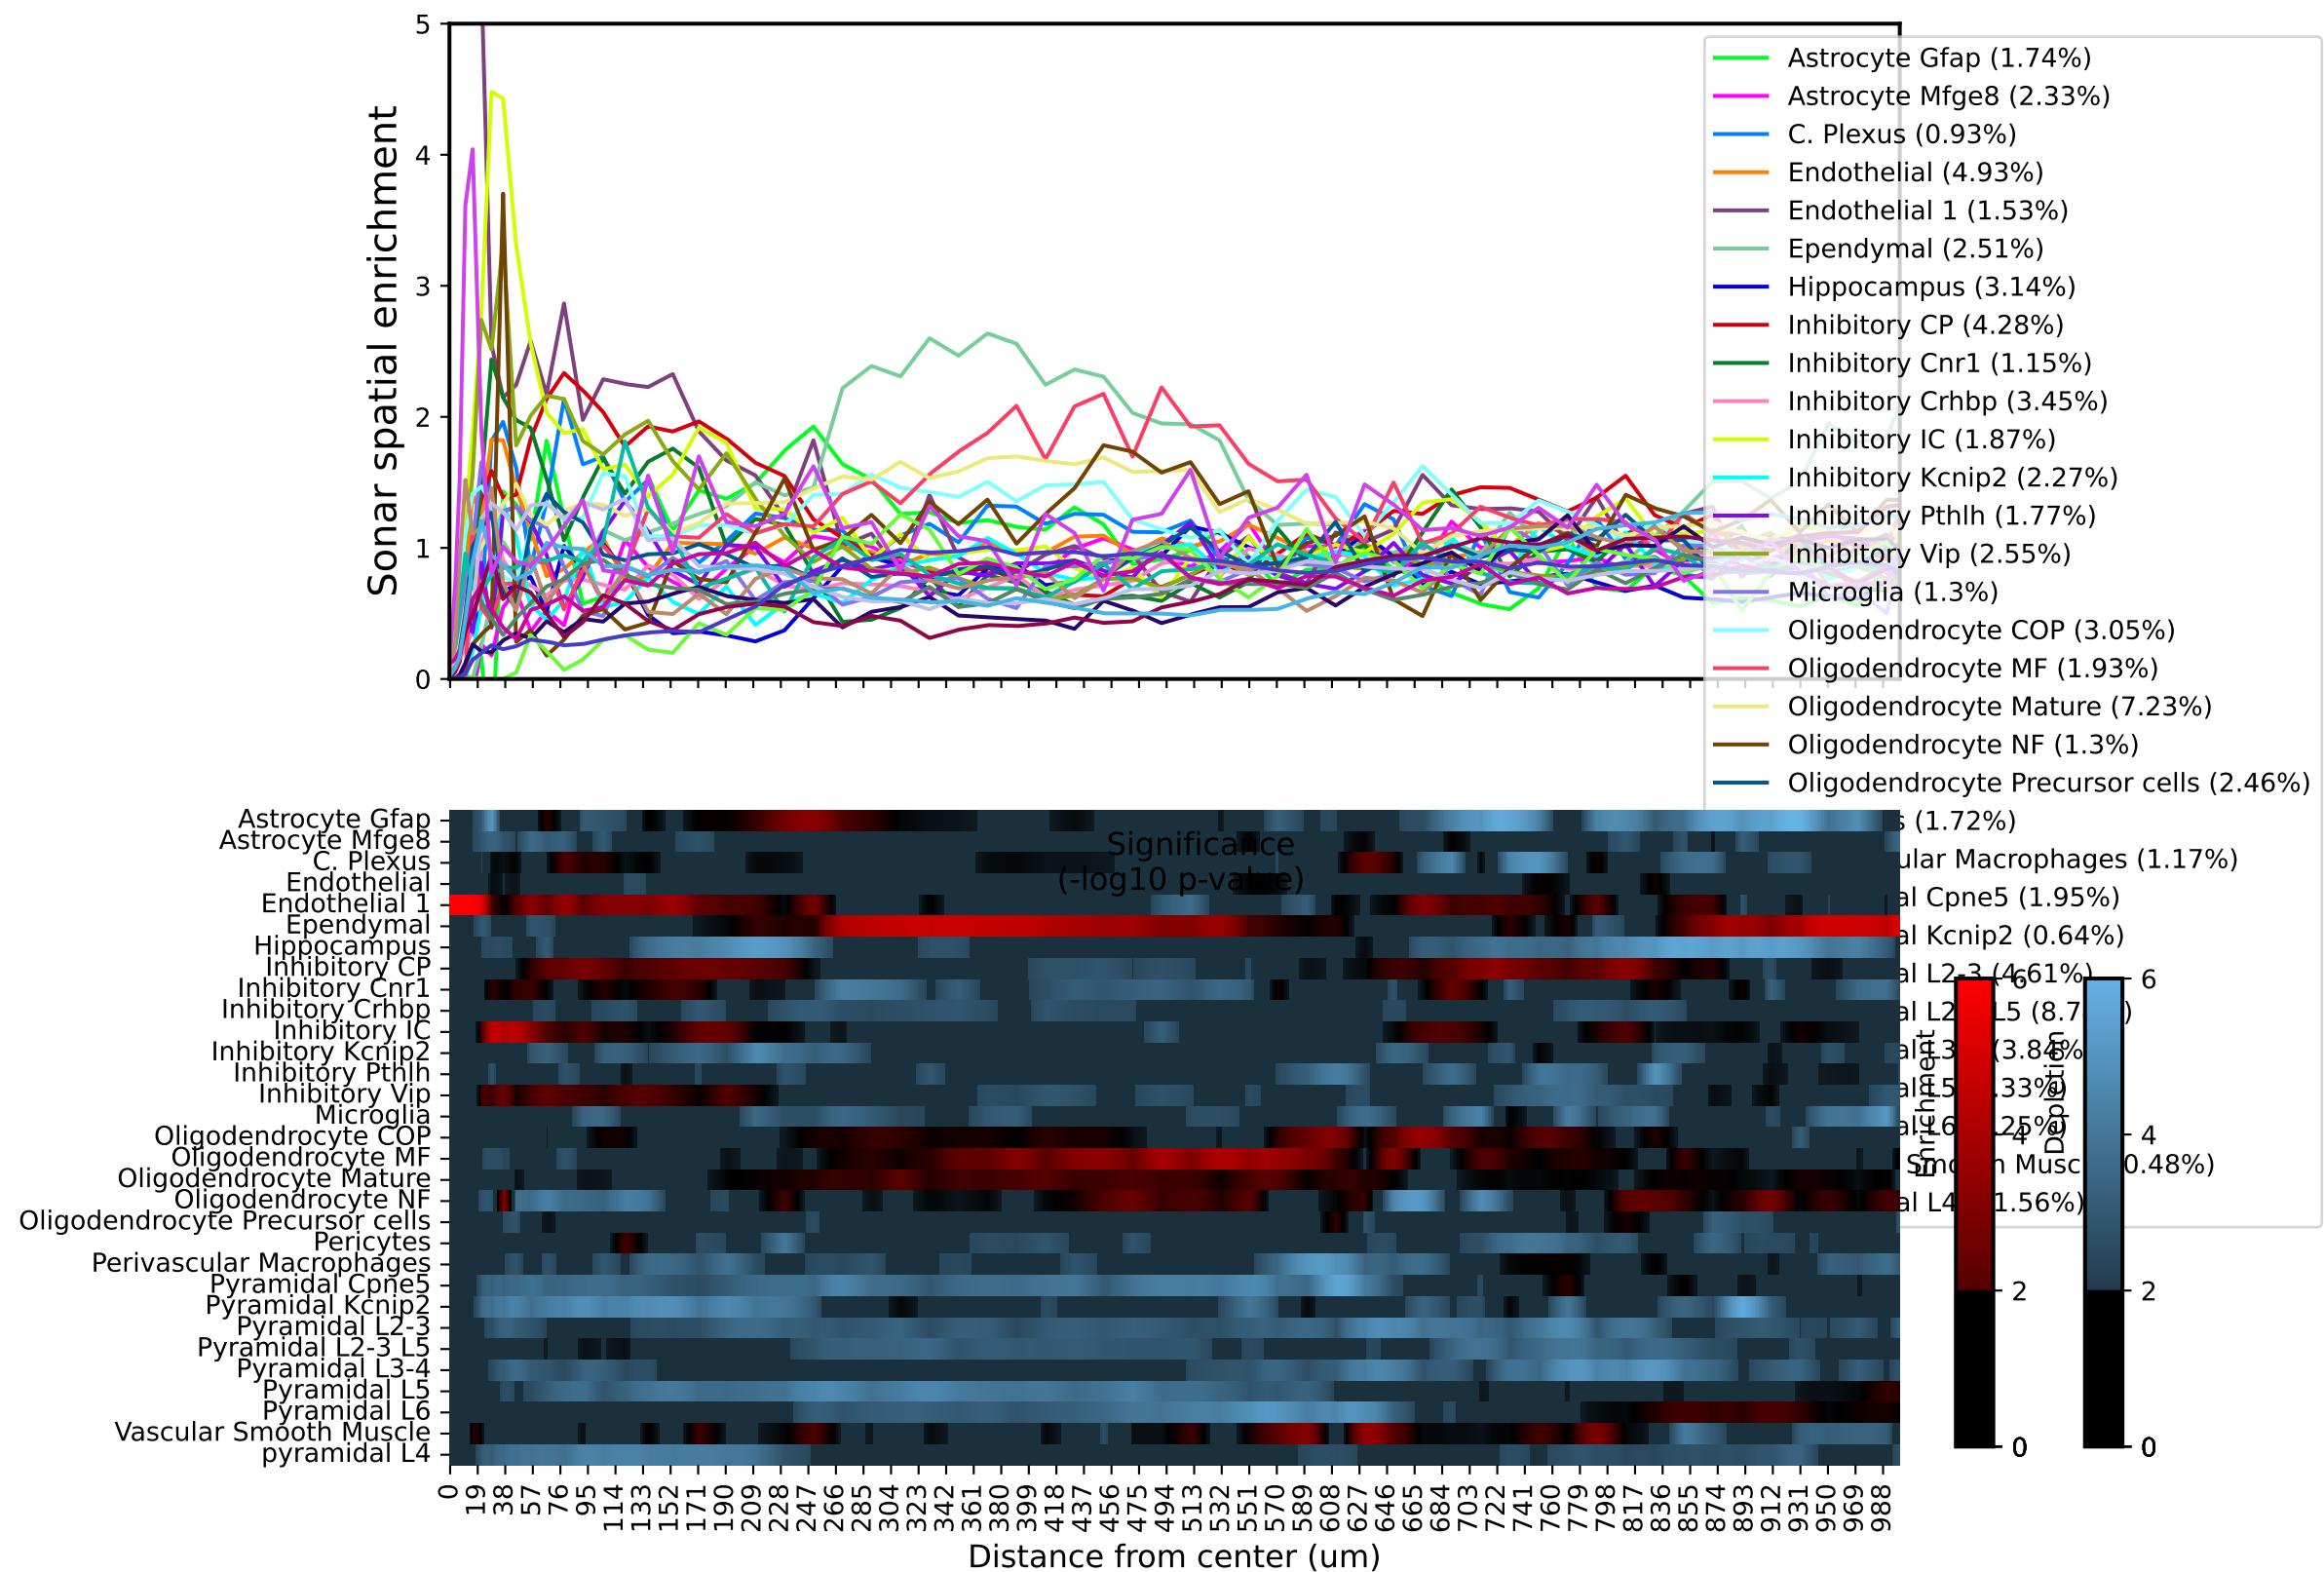

# Spatial correlation plot for C. Plexus cells

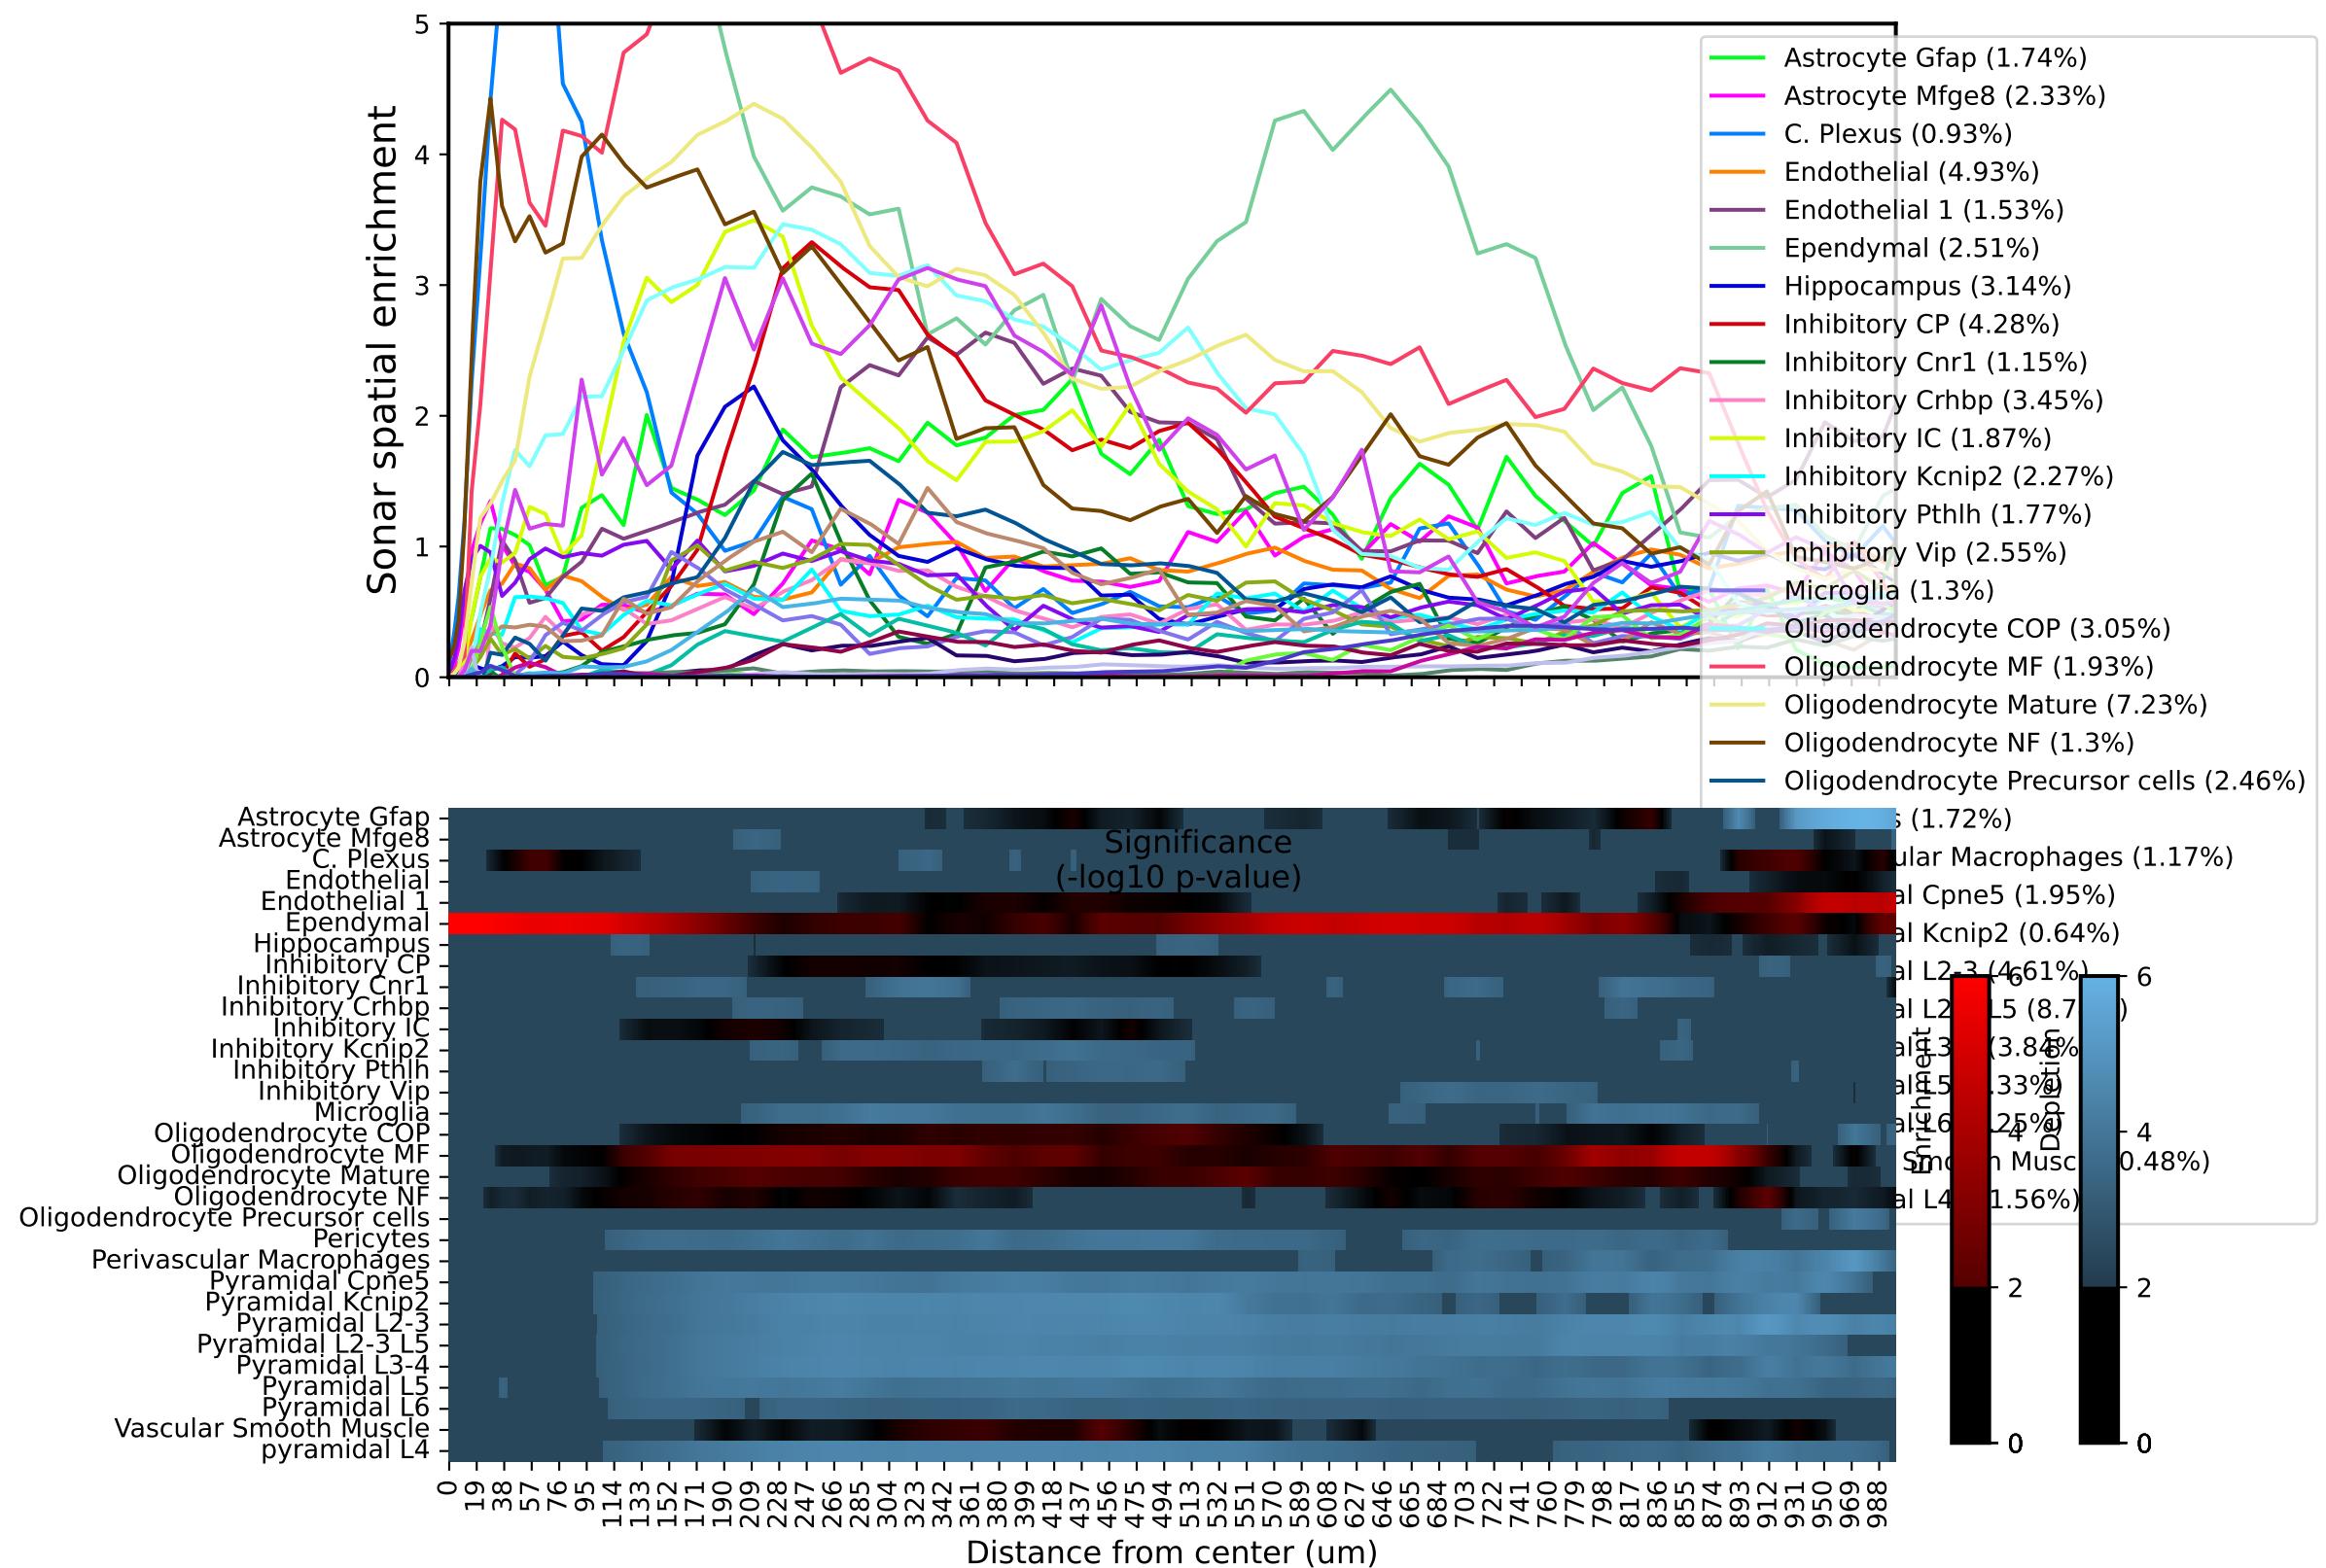

# Spatial correlation plot for Endothelial cells

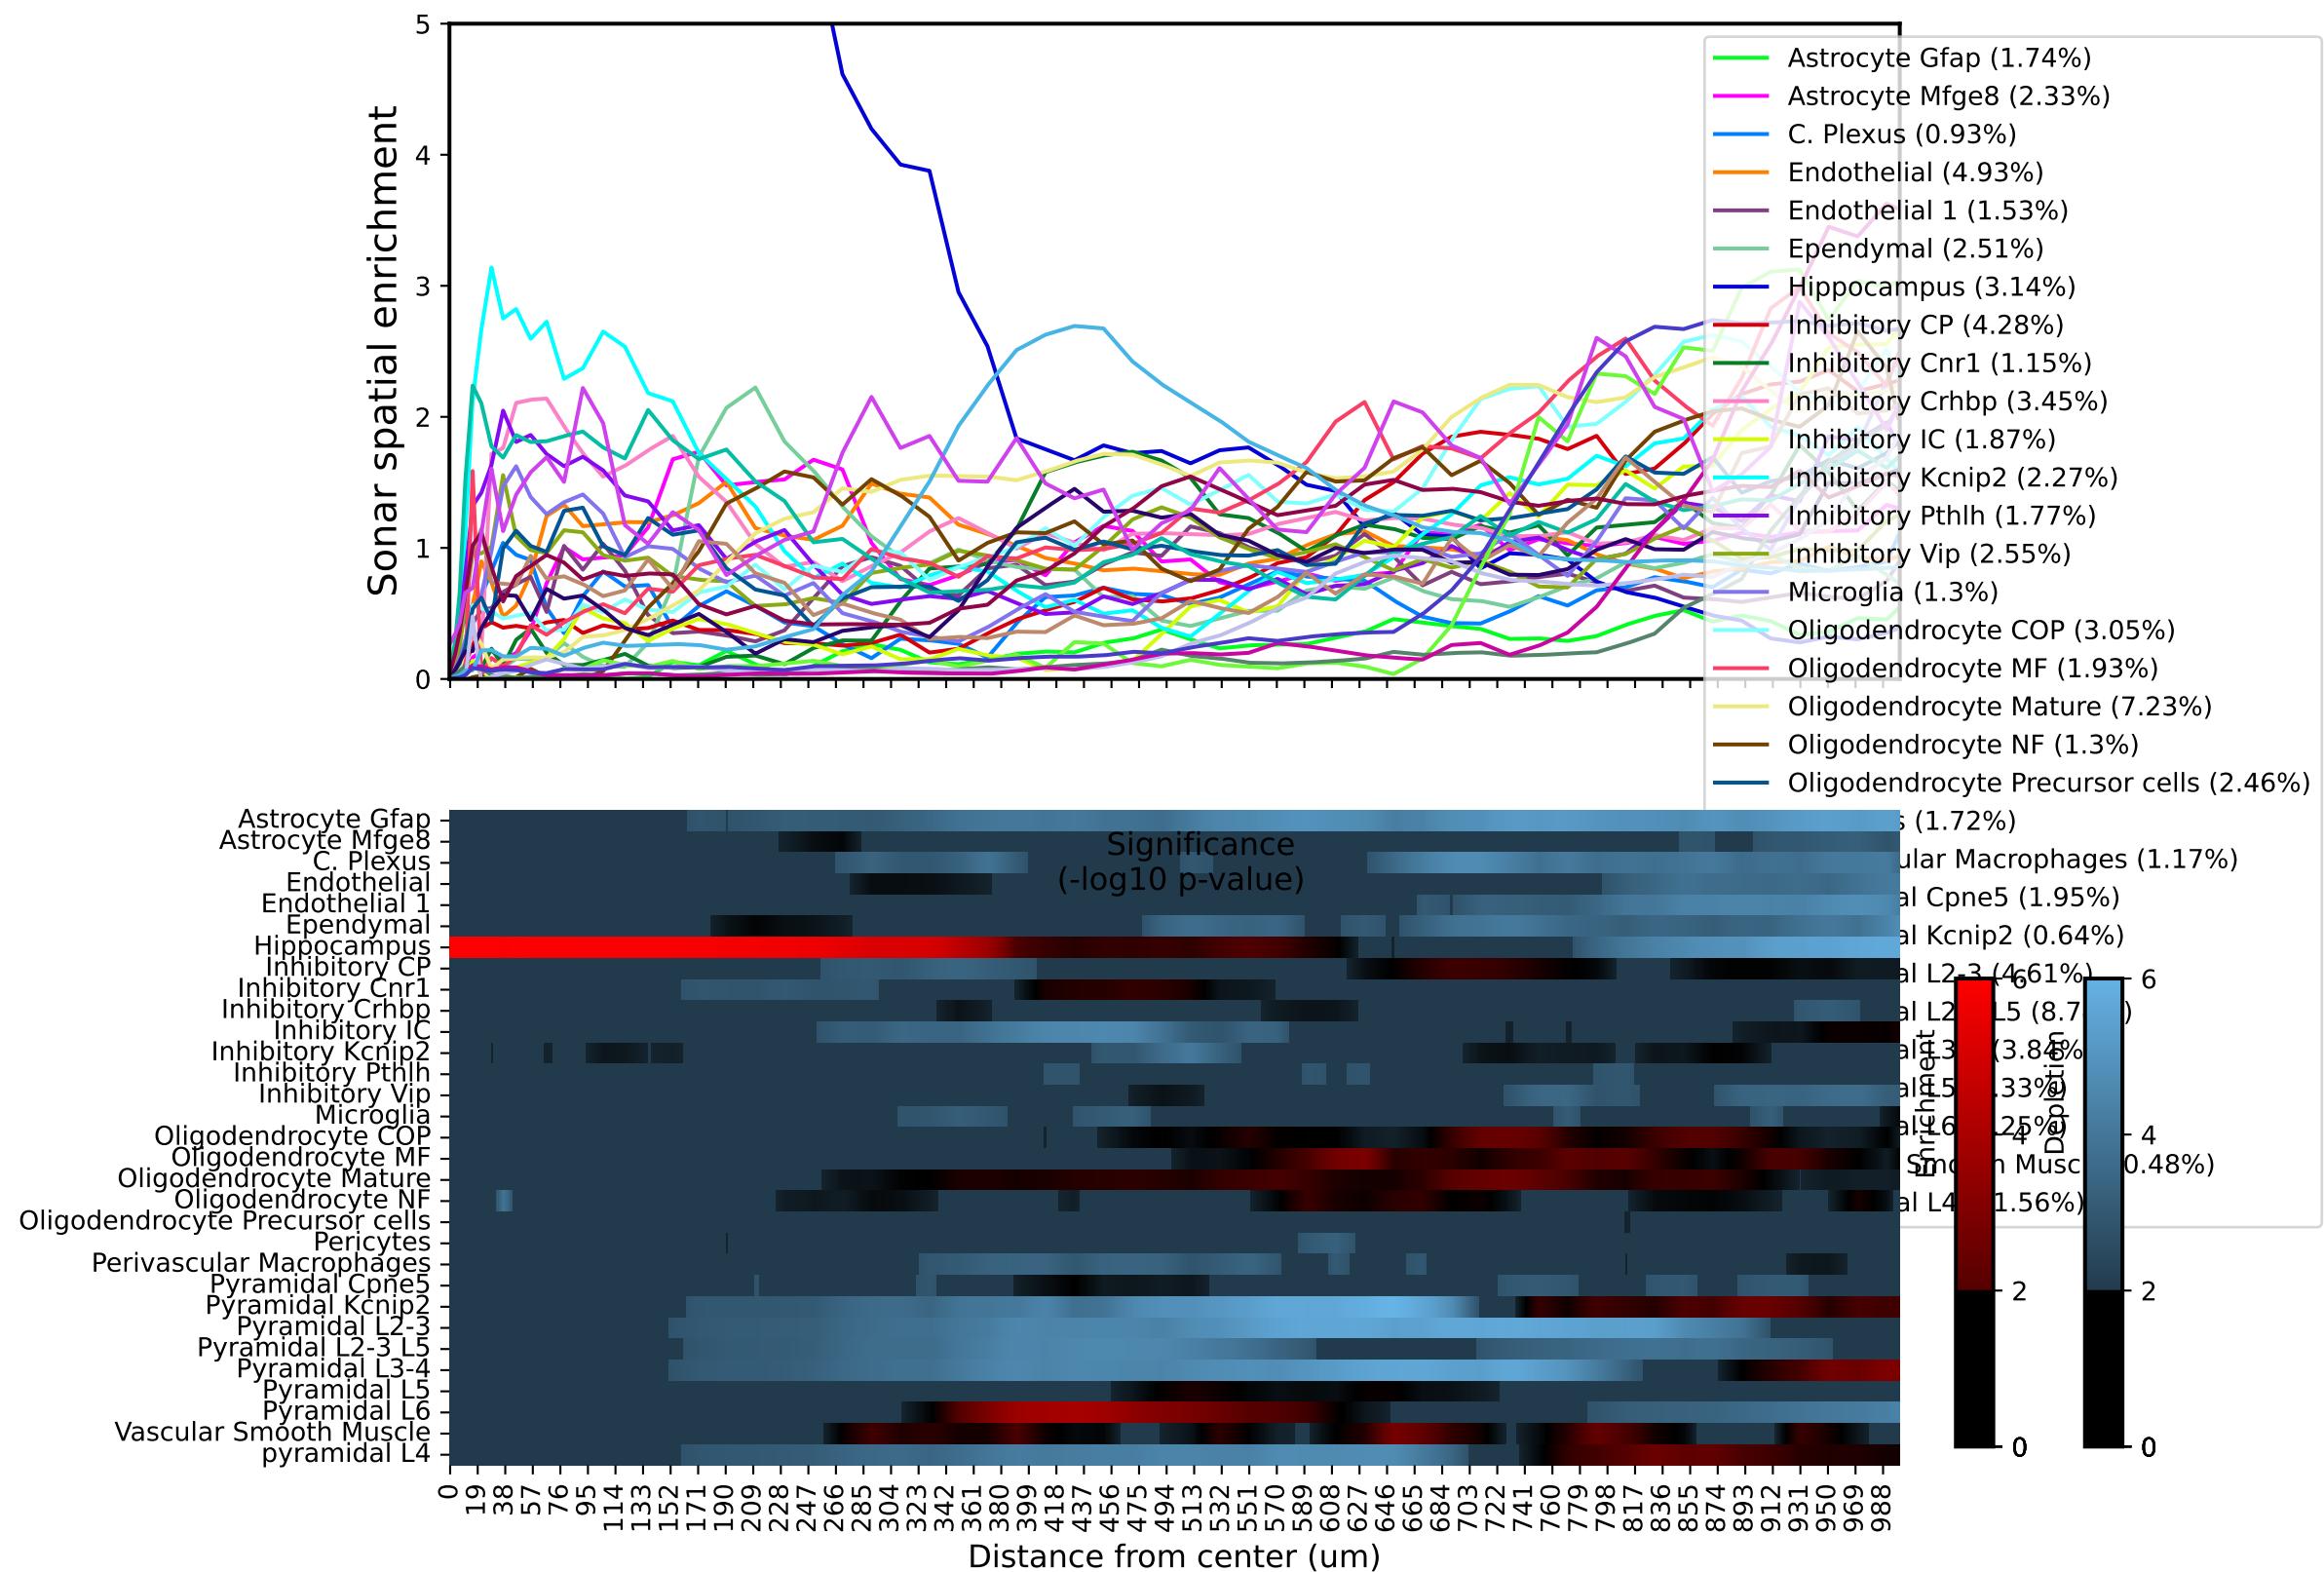

# Spatial correlation plot for Endothelial 1 cells

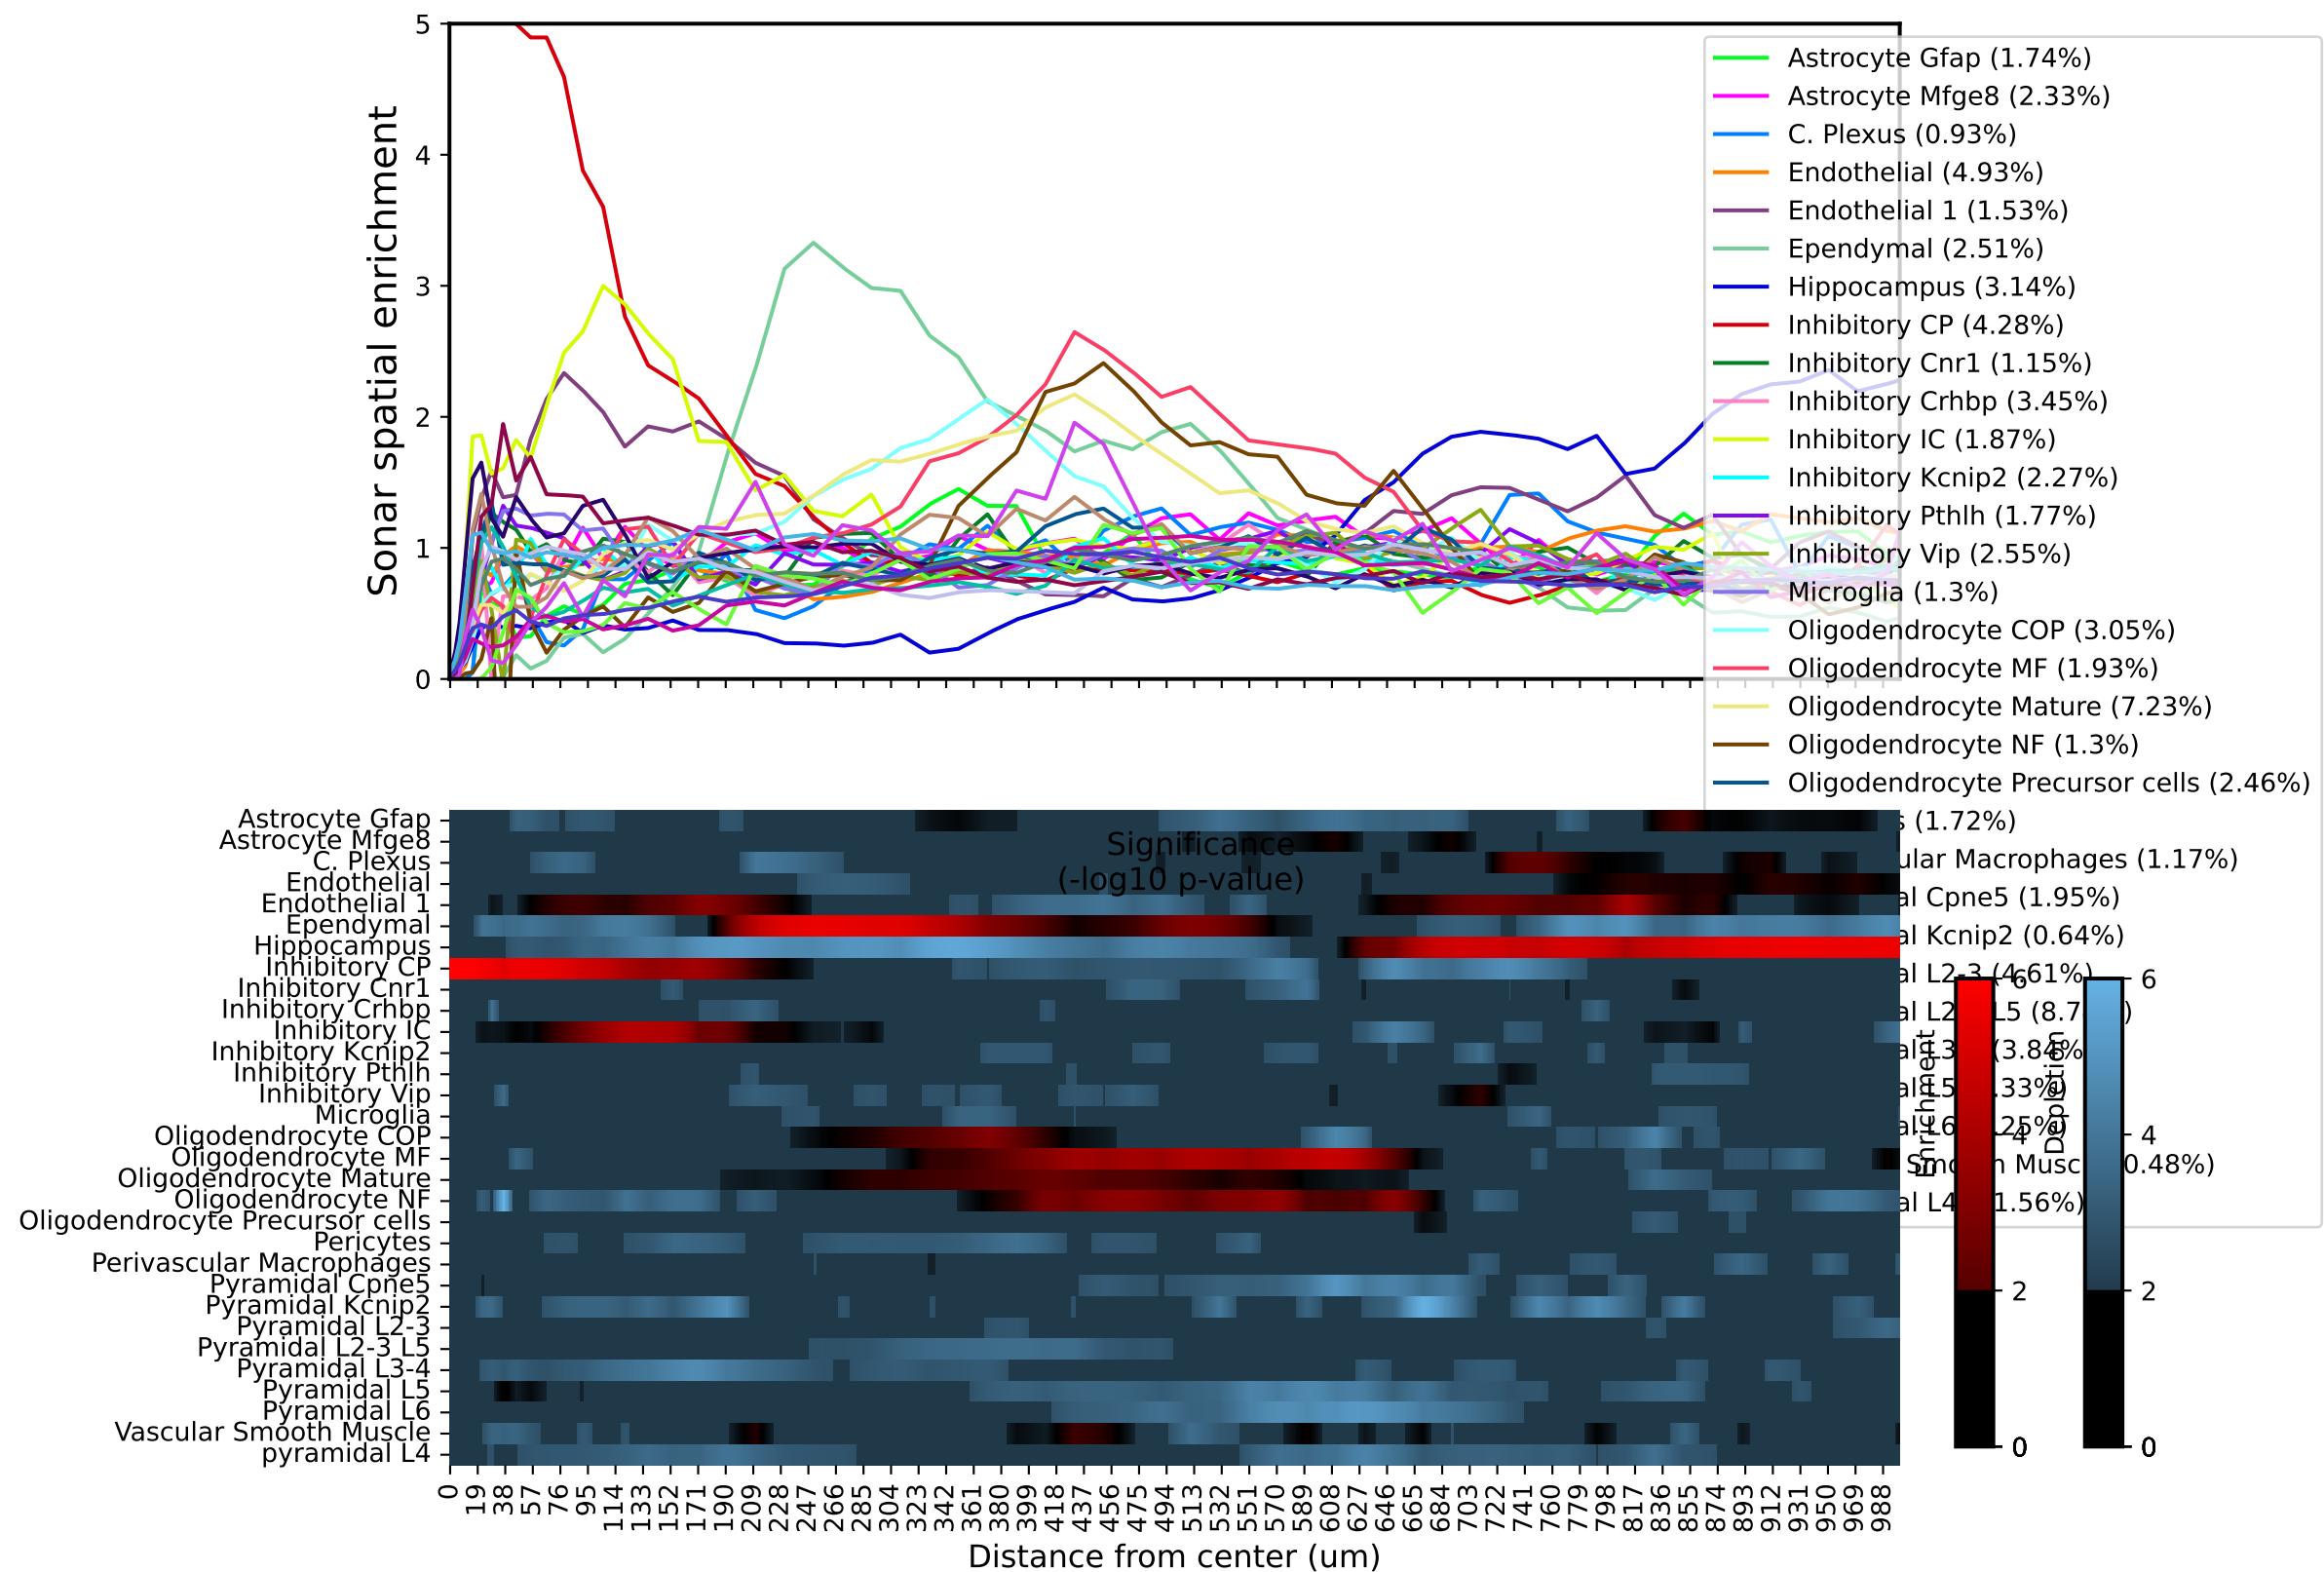

# Spatial correlation plot for Ependymal cells

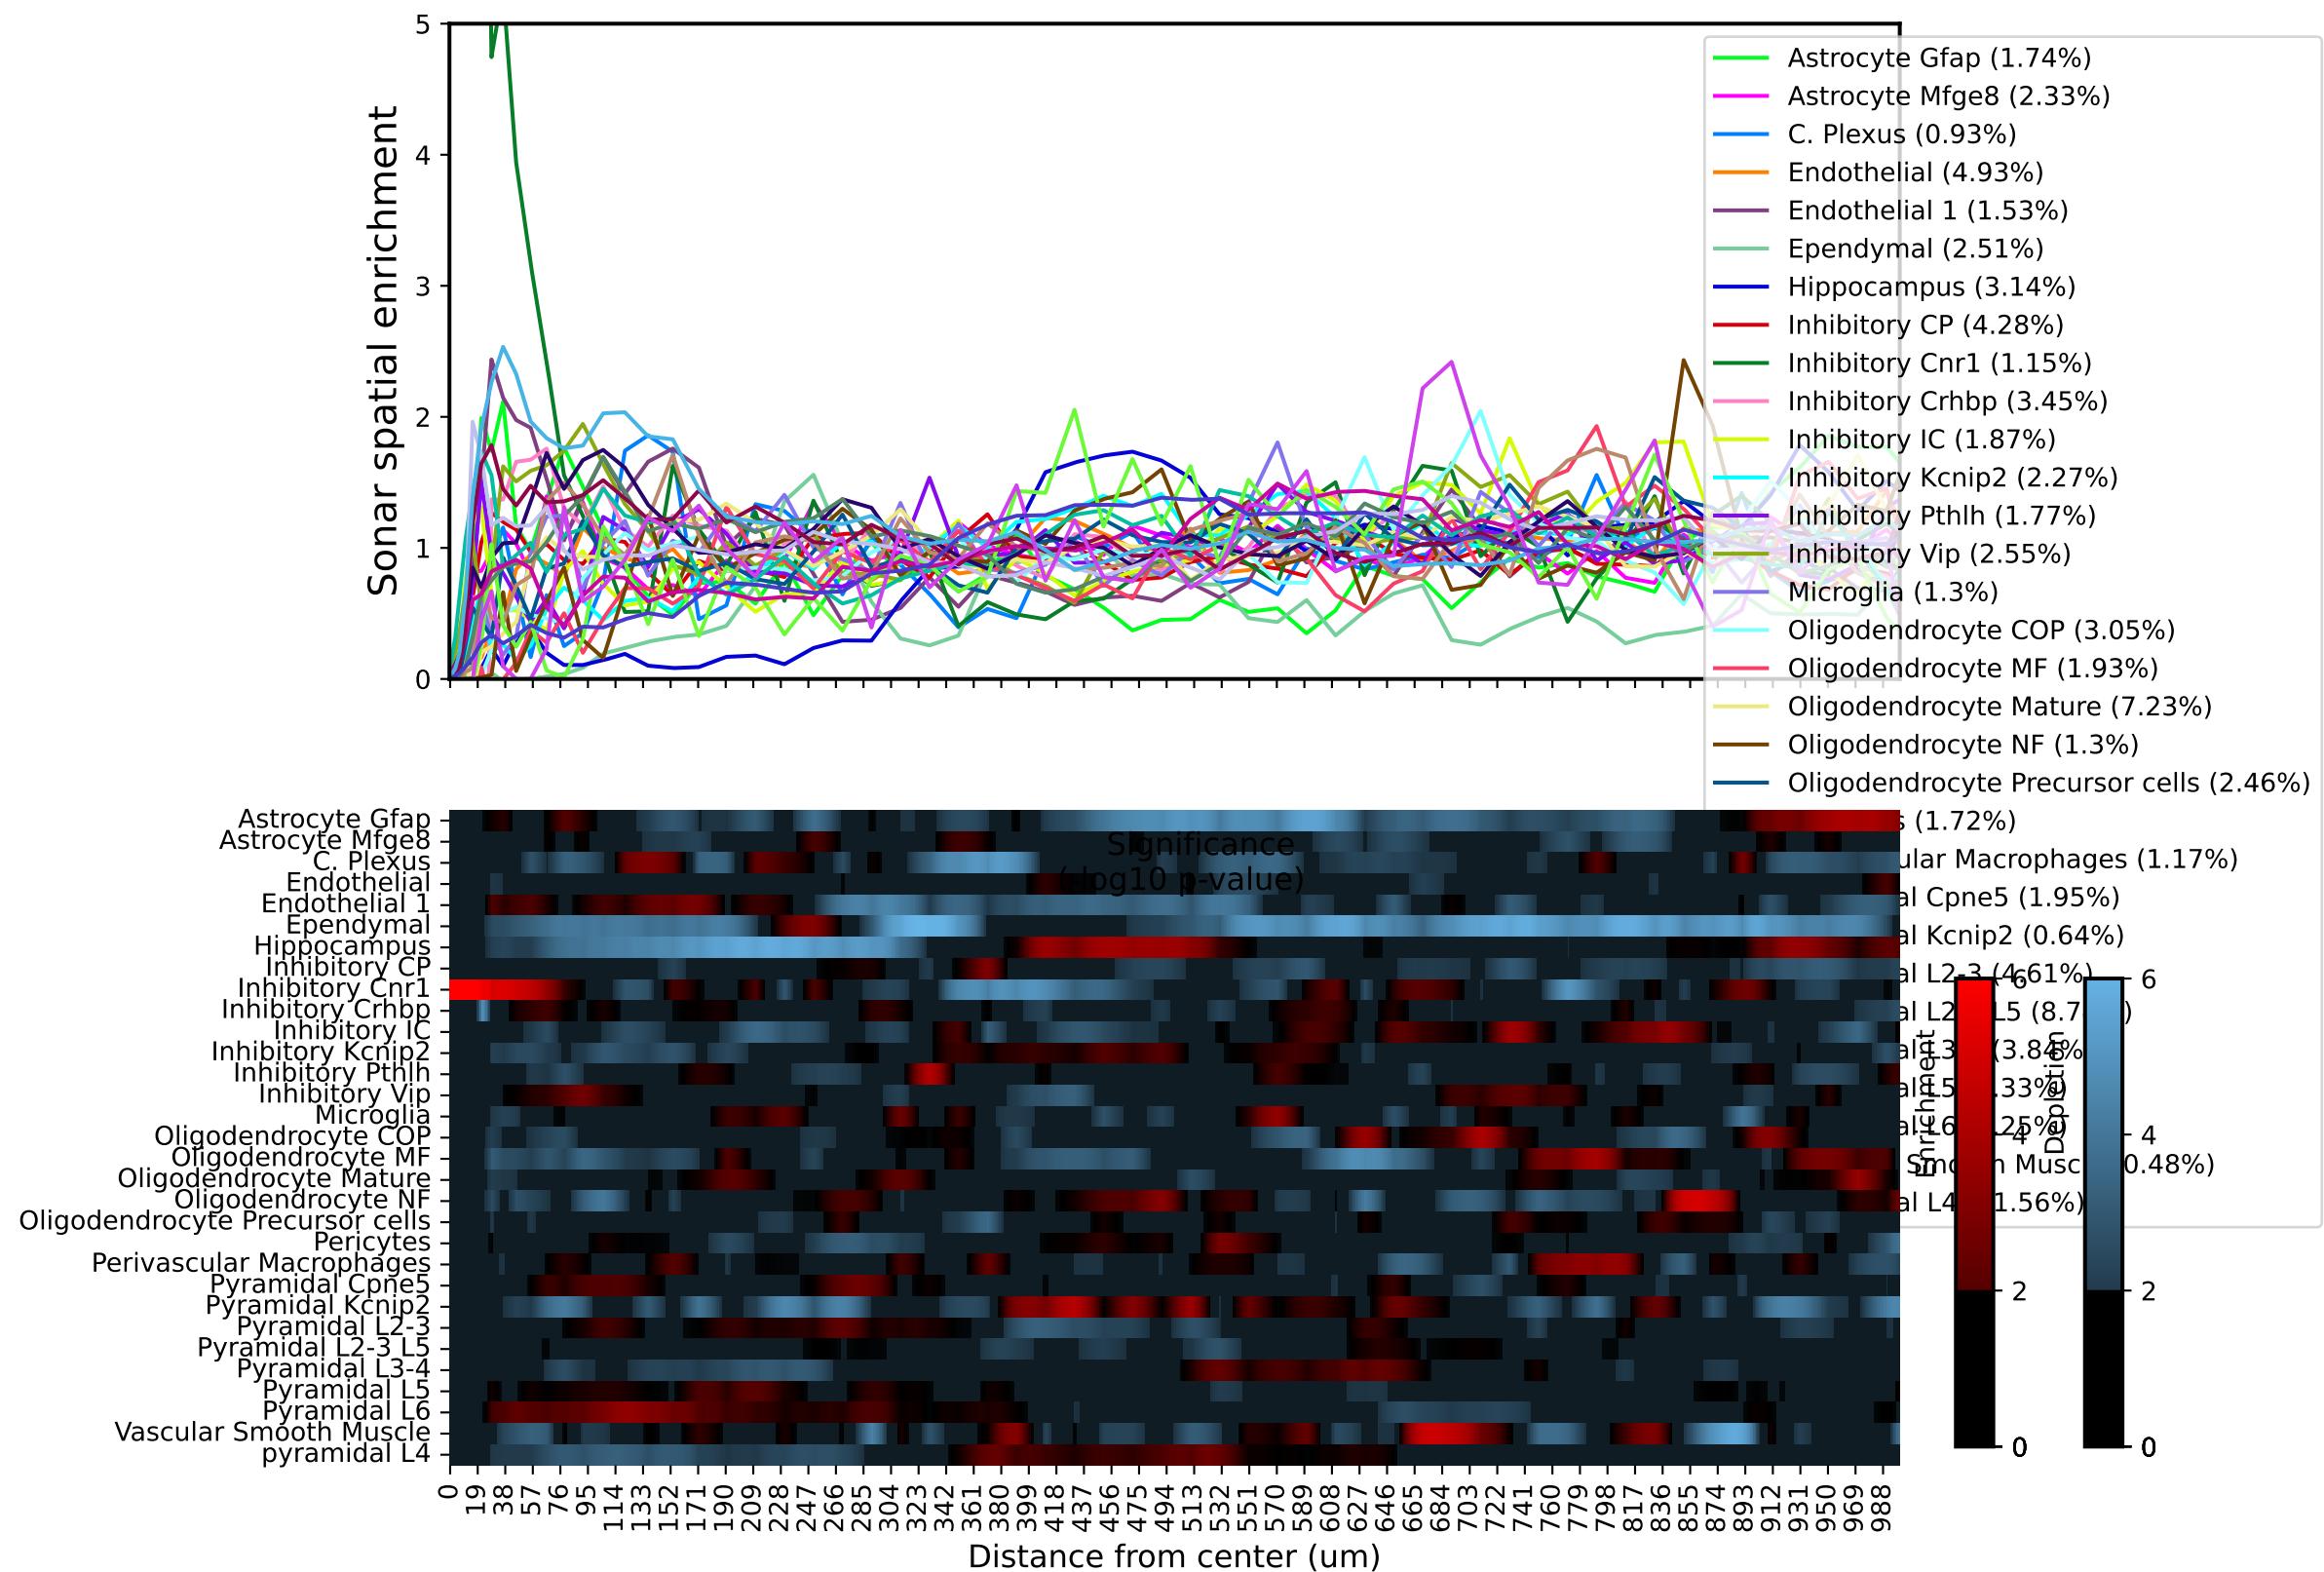

# Spatial correlation plot for Hippocampus cells

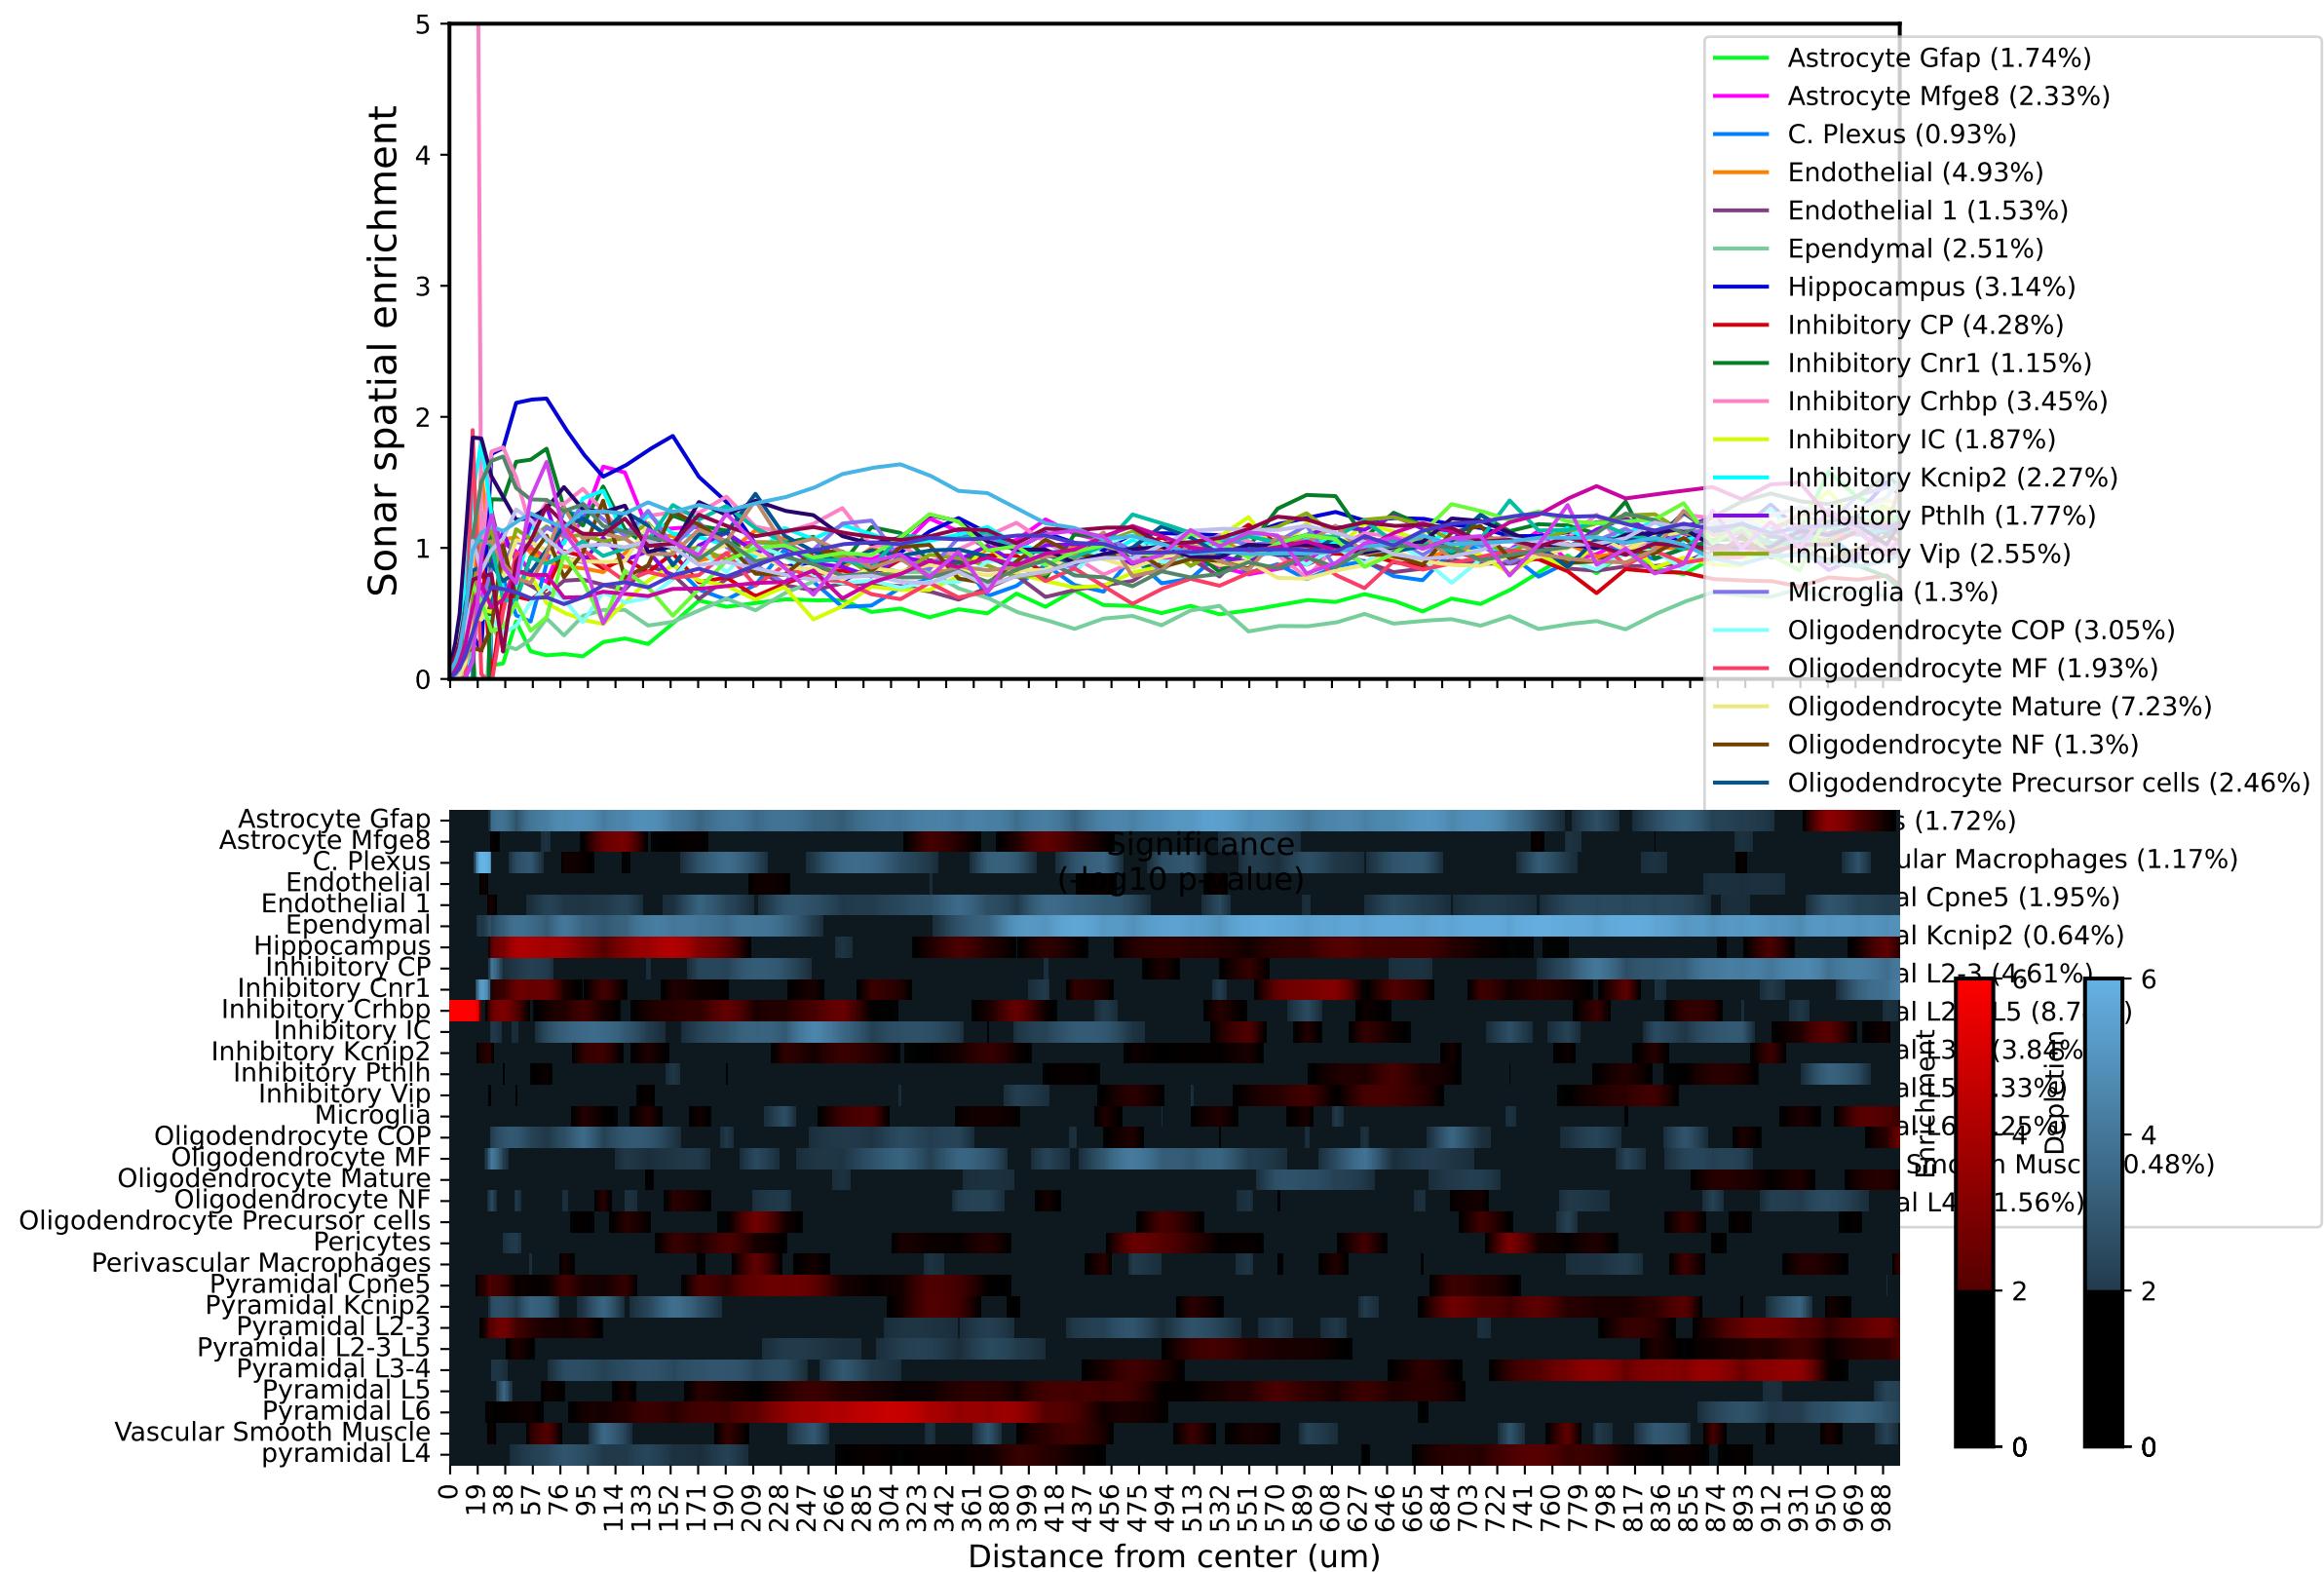

# Spatial correlation plot for Inhibitory CP cells

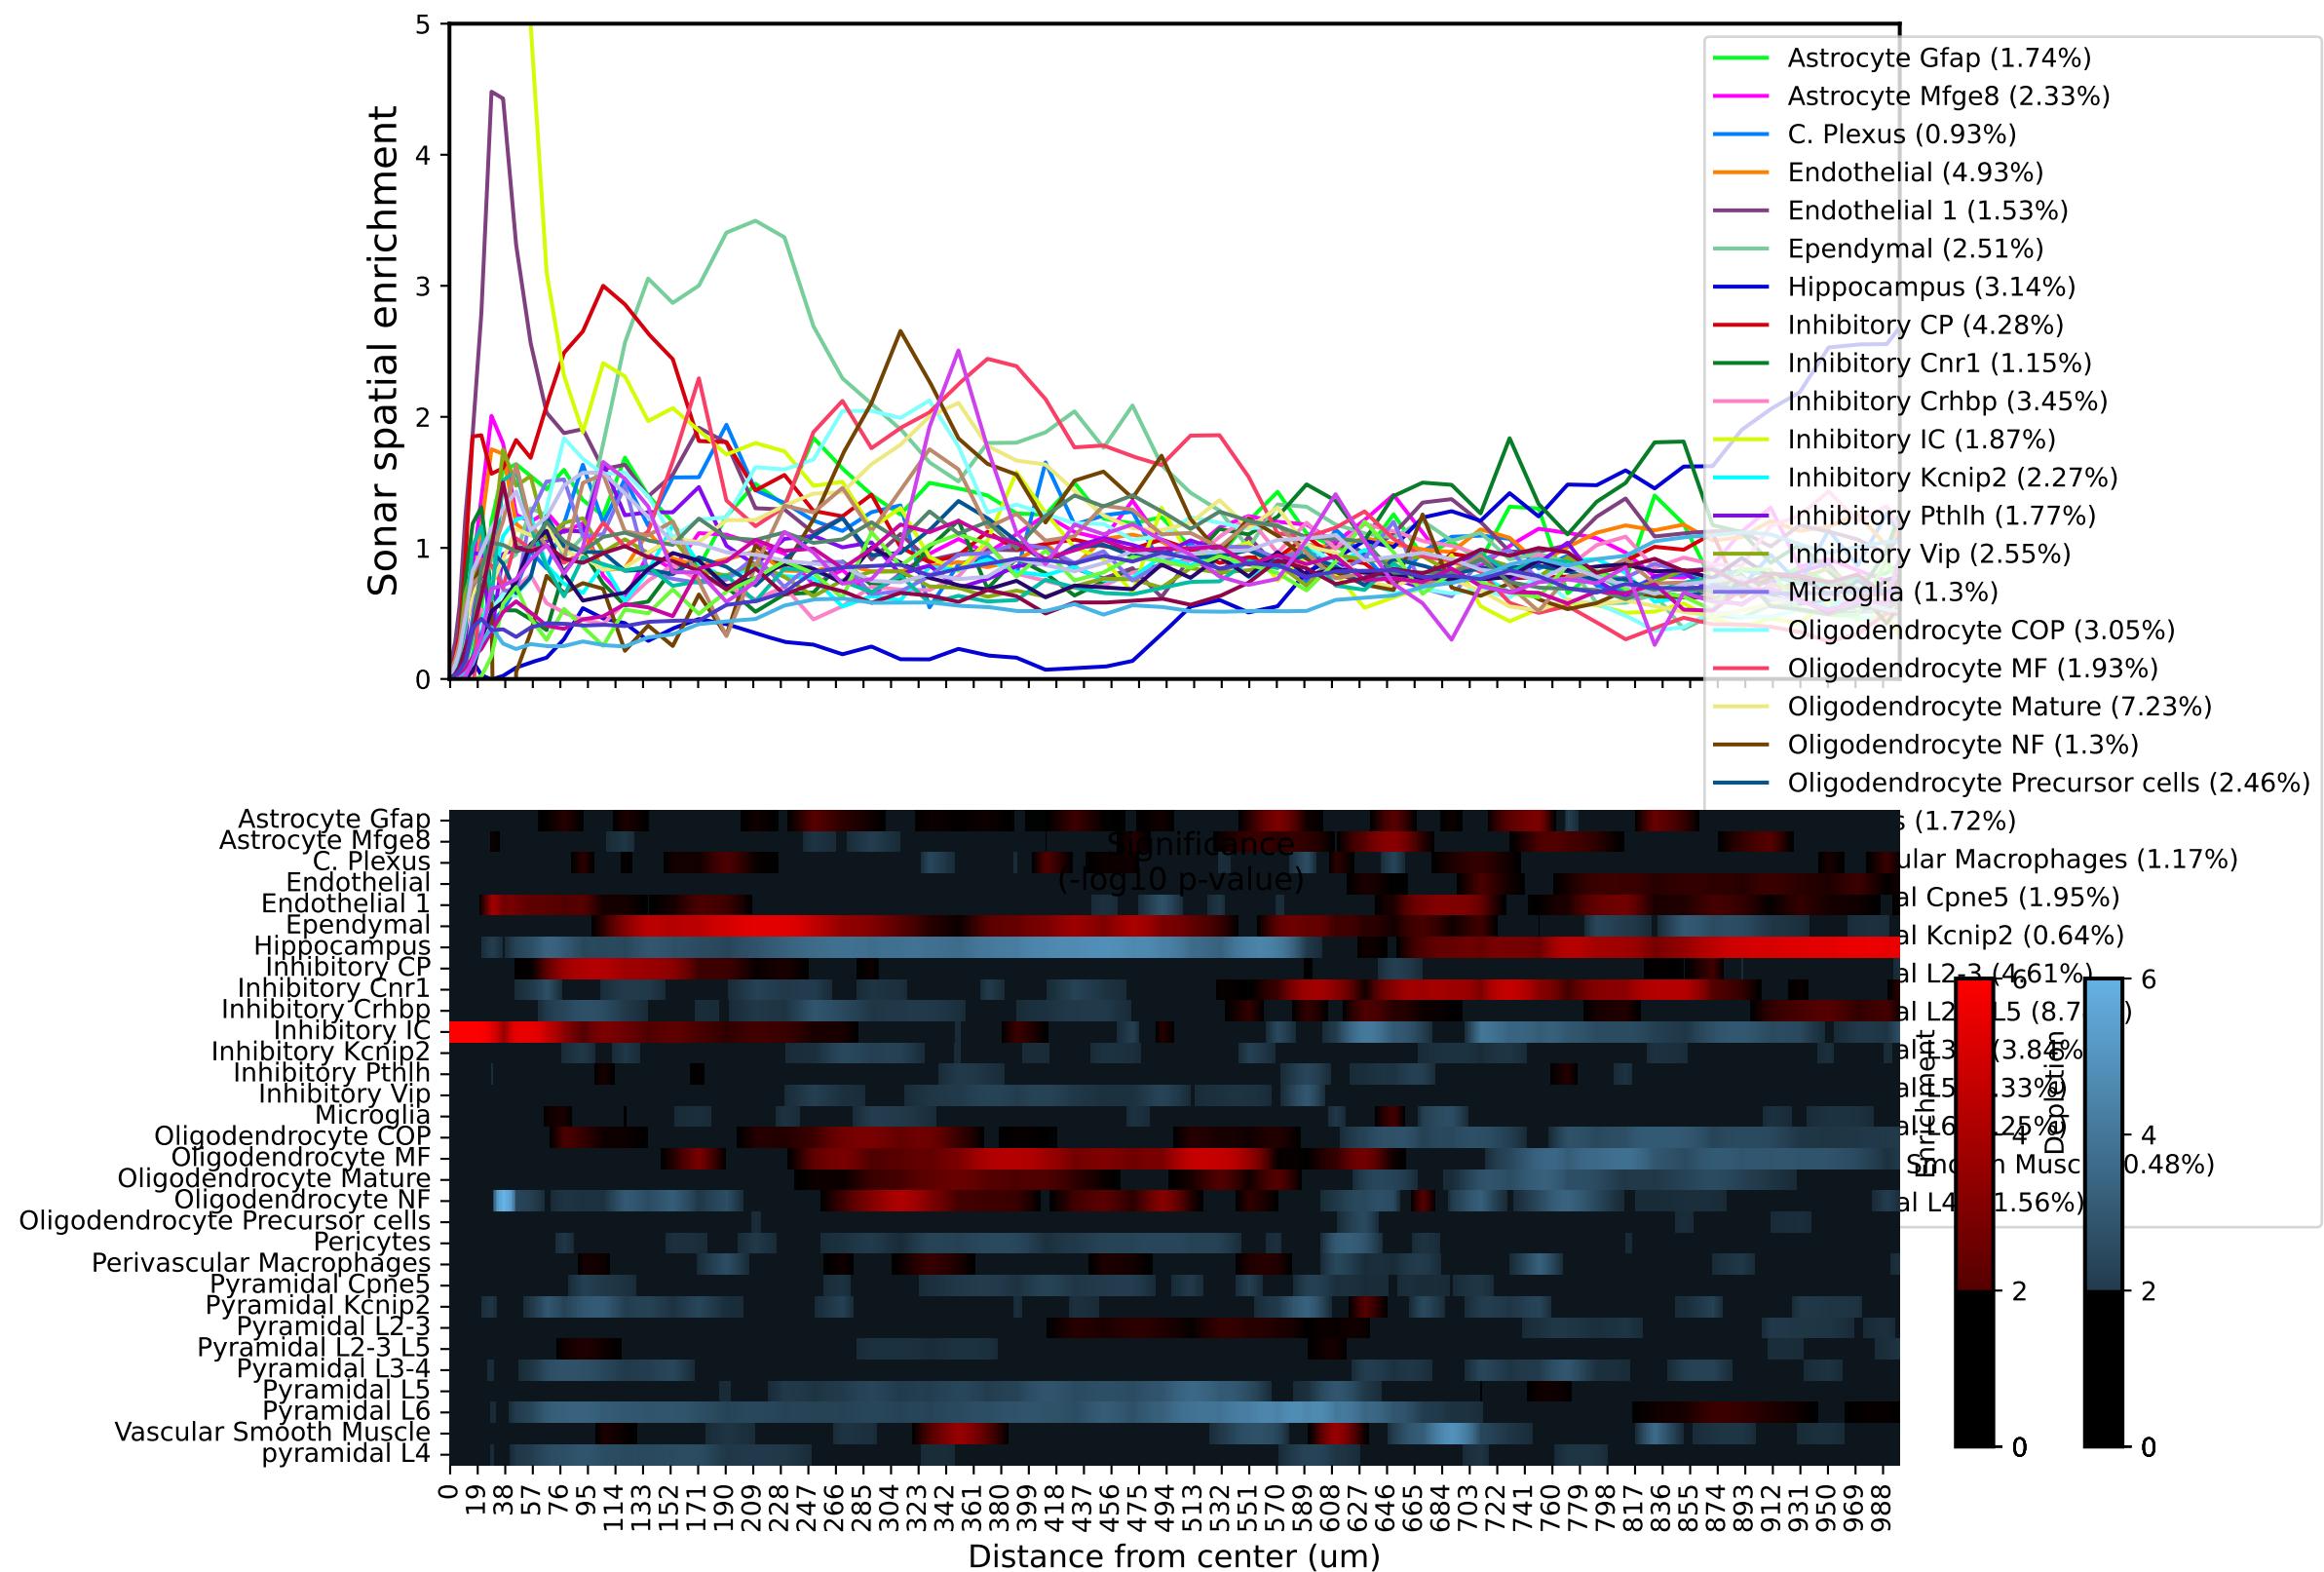

# Spatial correlation plot for Inhibitory Cnr1 cells

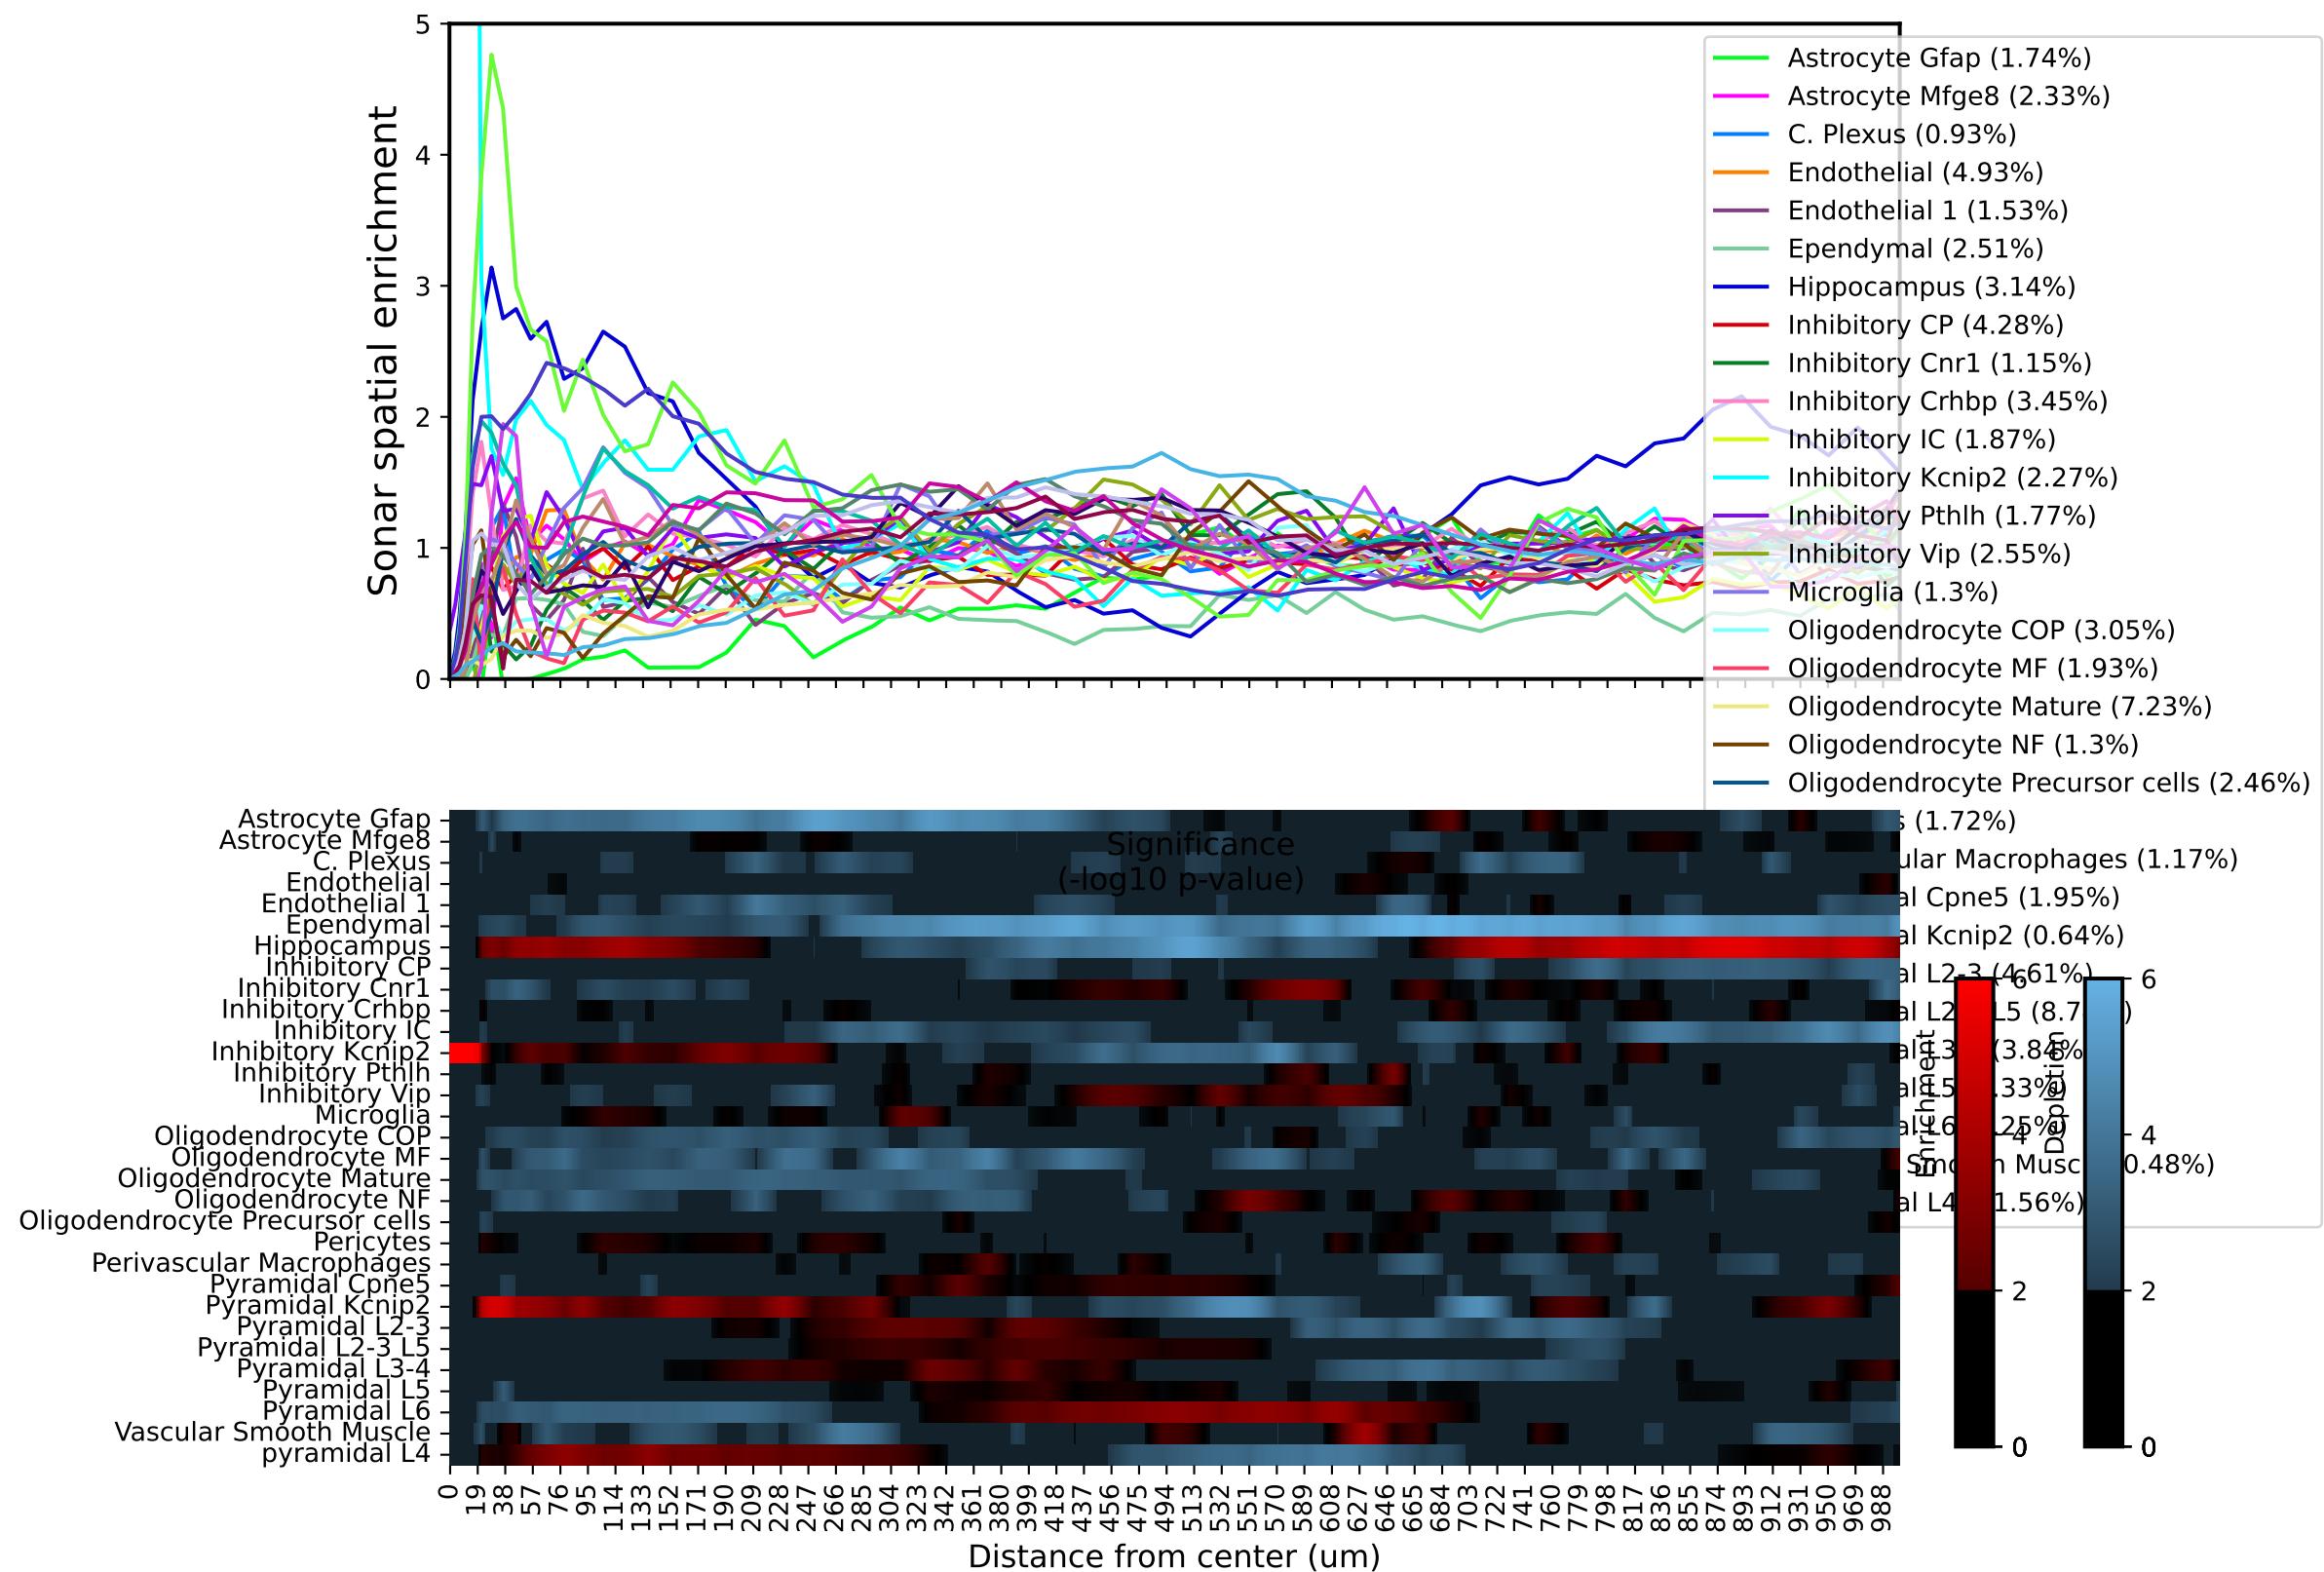

# Spatial correlation plot for Inhibitory Crhbp cells

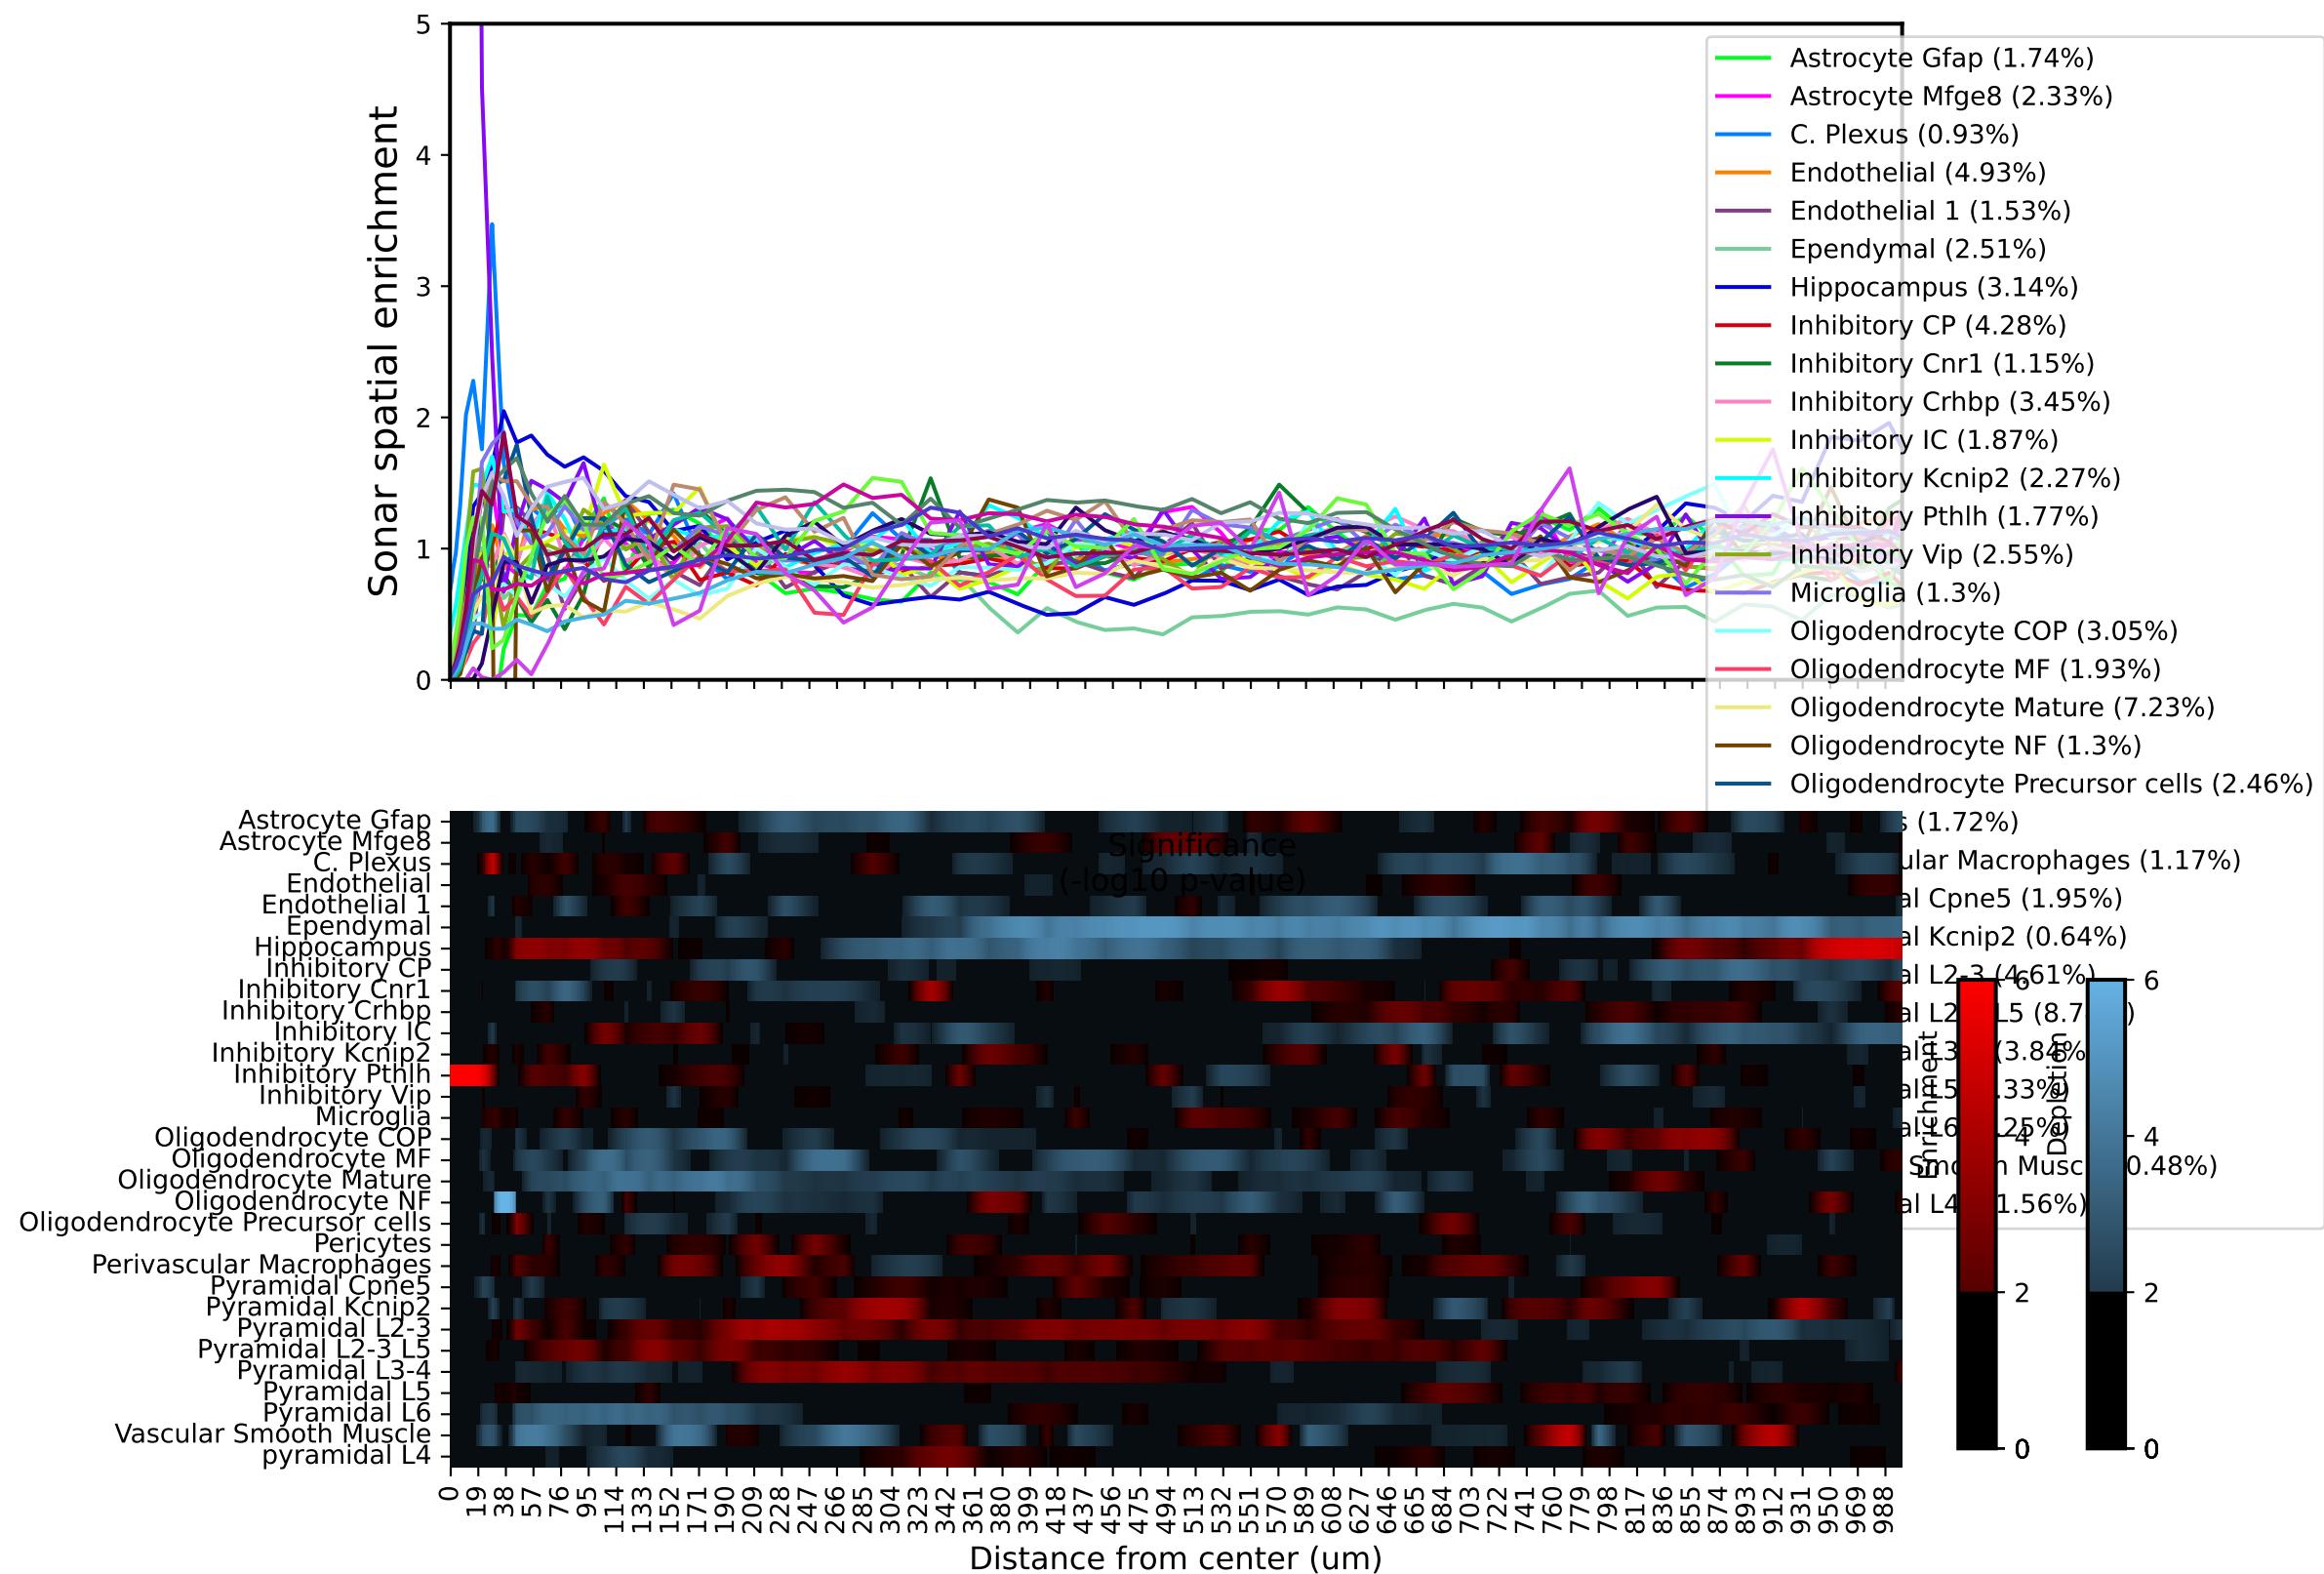

# Spatial correlation plot for Inhibitory IC cells

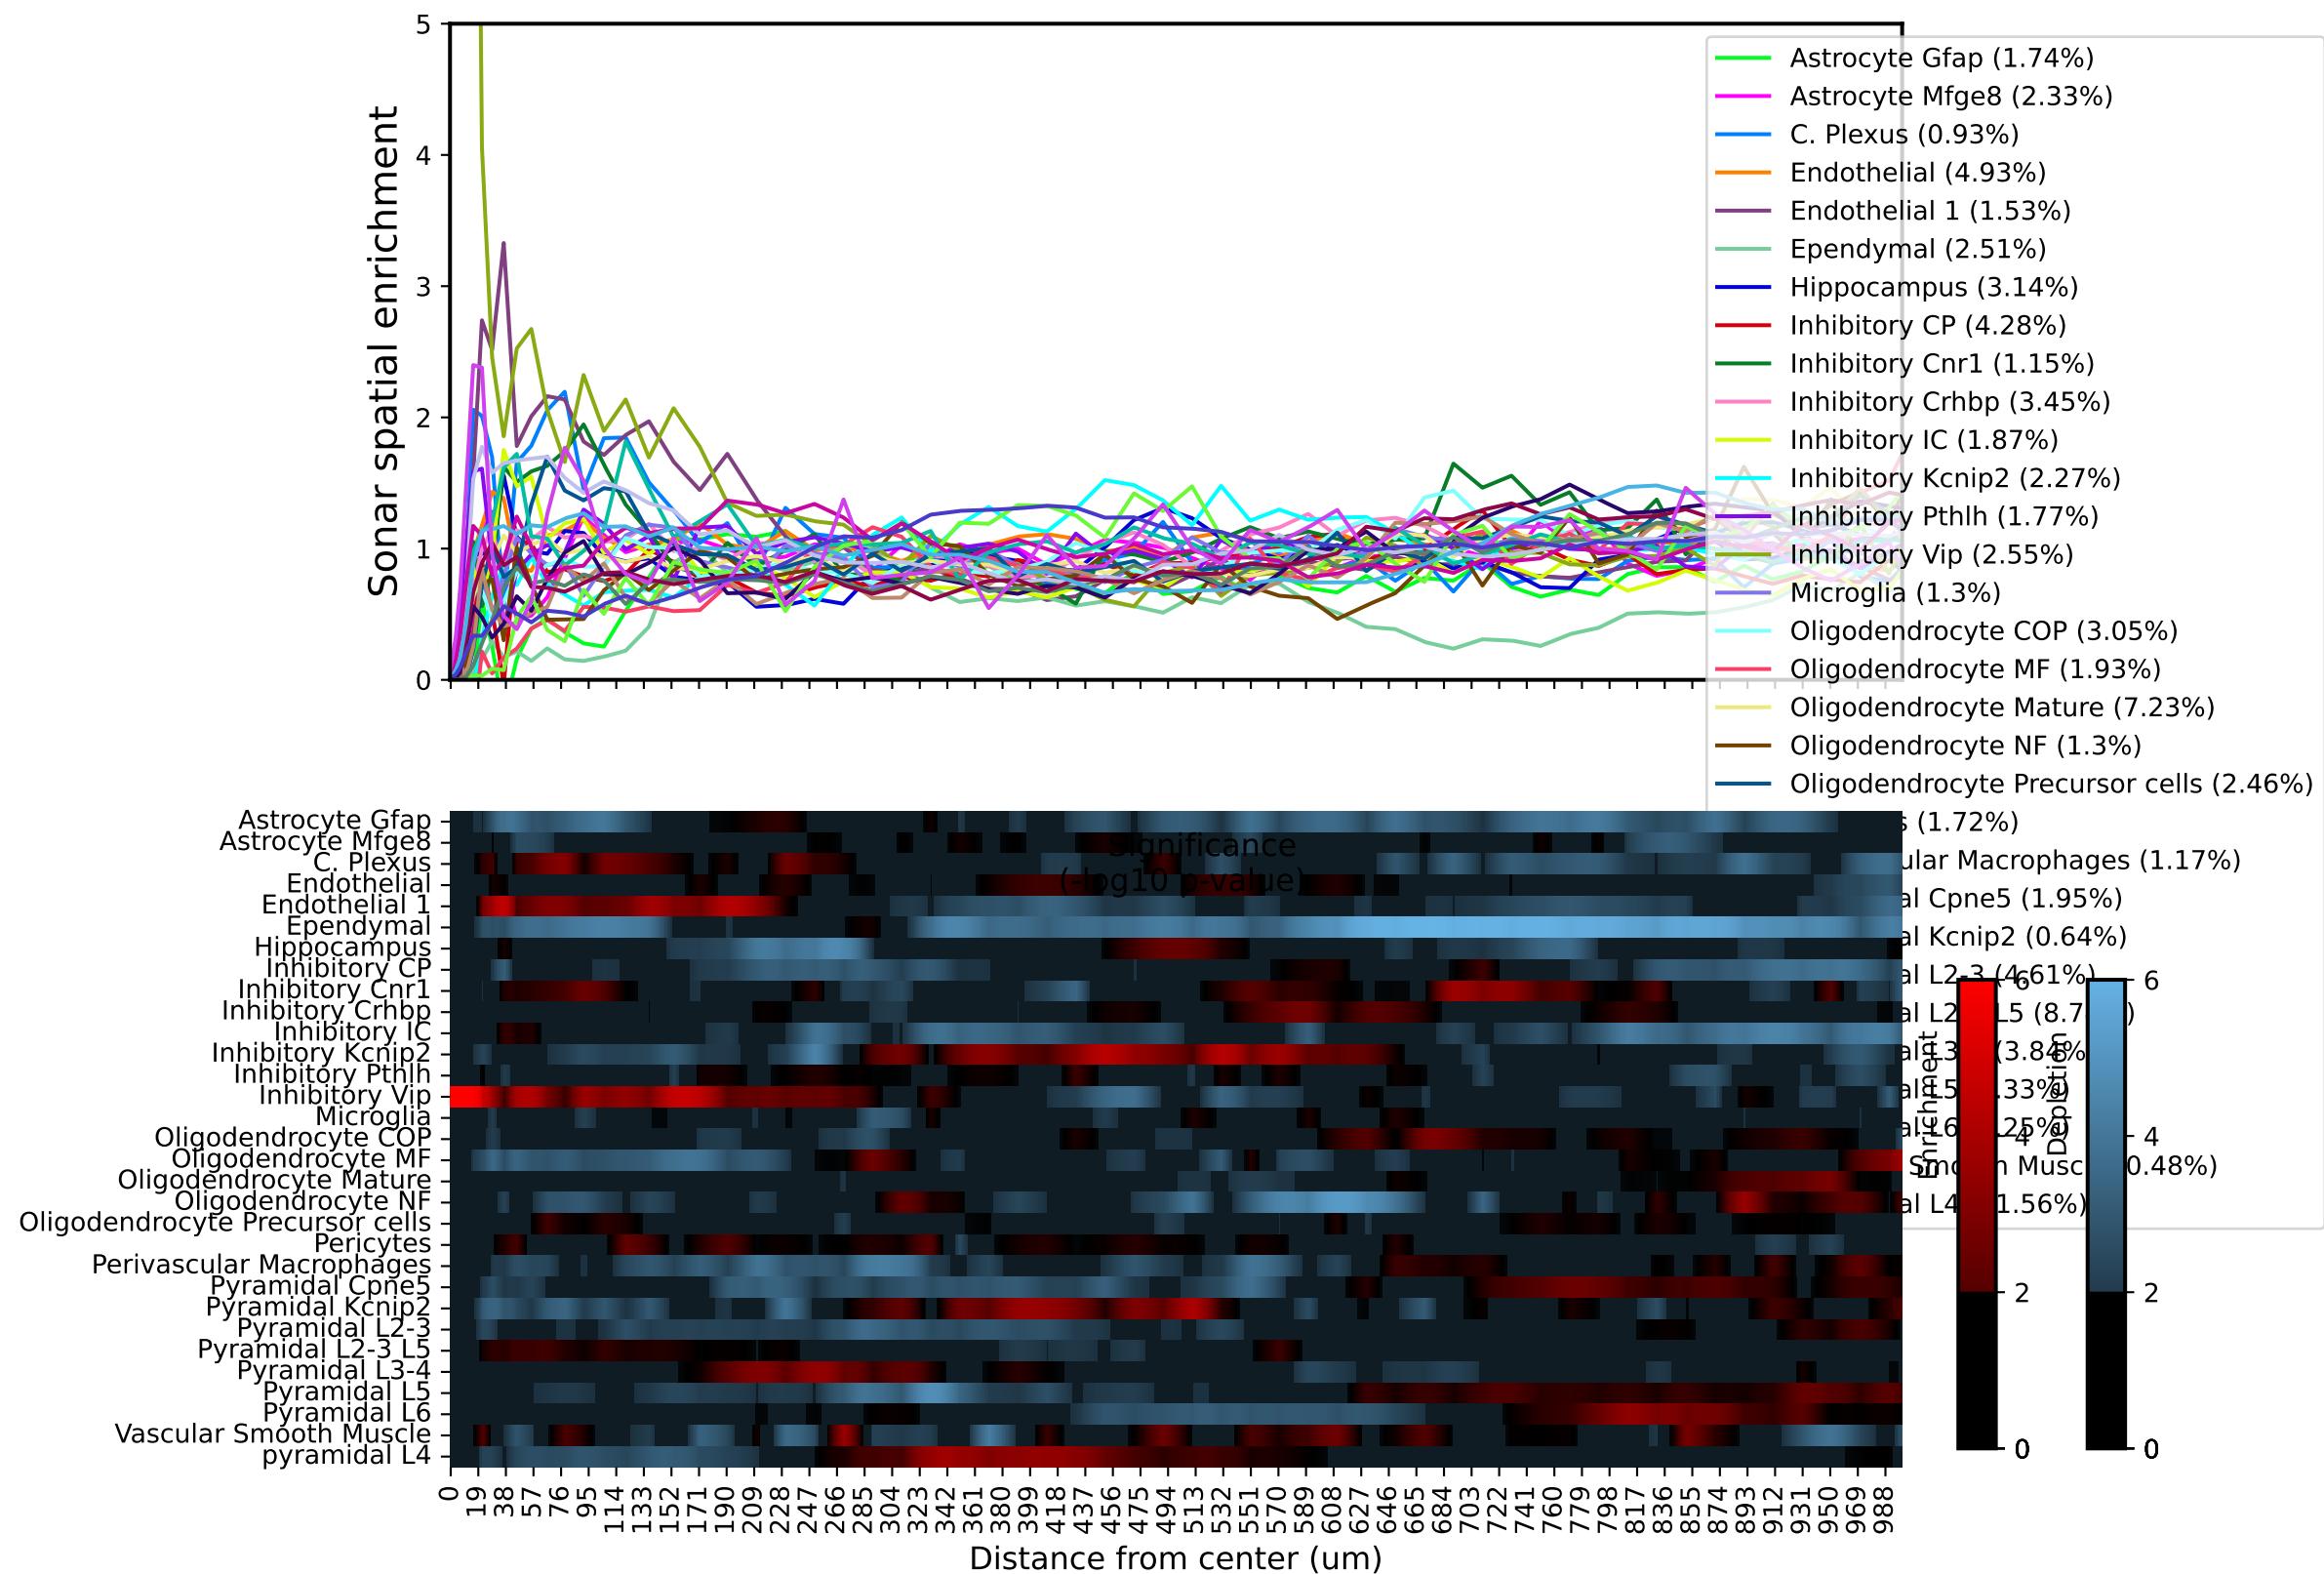

# Spatial correlation plot for Inhibitory Kcnip2 cells

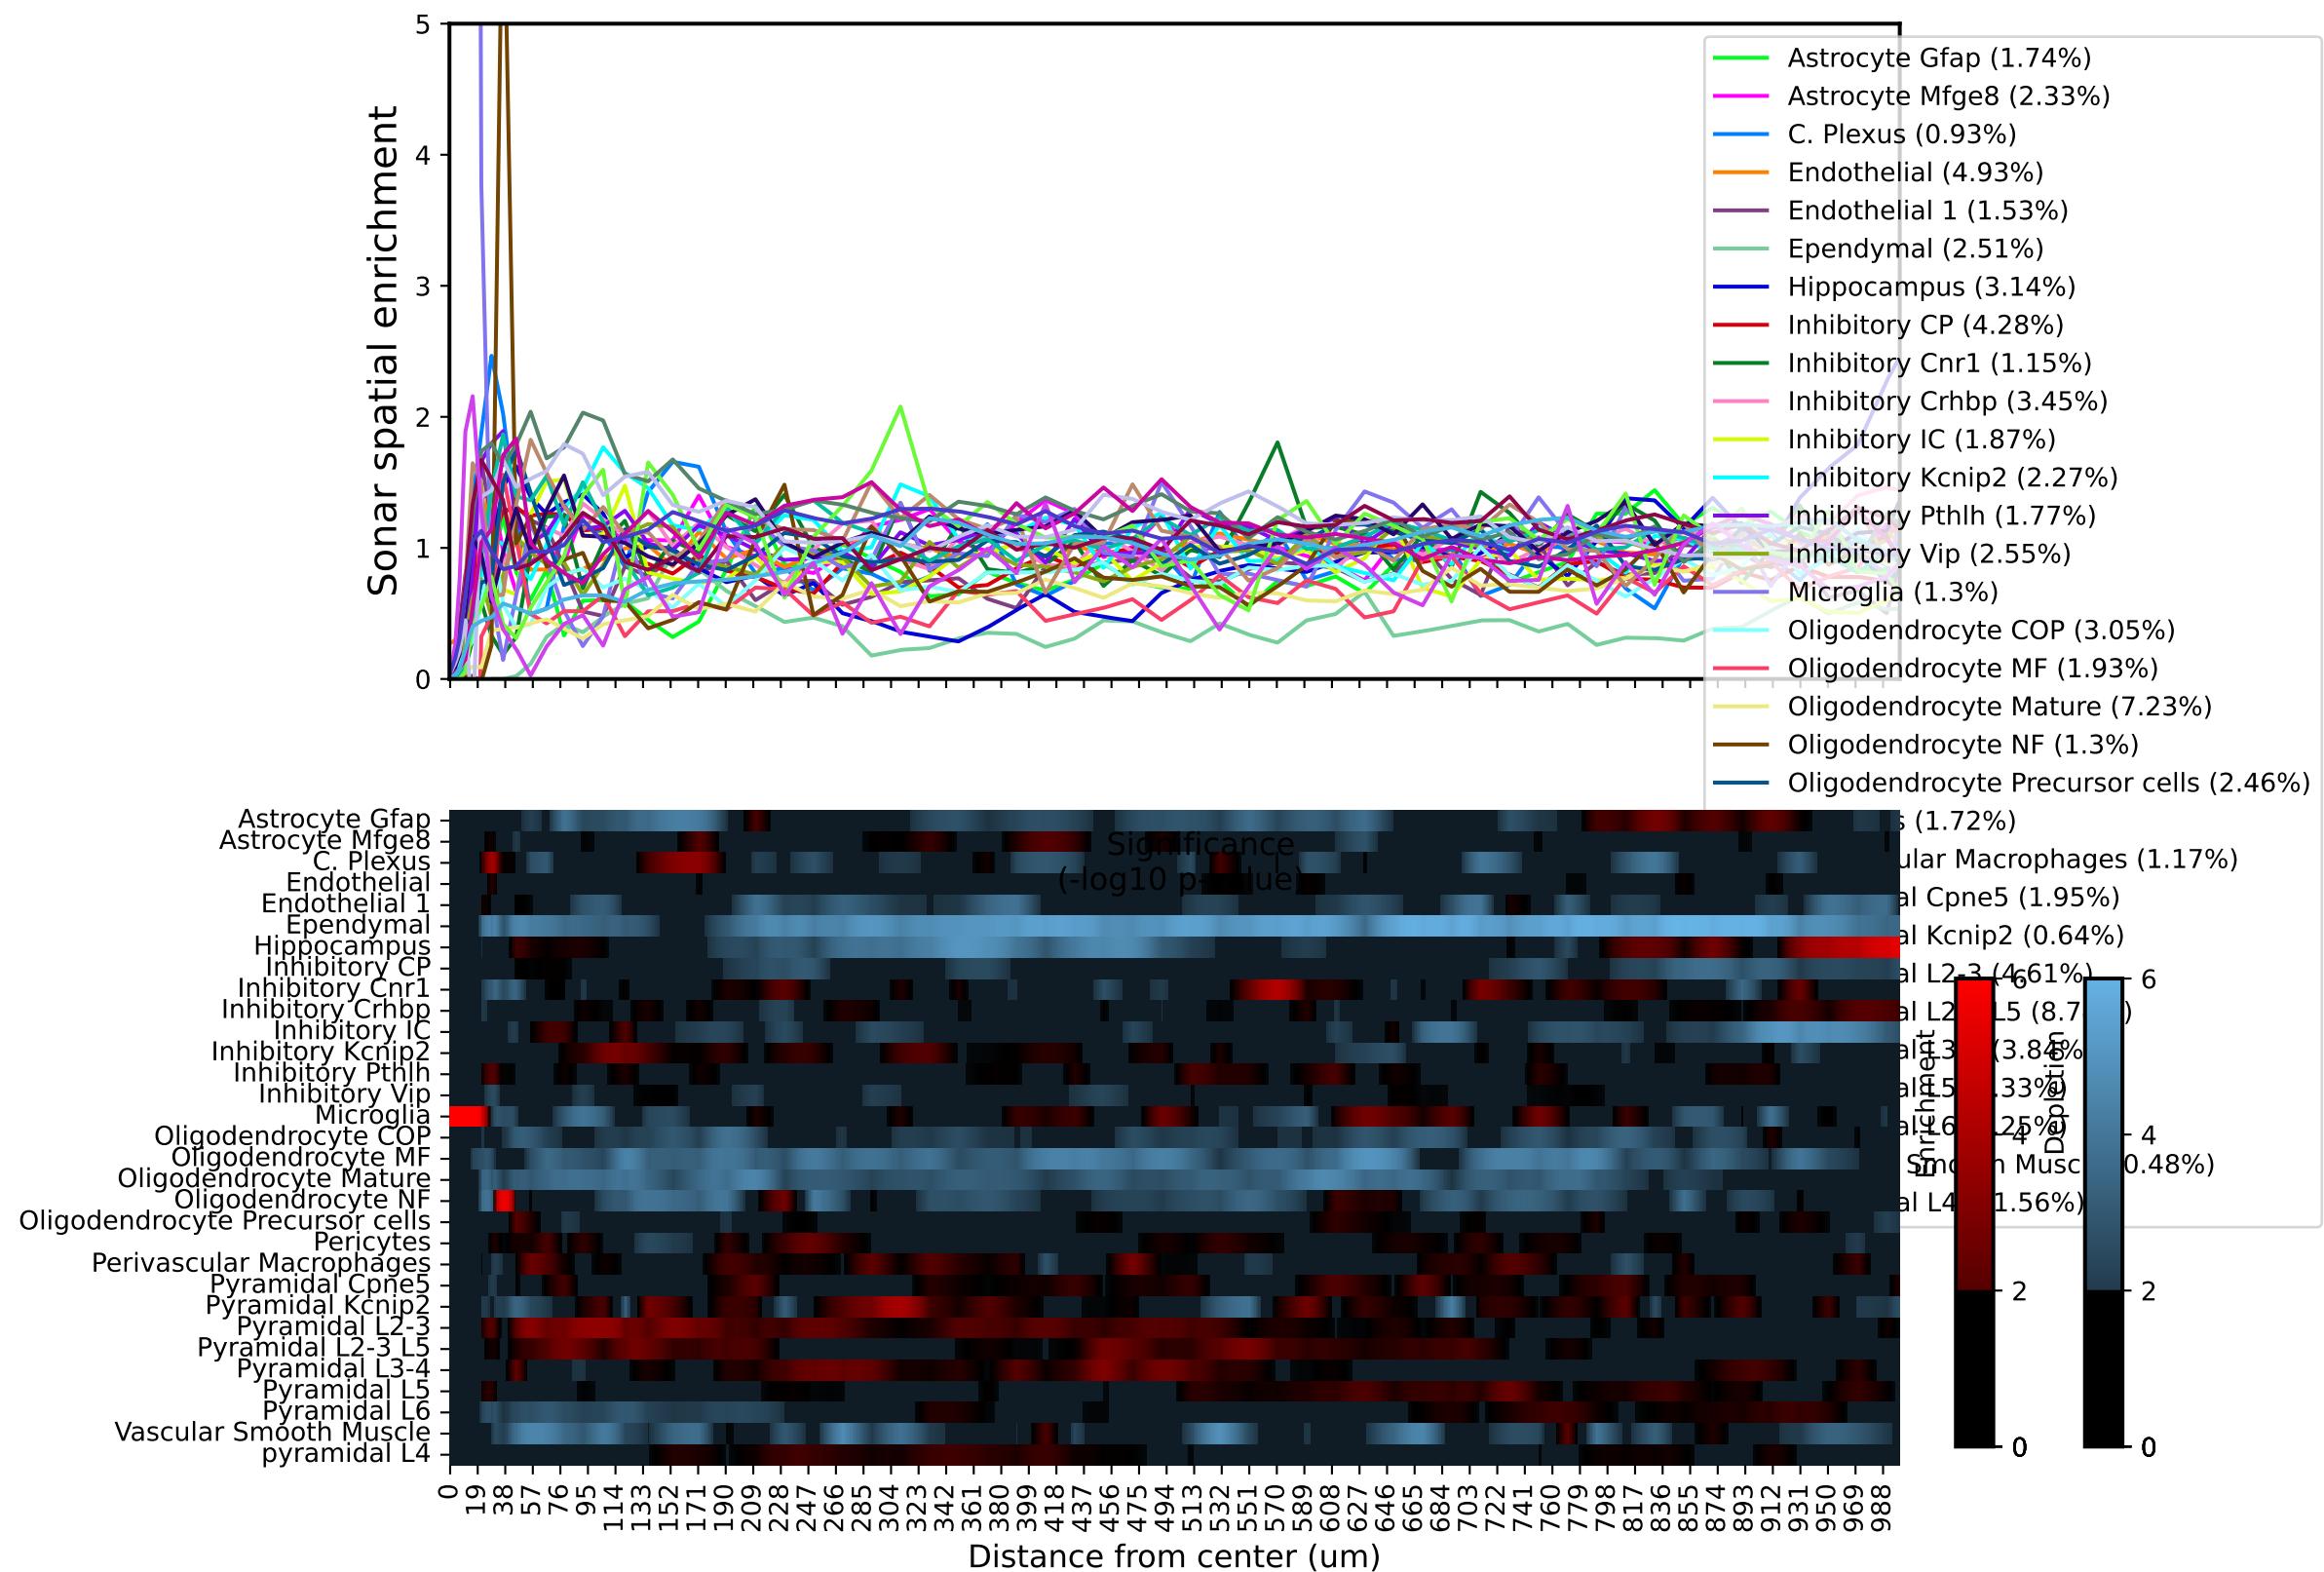

# Spatial correlation plot for Inhibitory Pthlh cells

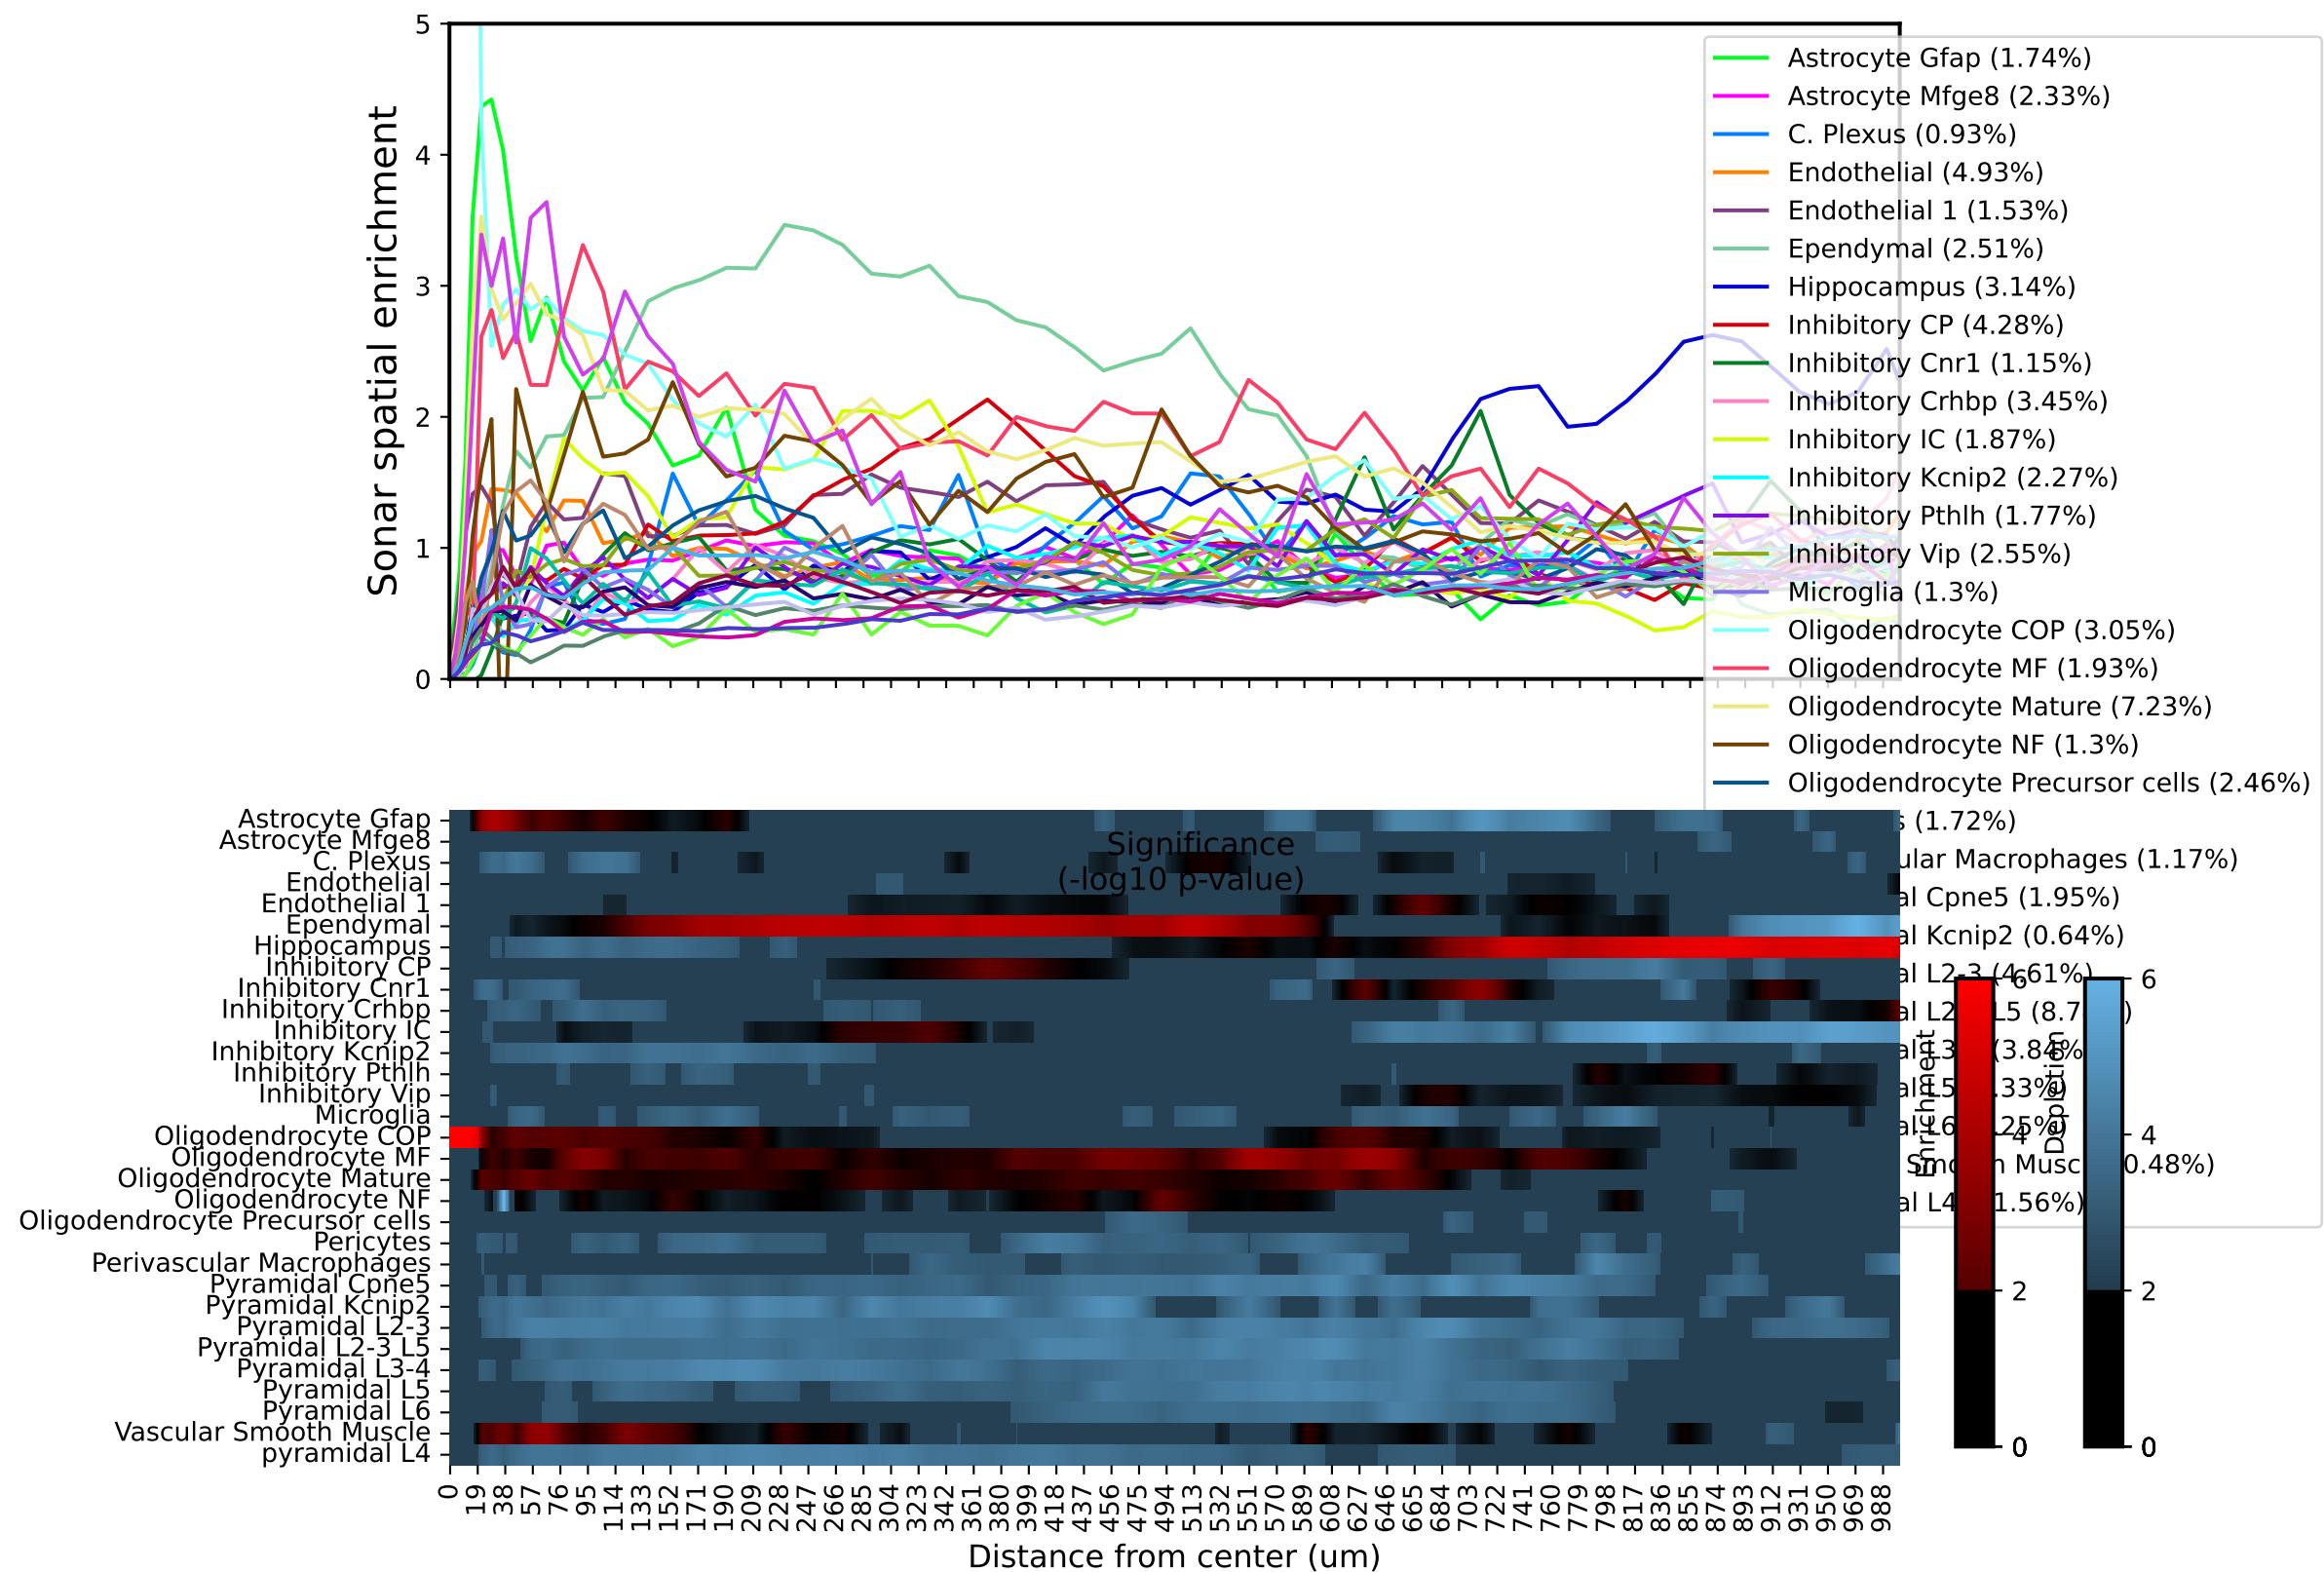

# Spatial correlation plot for Inhibitory Vip cells

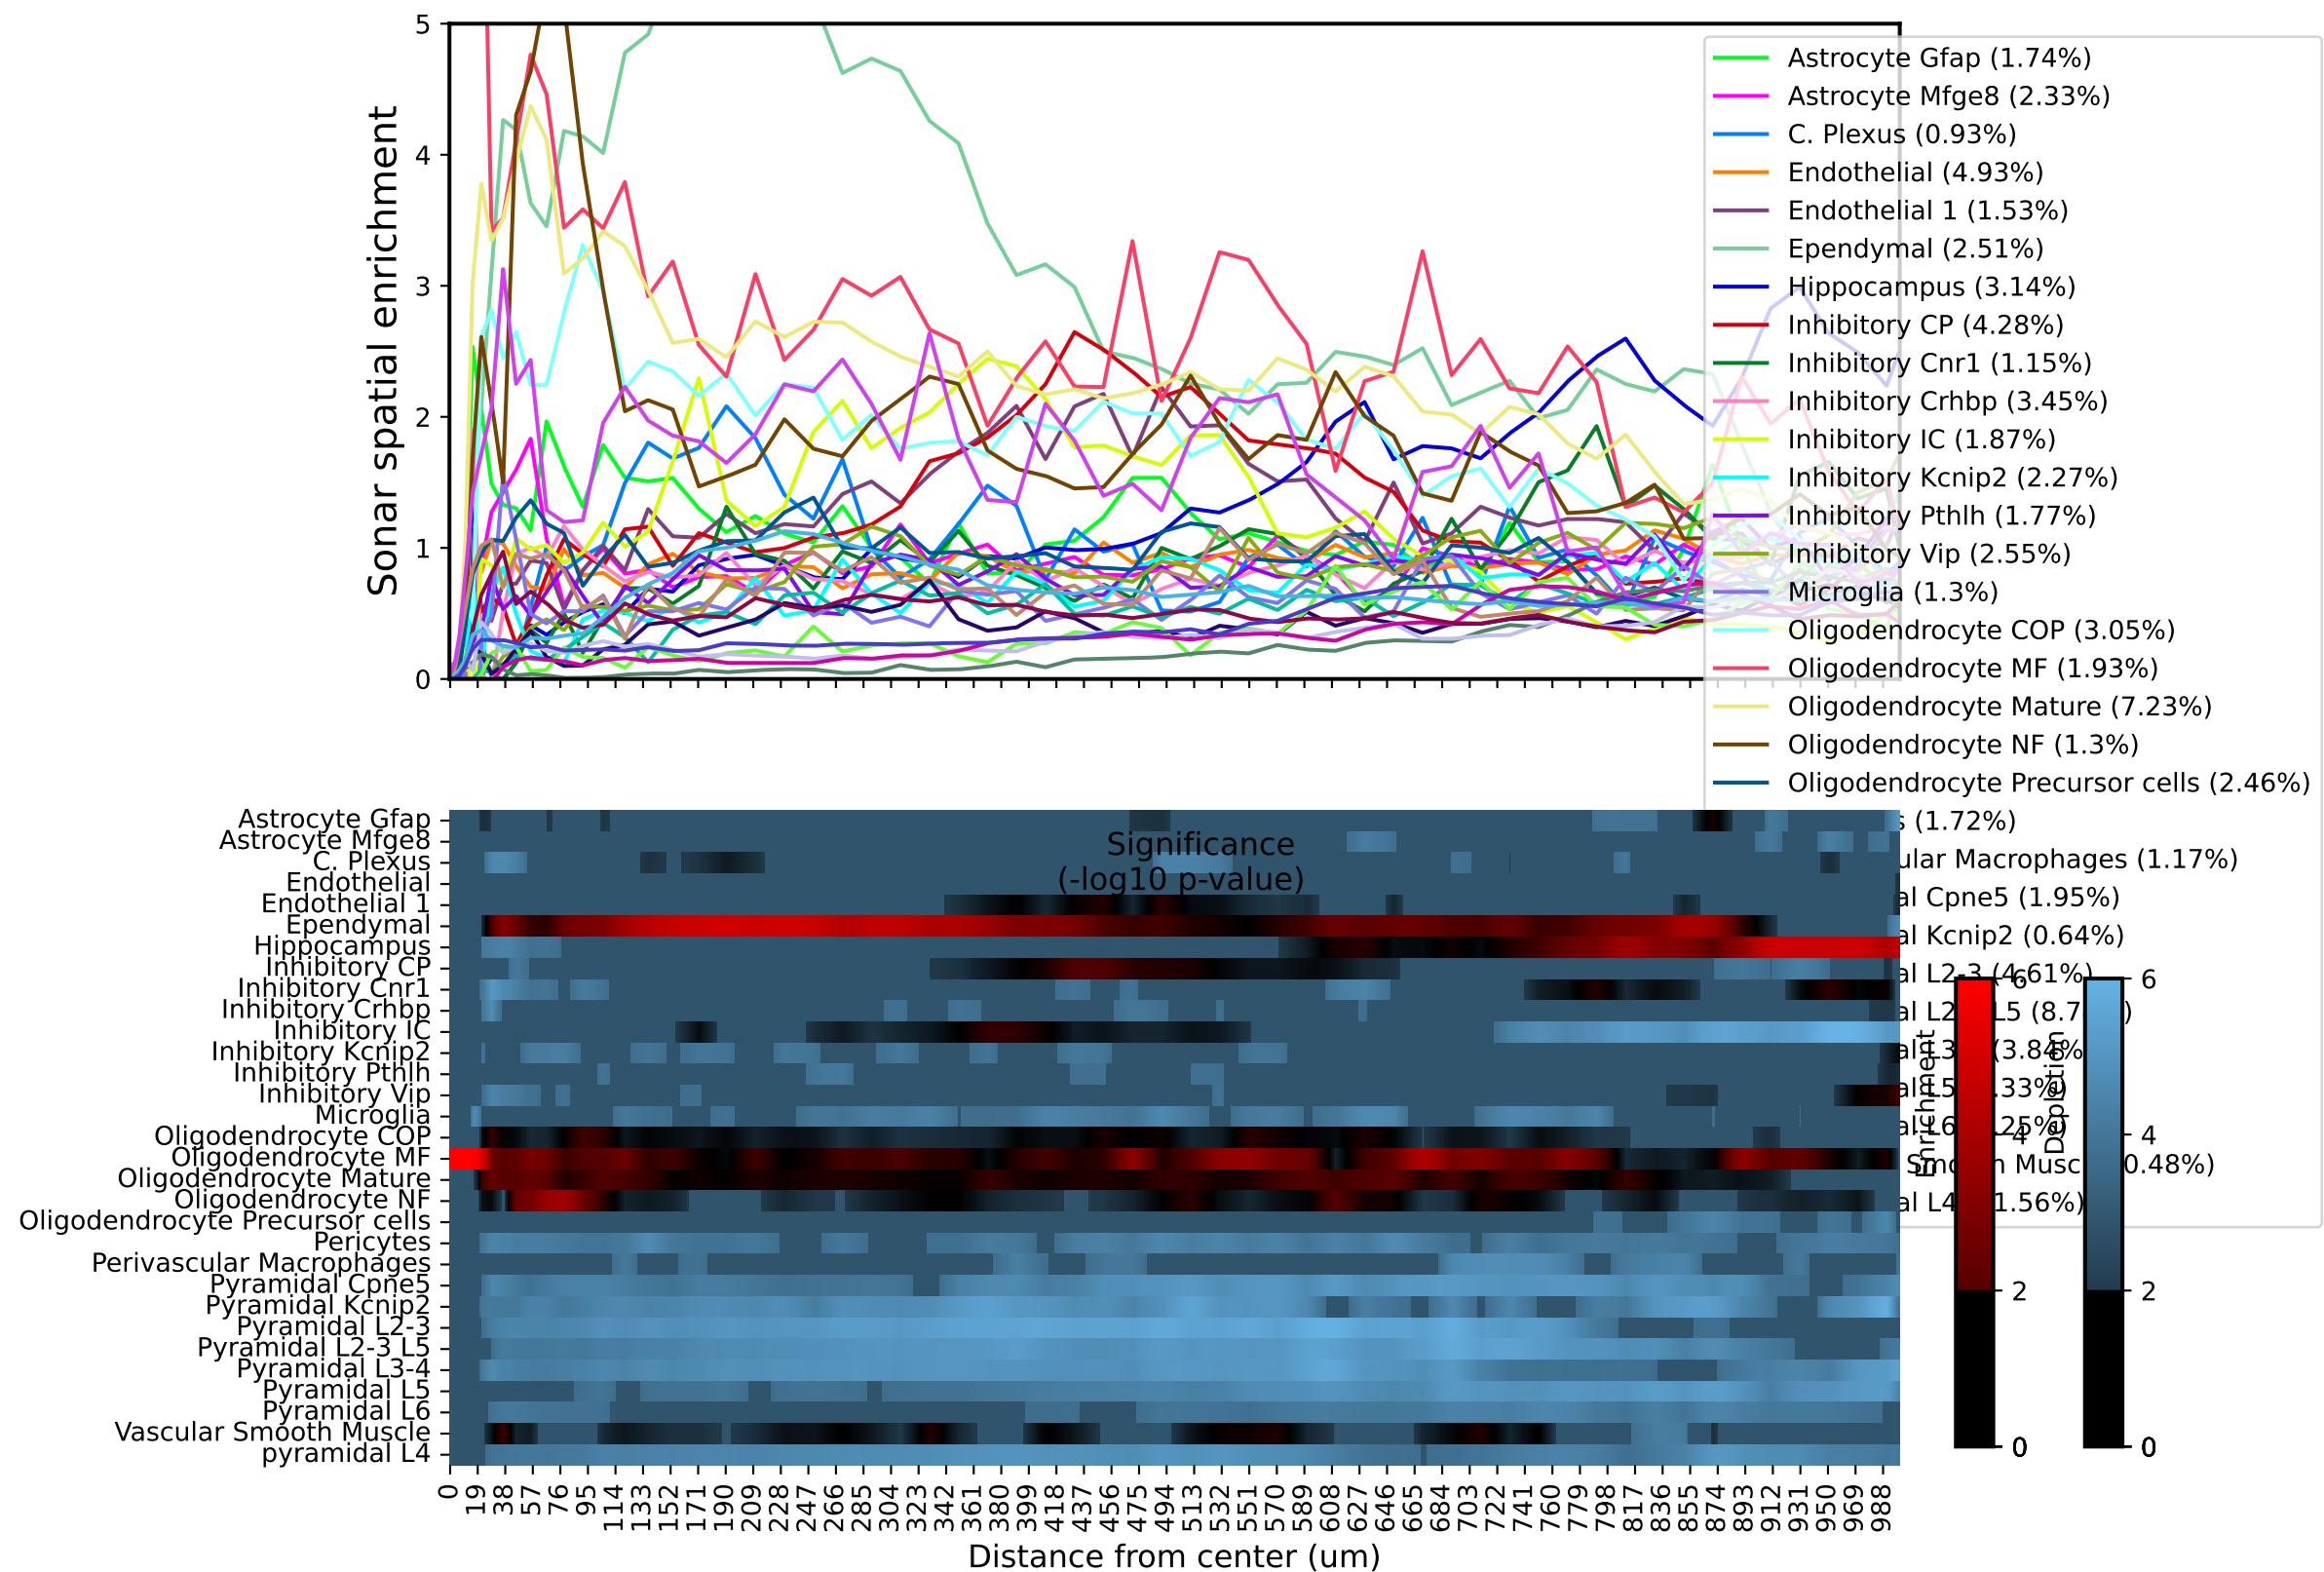

# Spatial correlation plot for Microglia cells

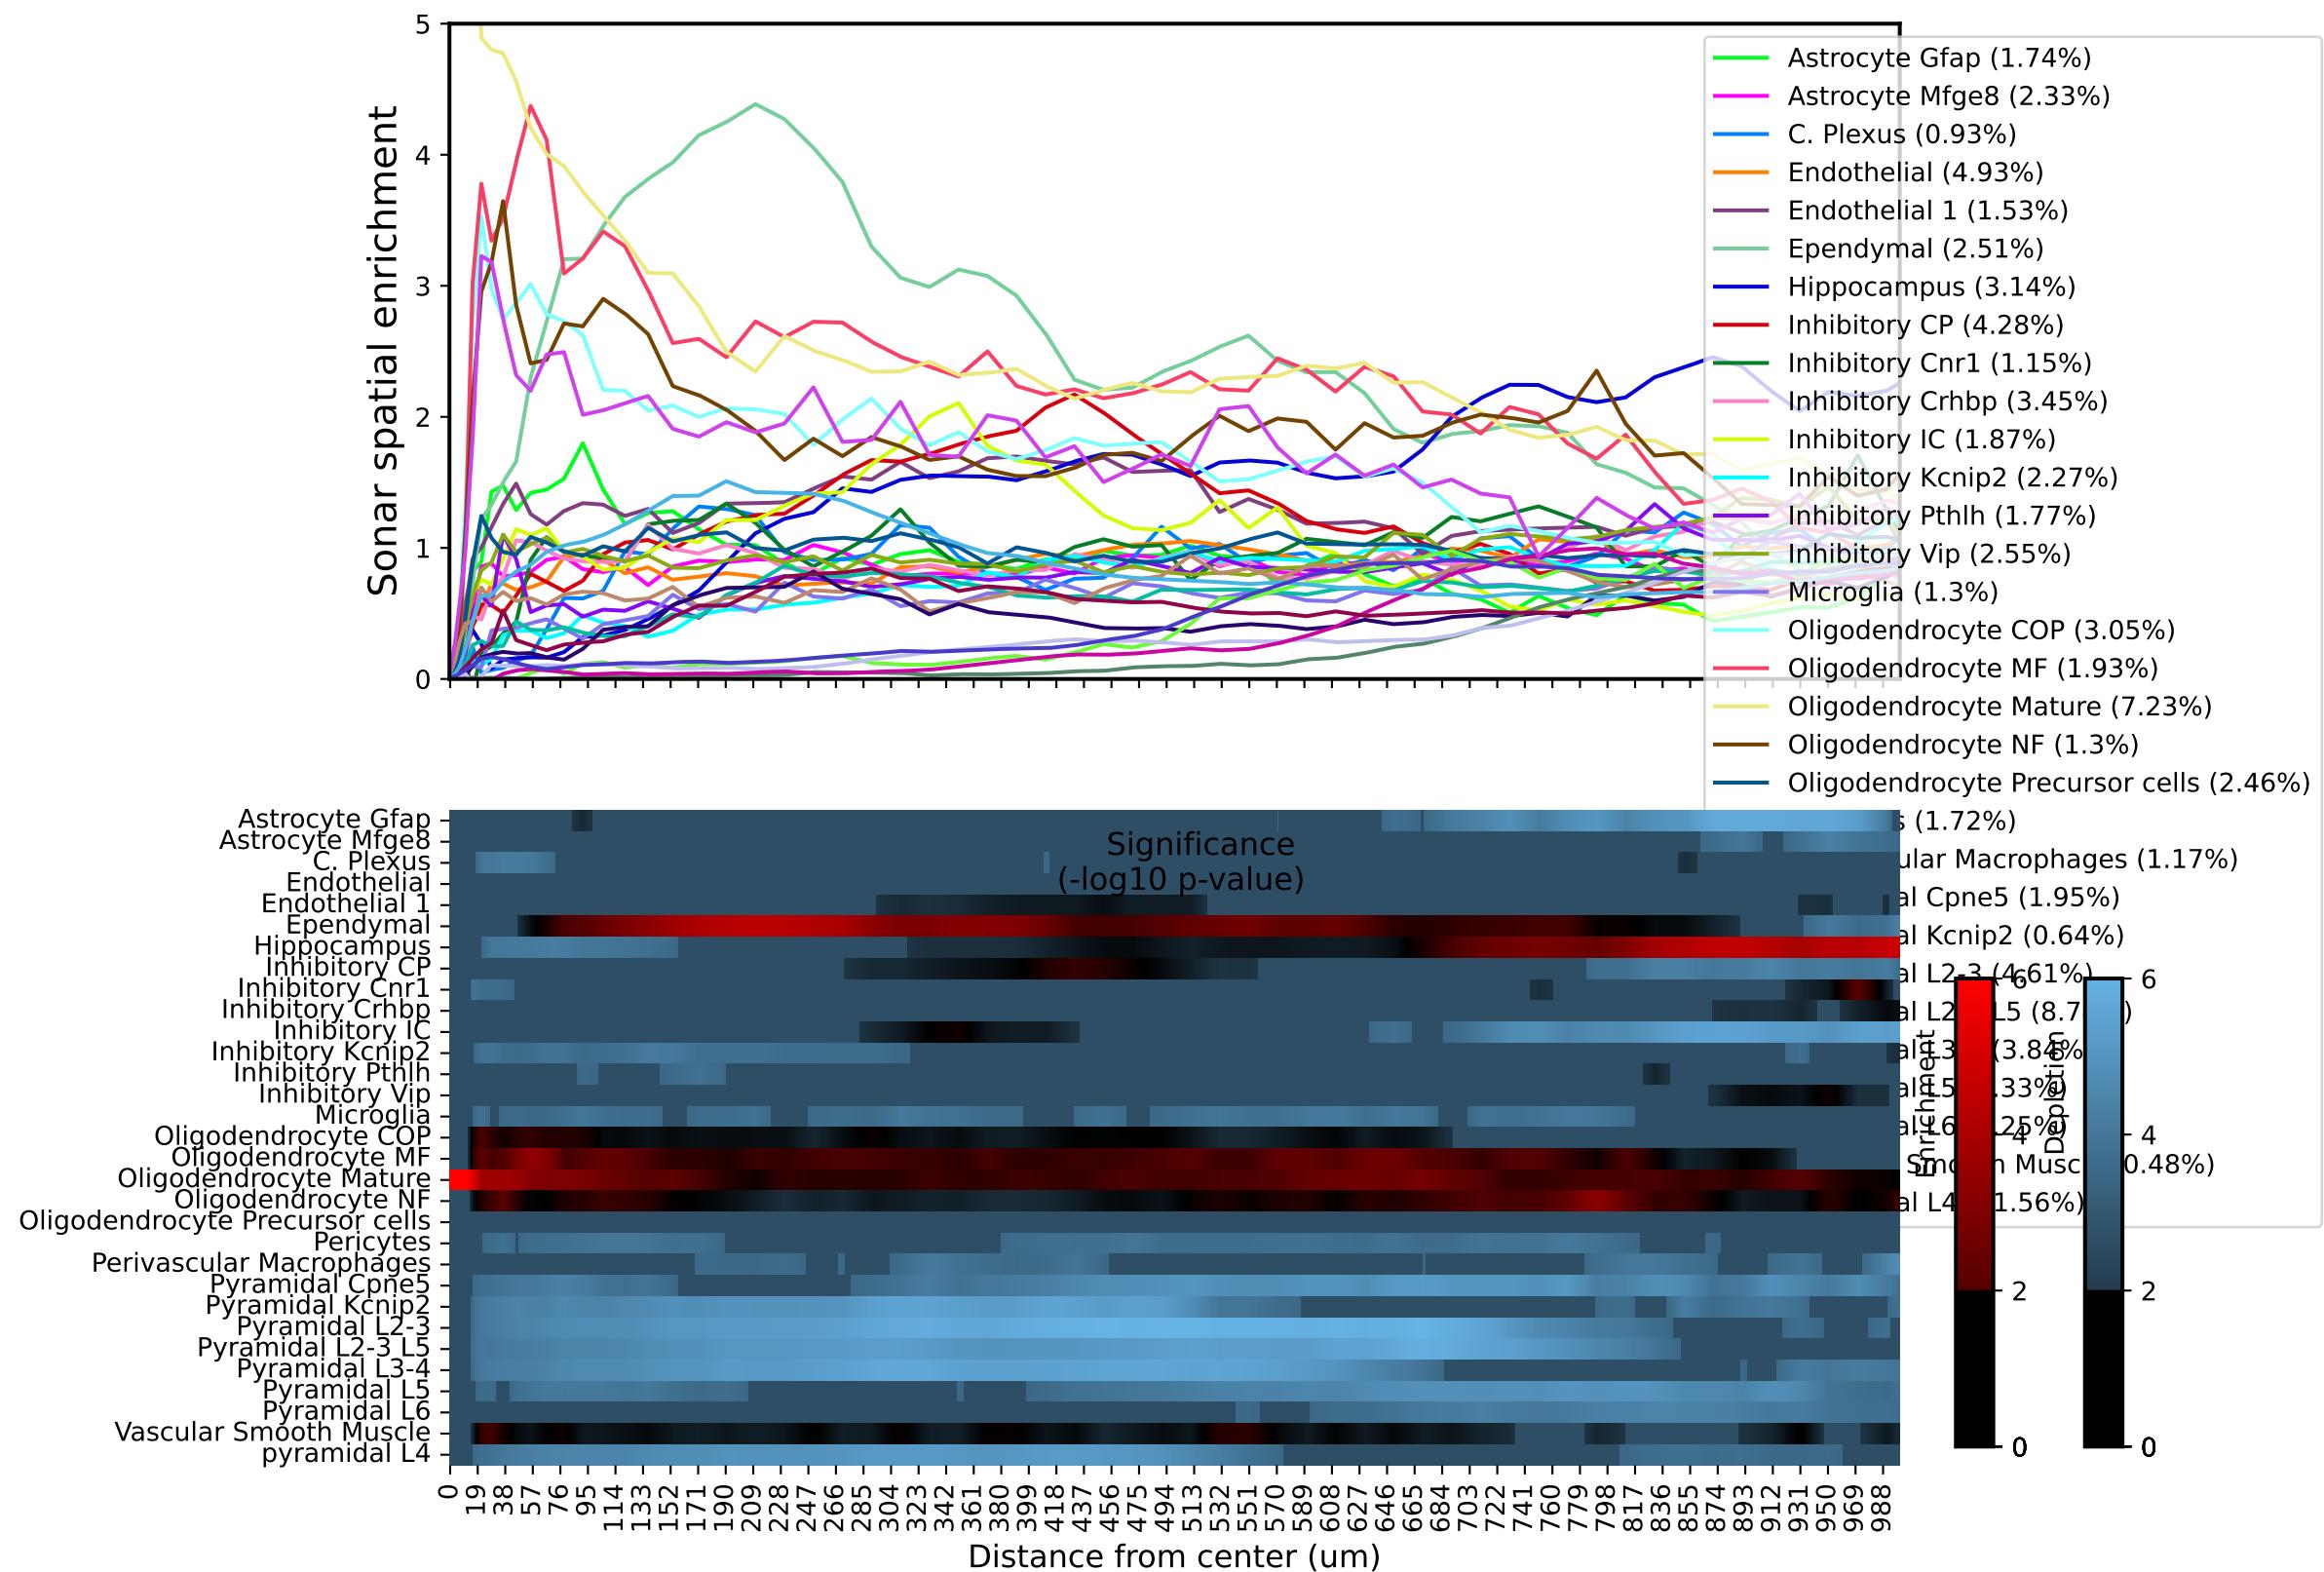

# Spatial correlation plot for Oligodendrocyte COP cells

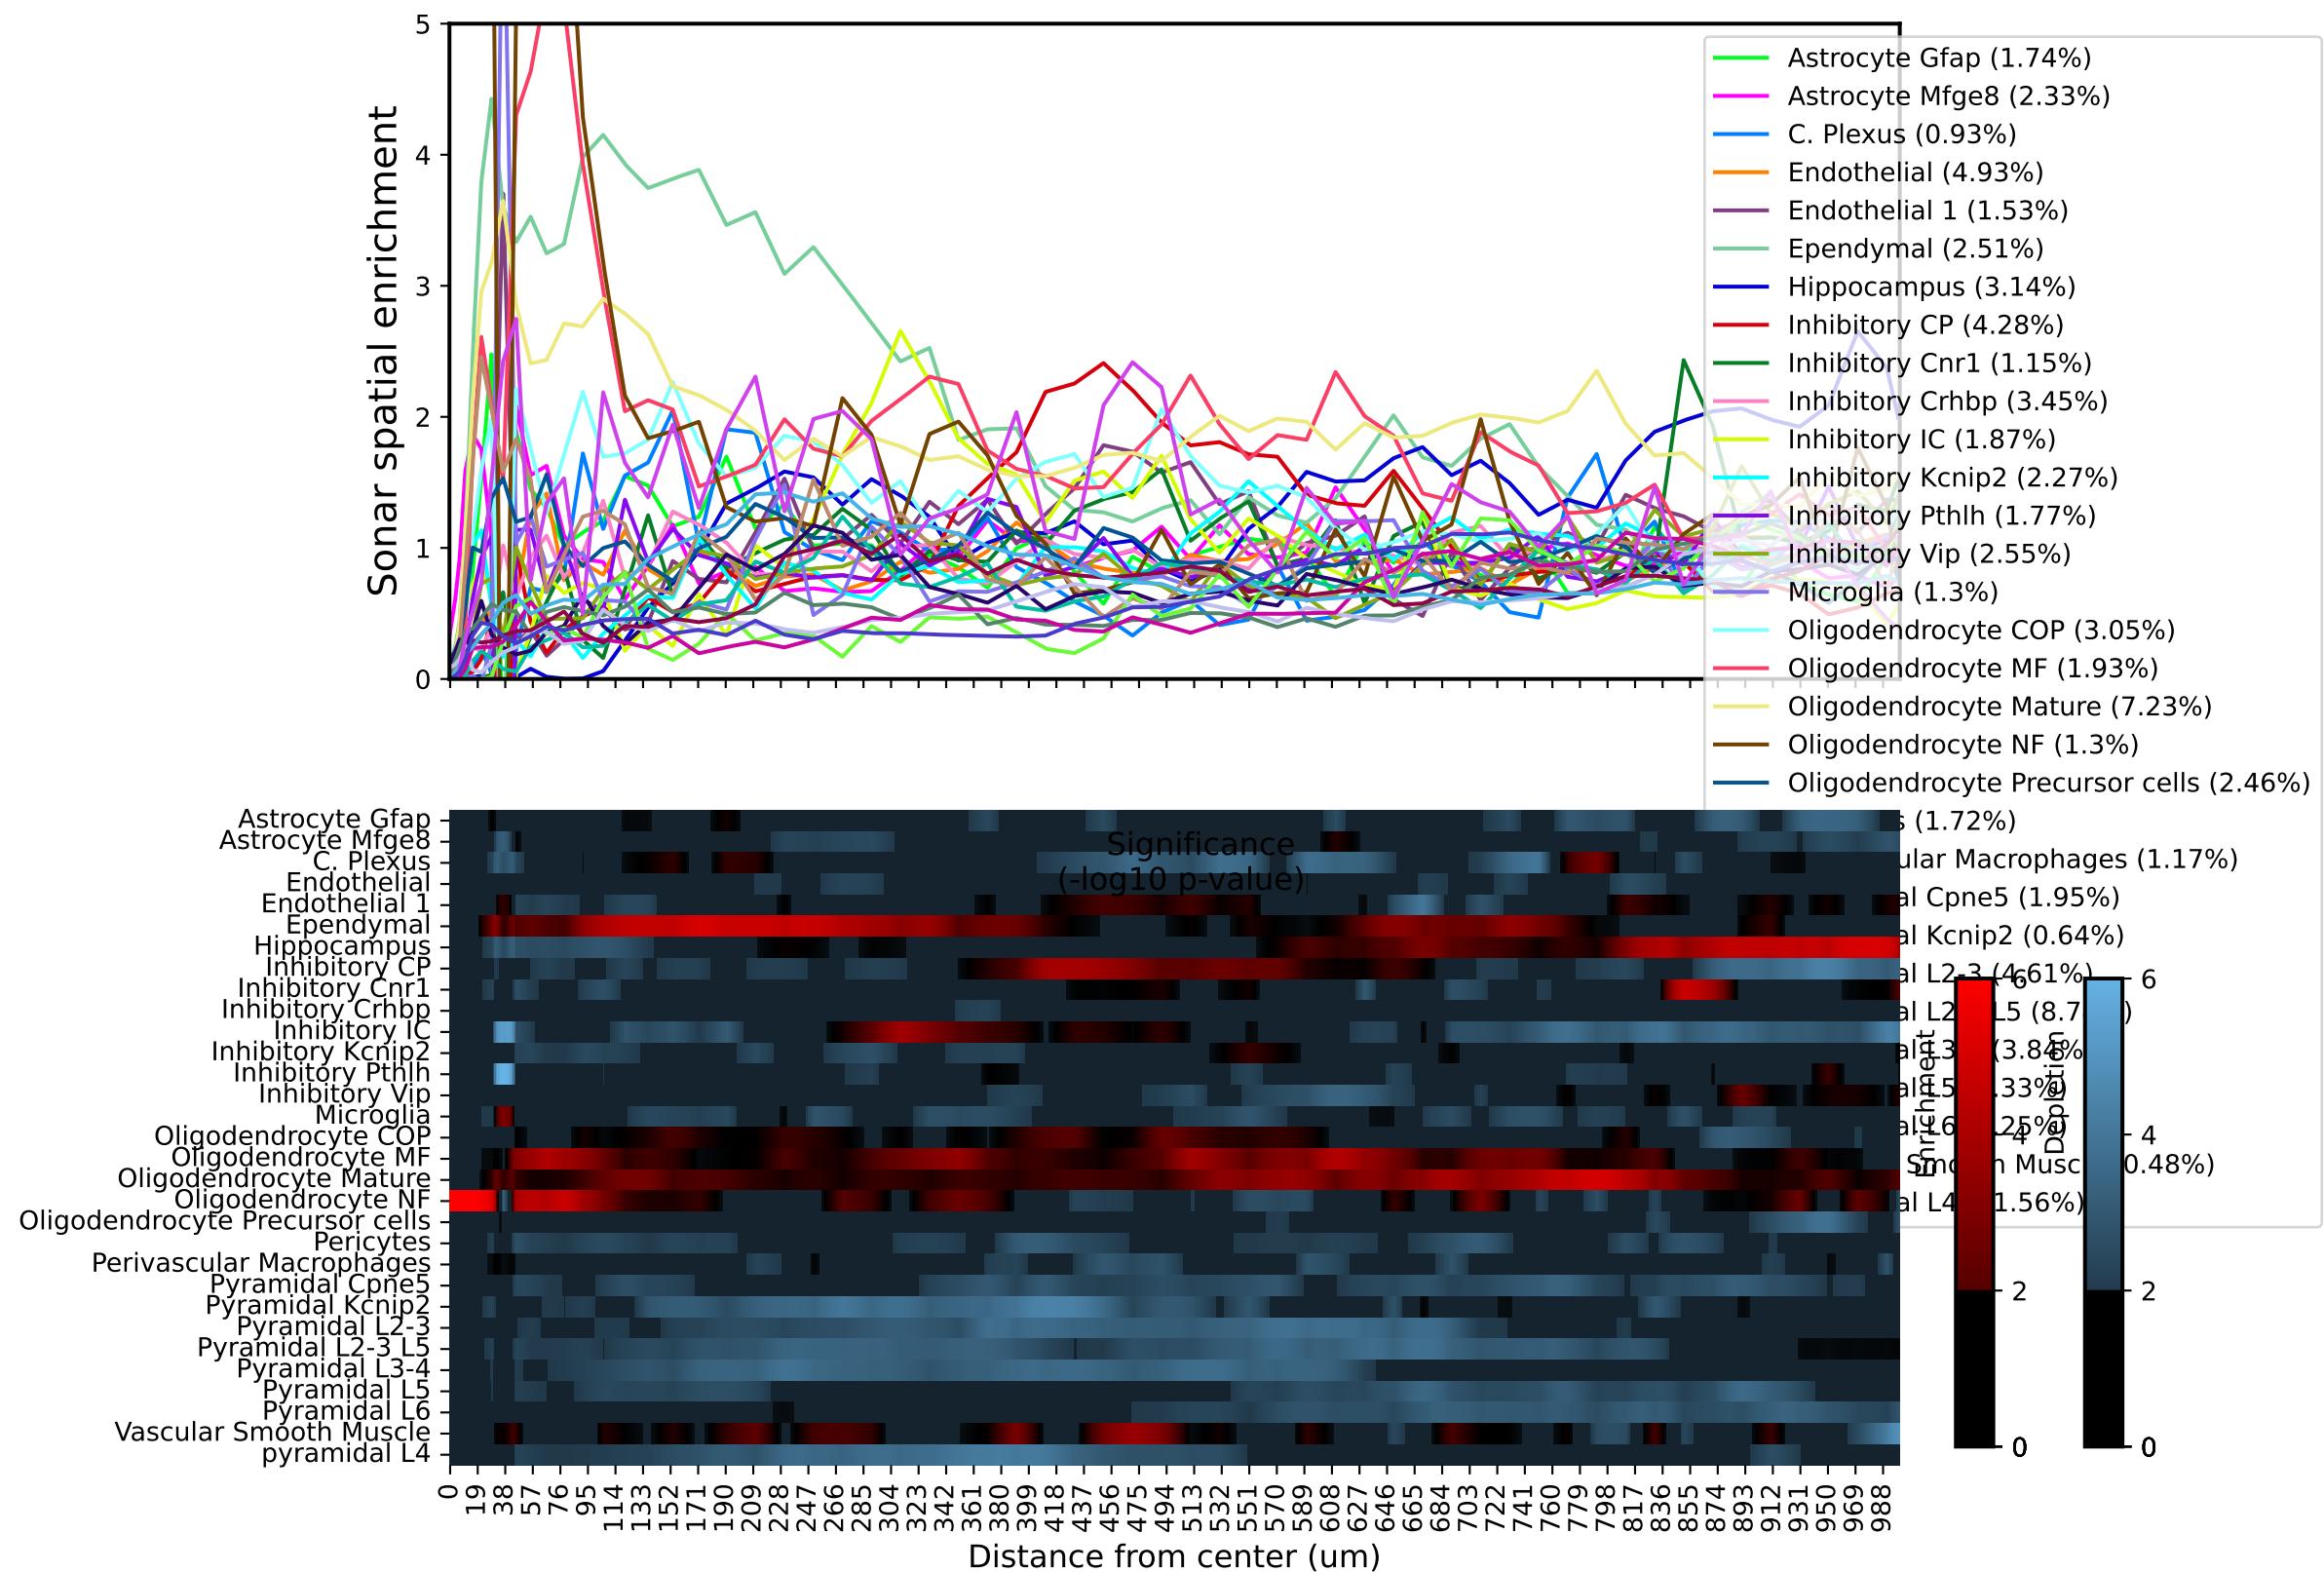

# Spatial correlation plot for Oligodendrocyte MF cells

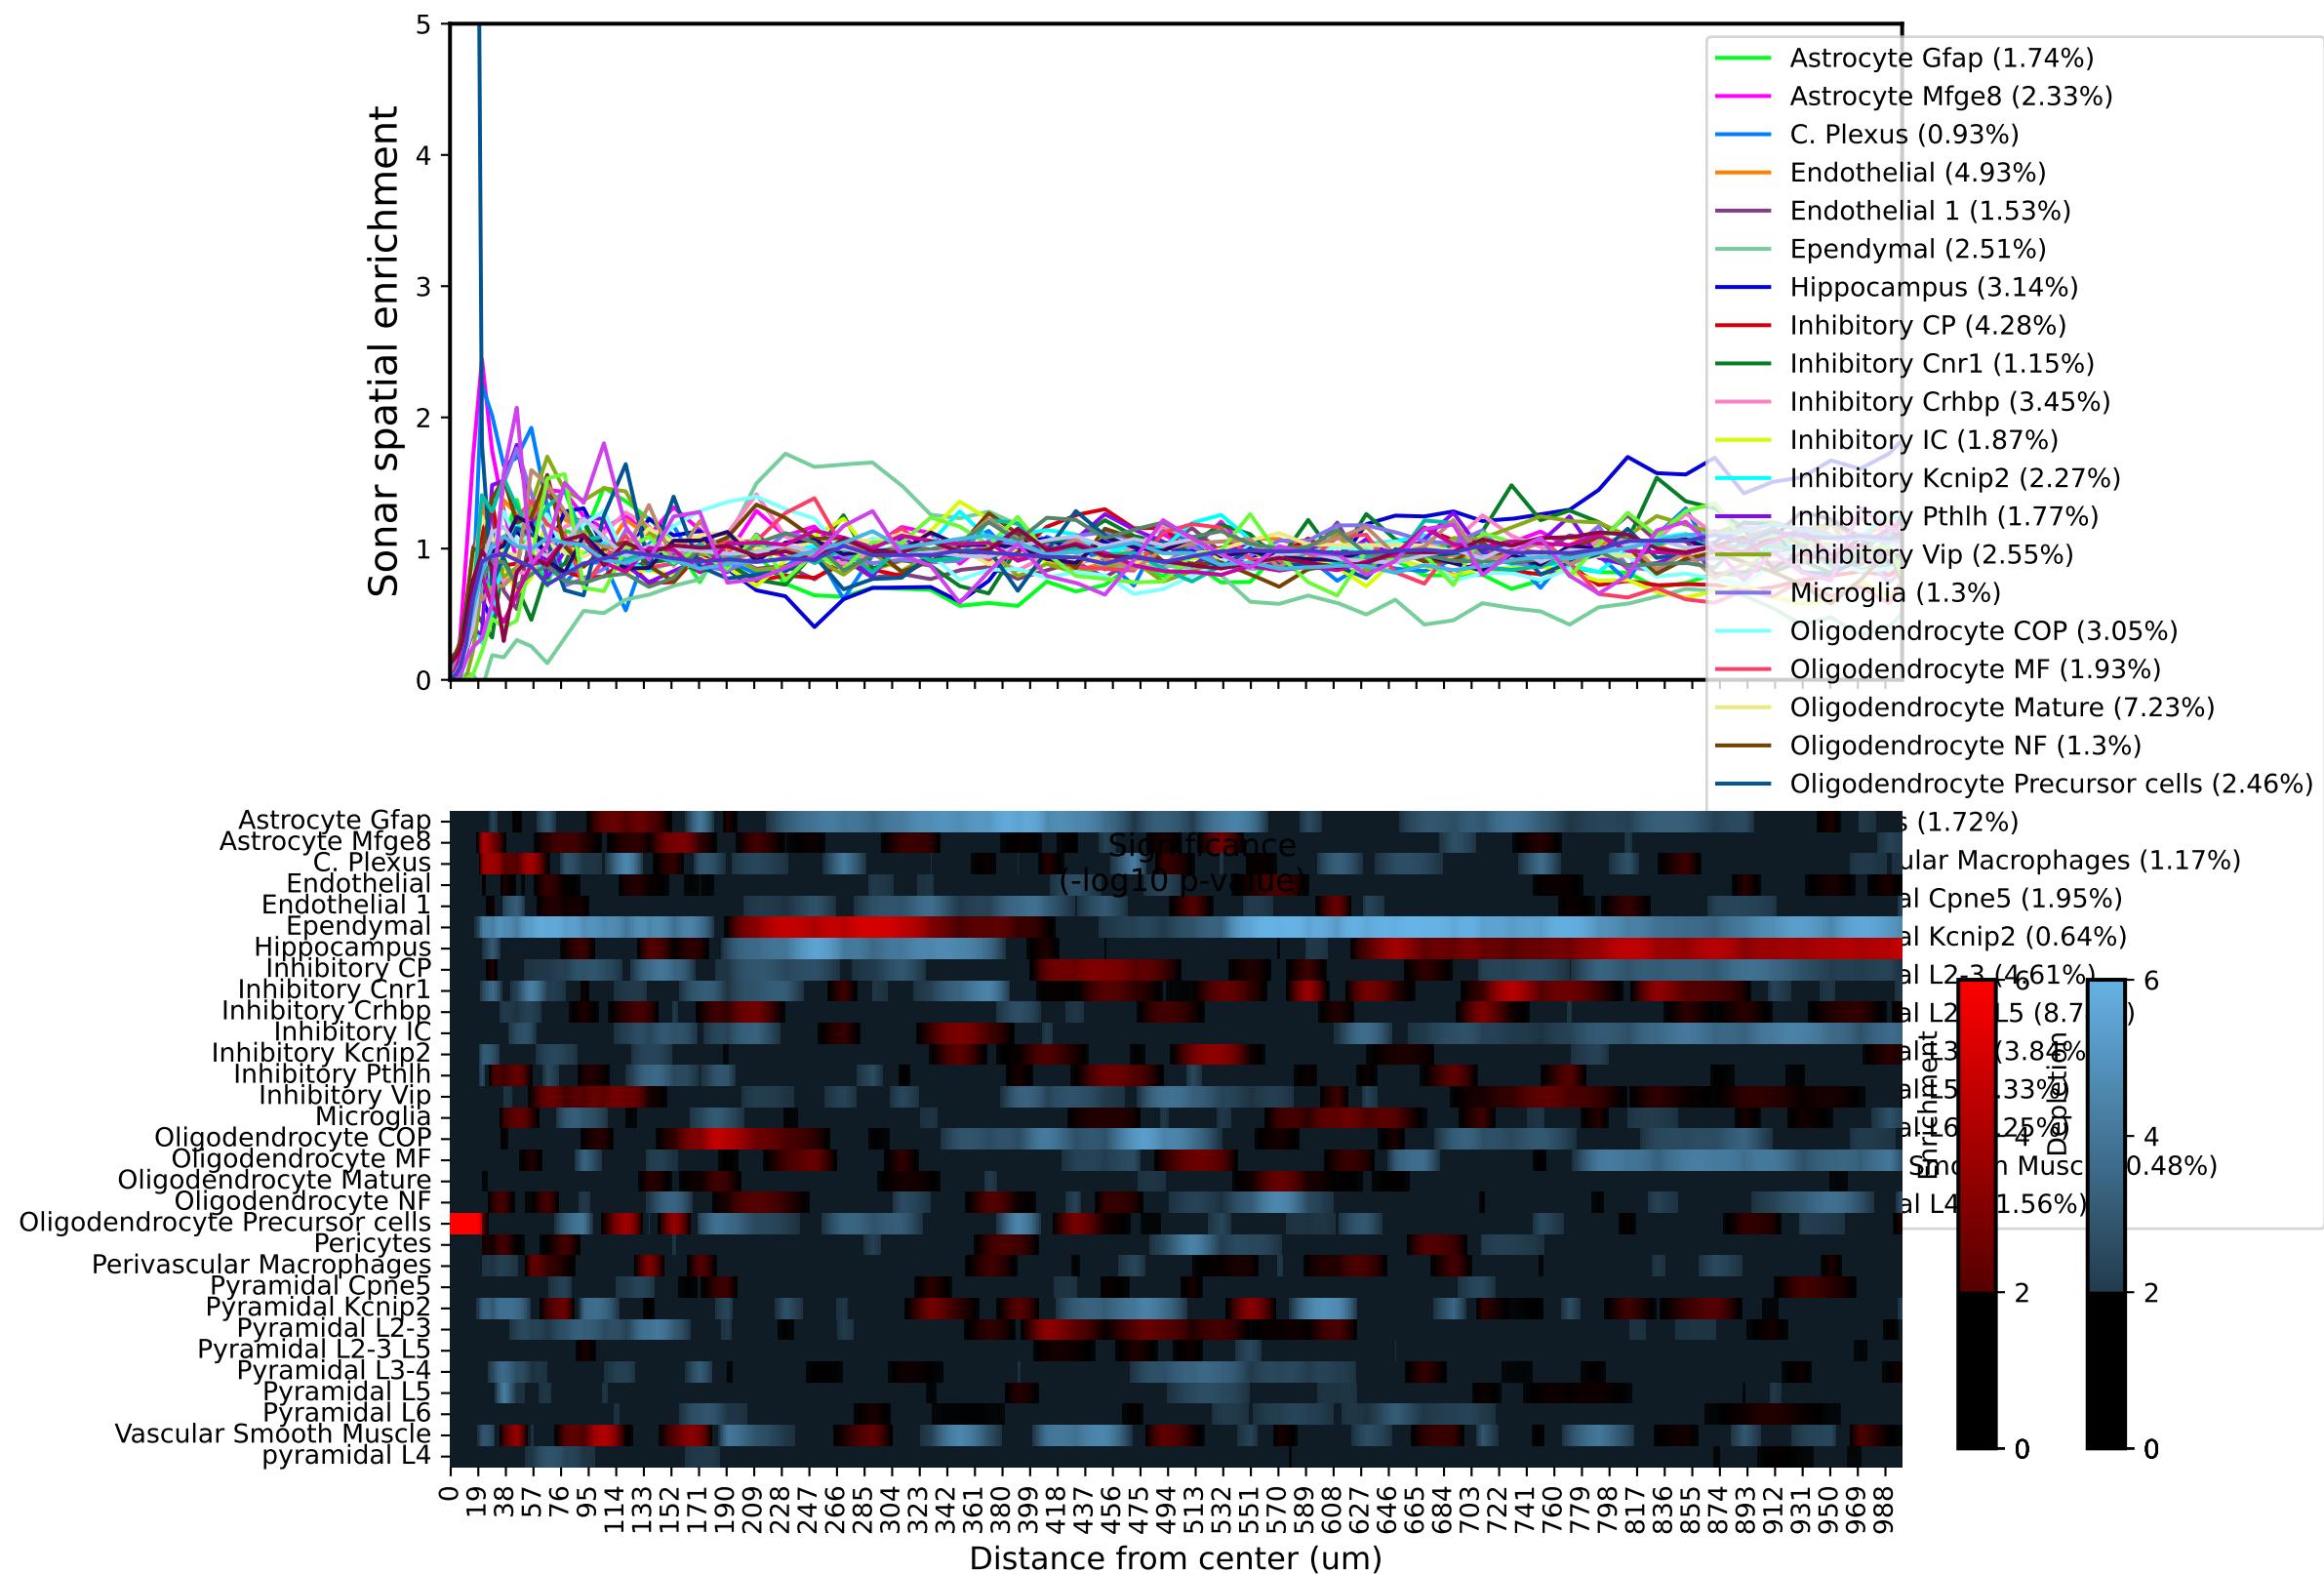

# Spatial correlation plot for Oligodendrocyte Mature cells

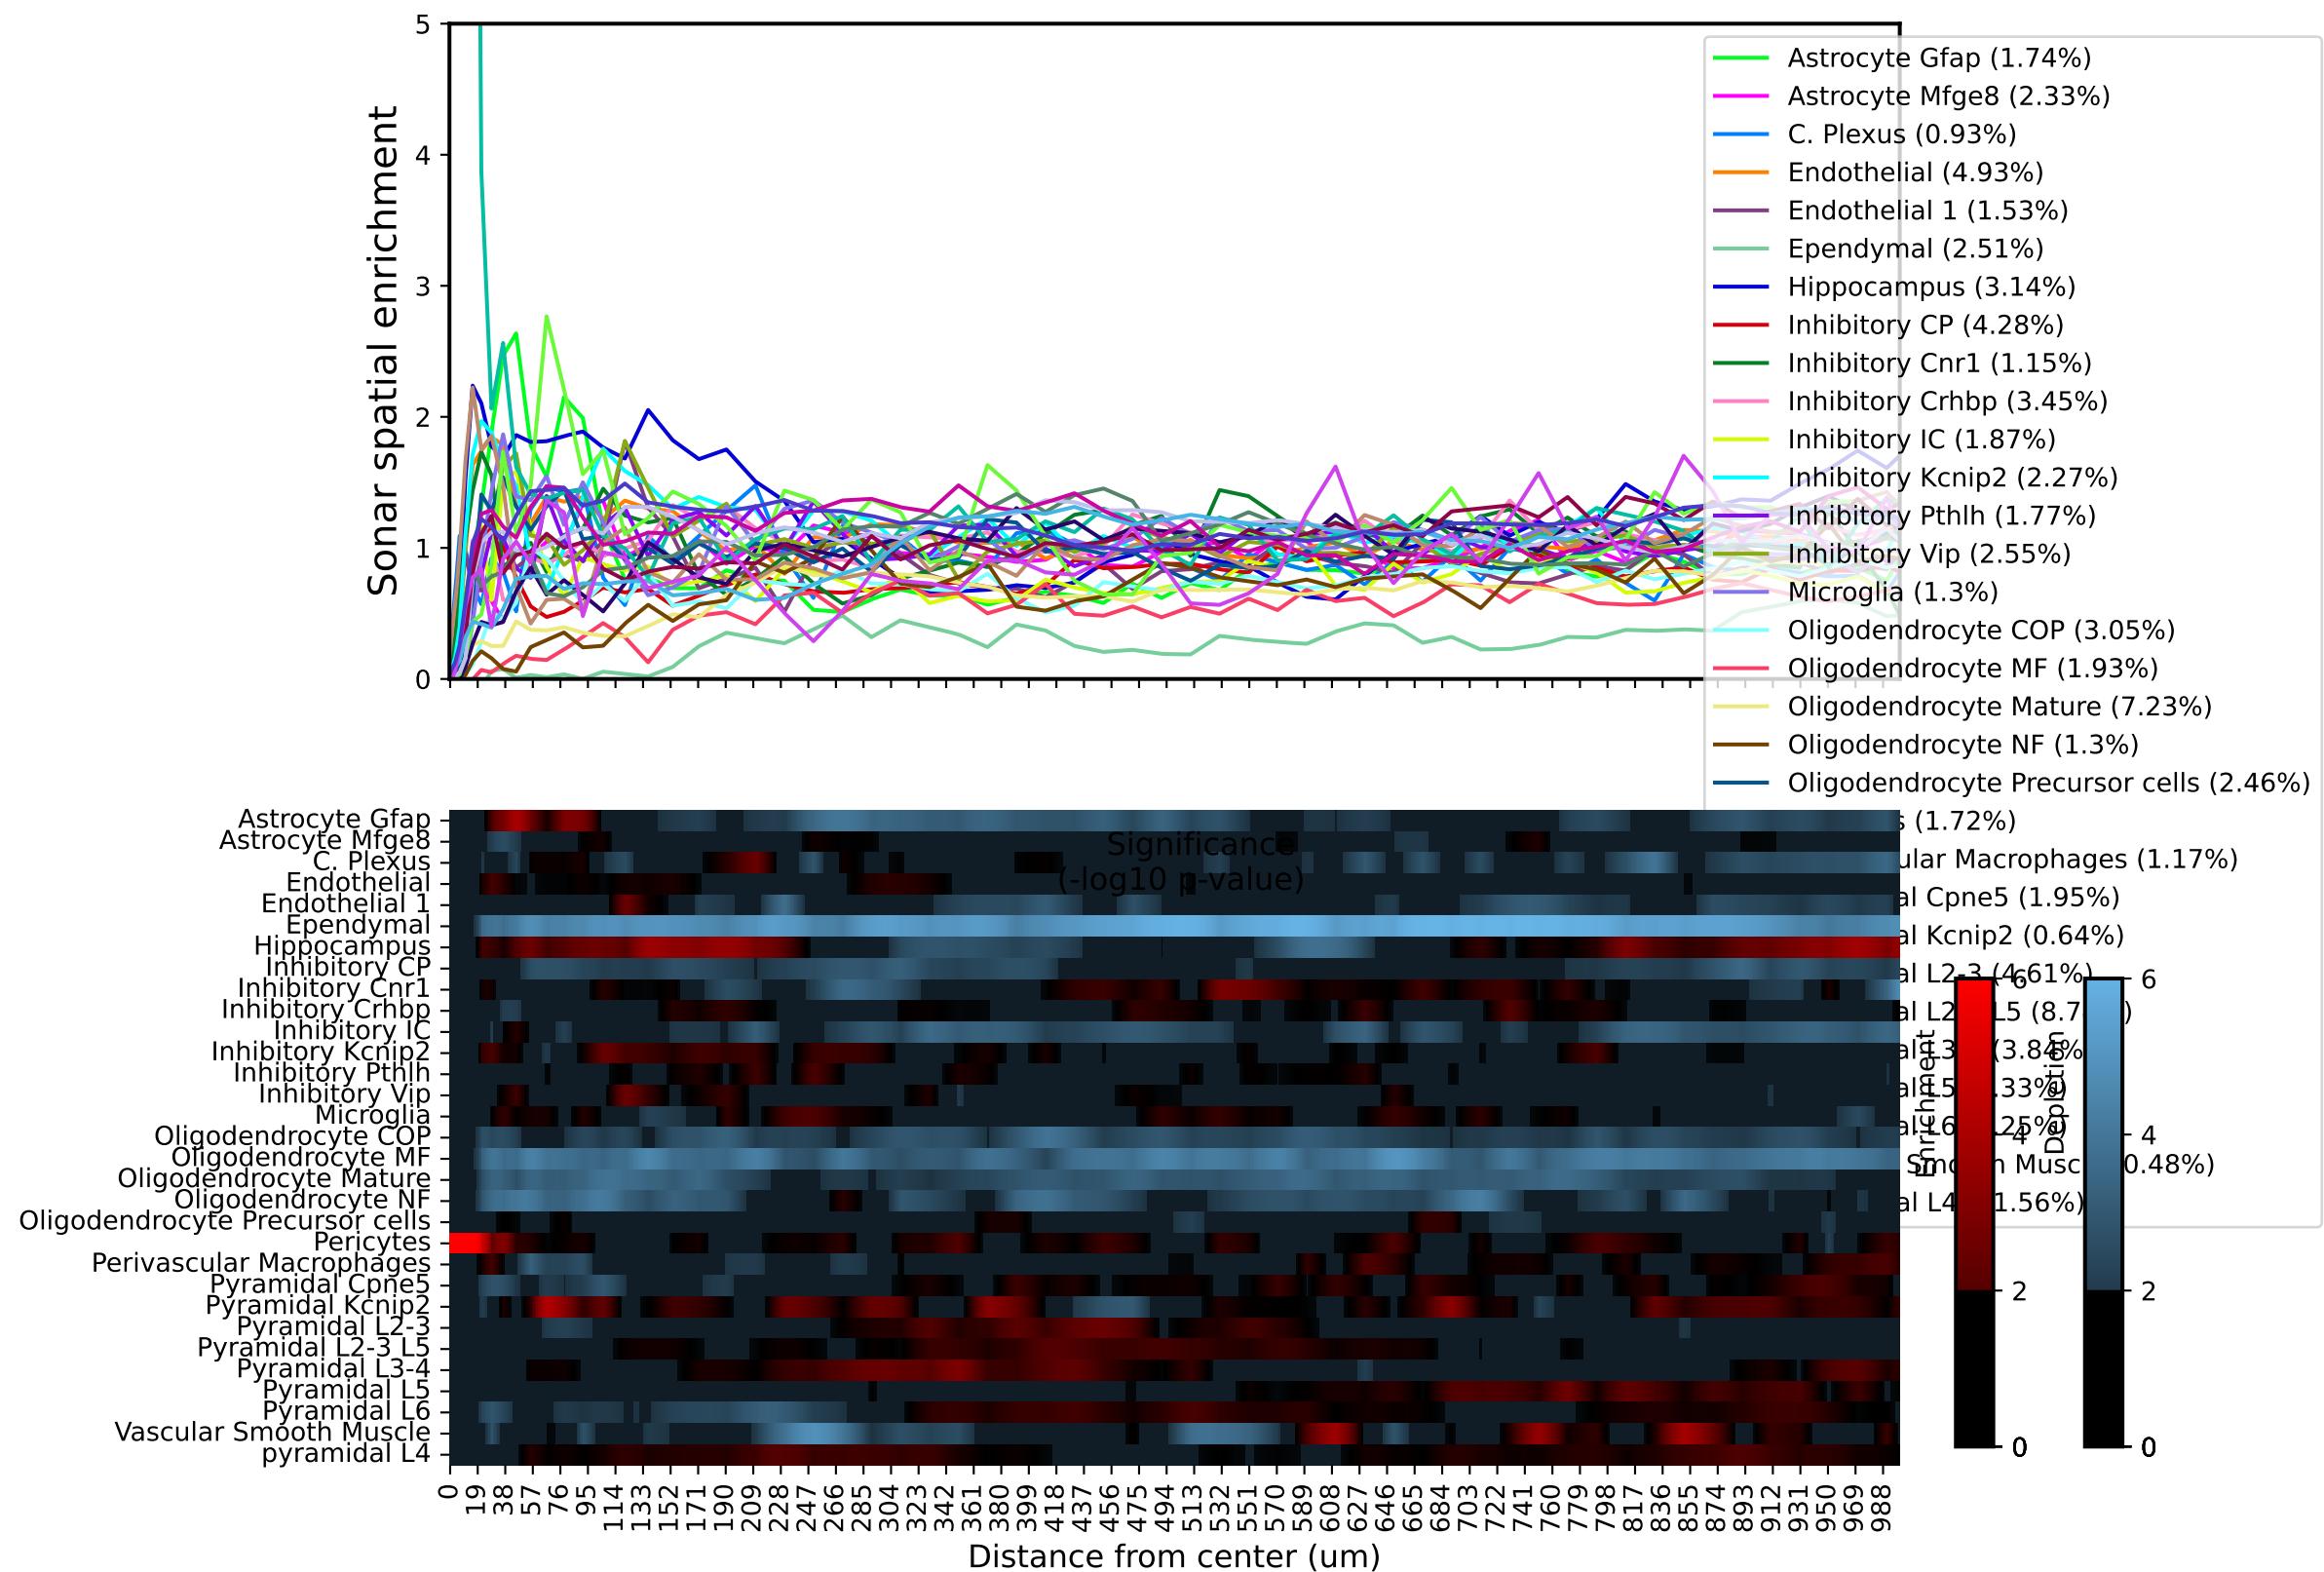

# Spatial correlation plot for Oligodendrocyte NF cells

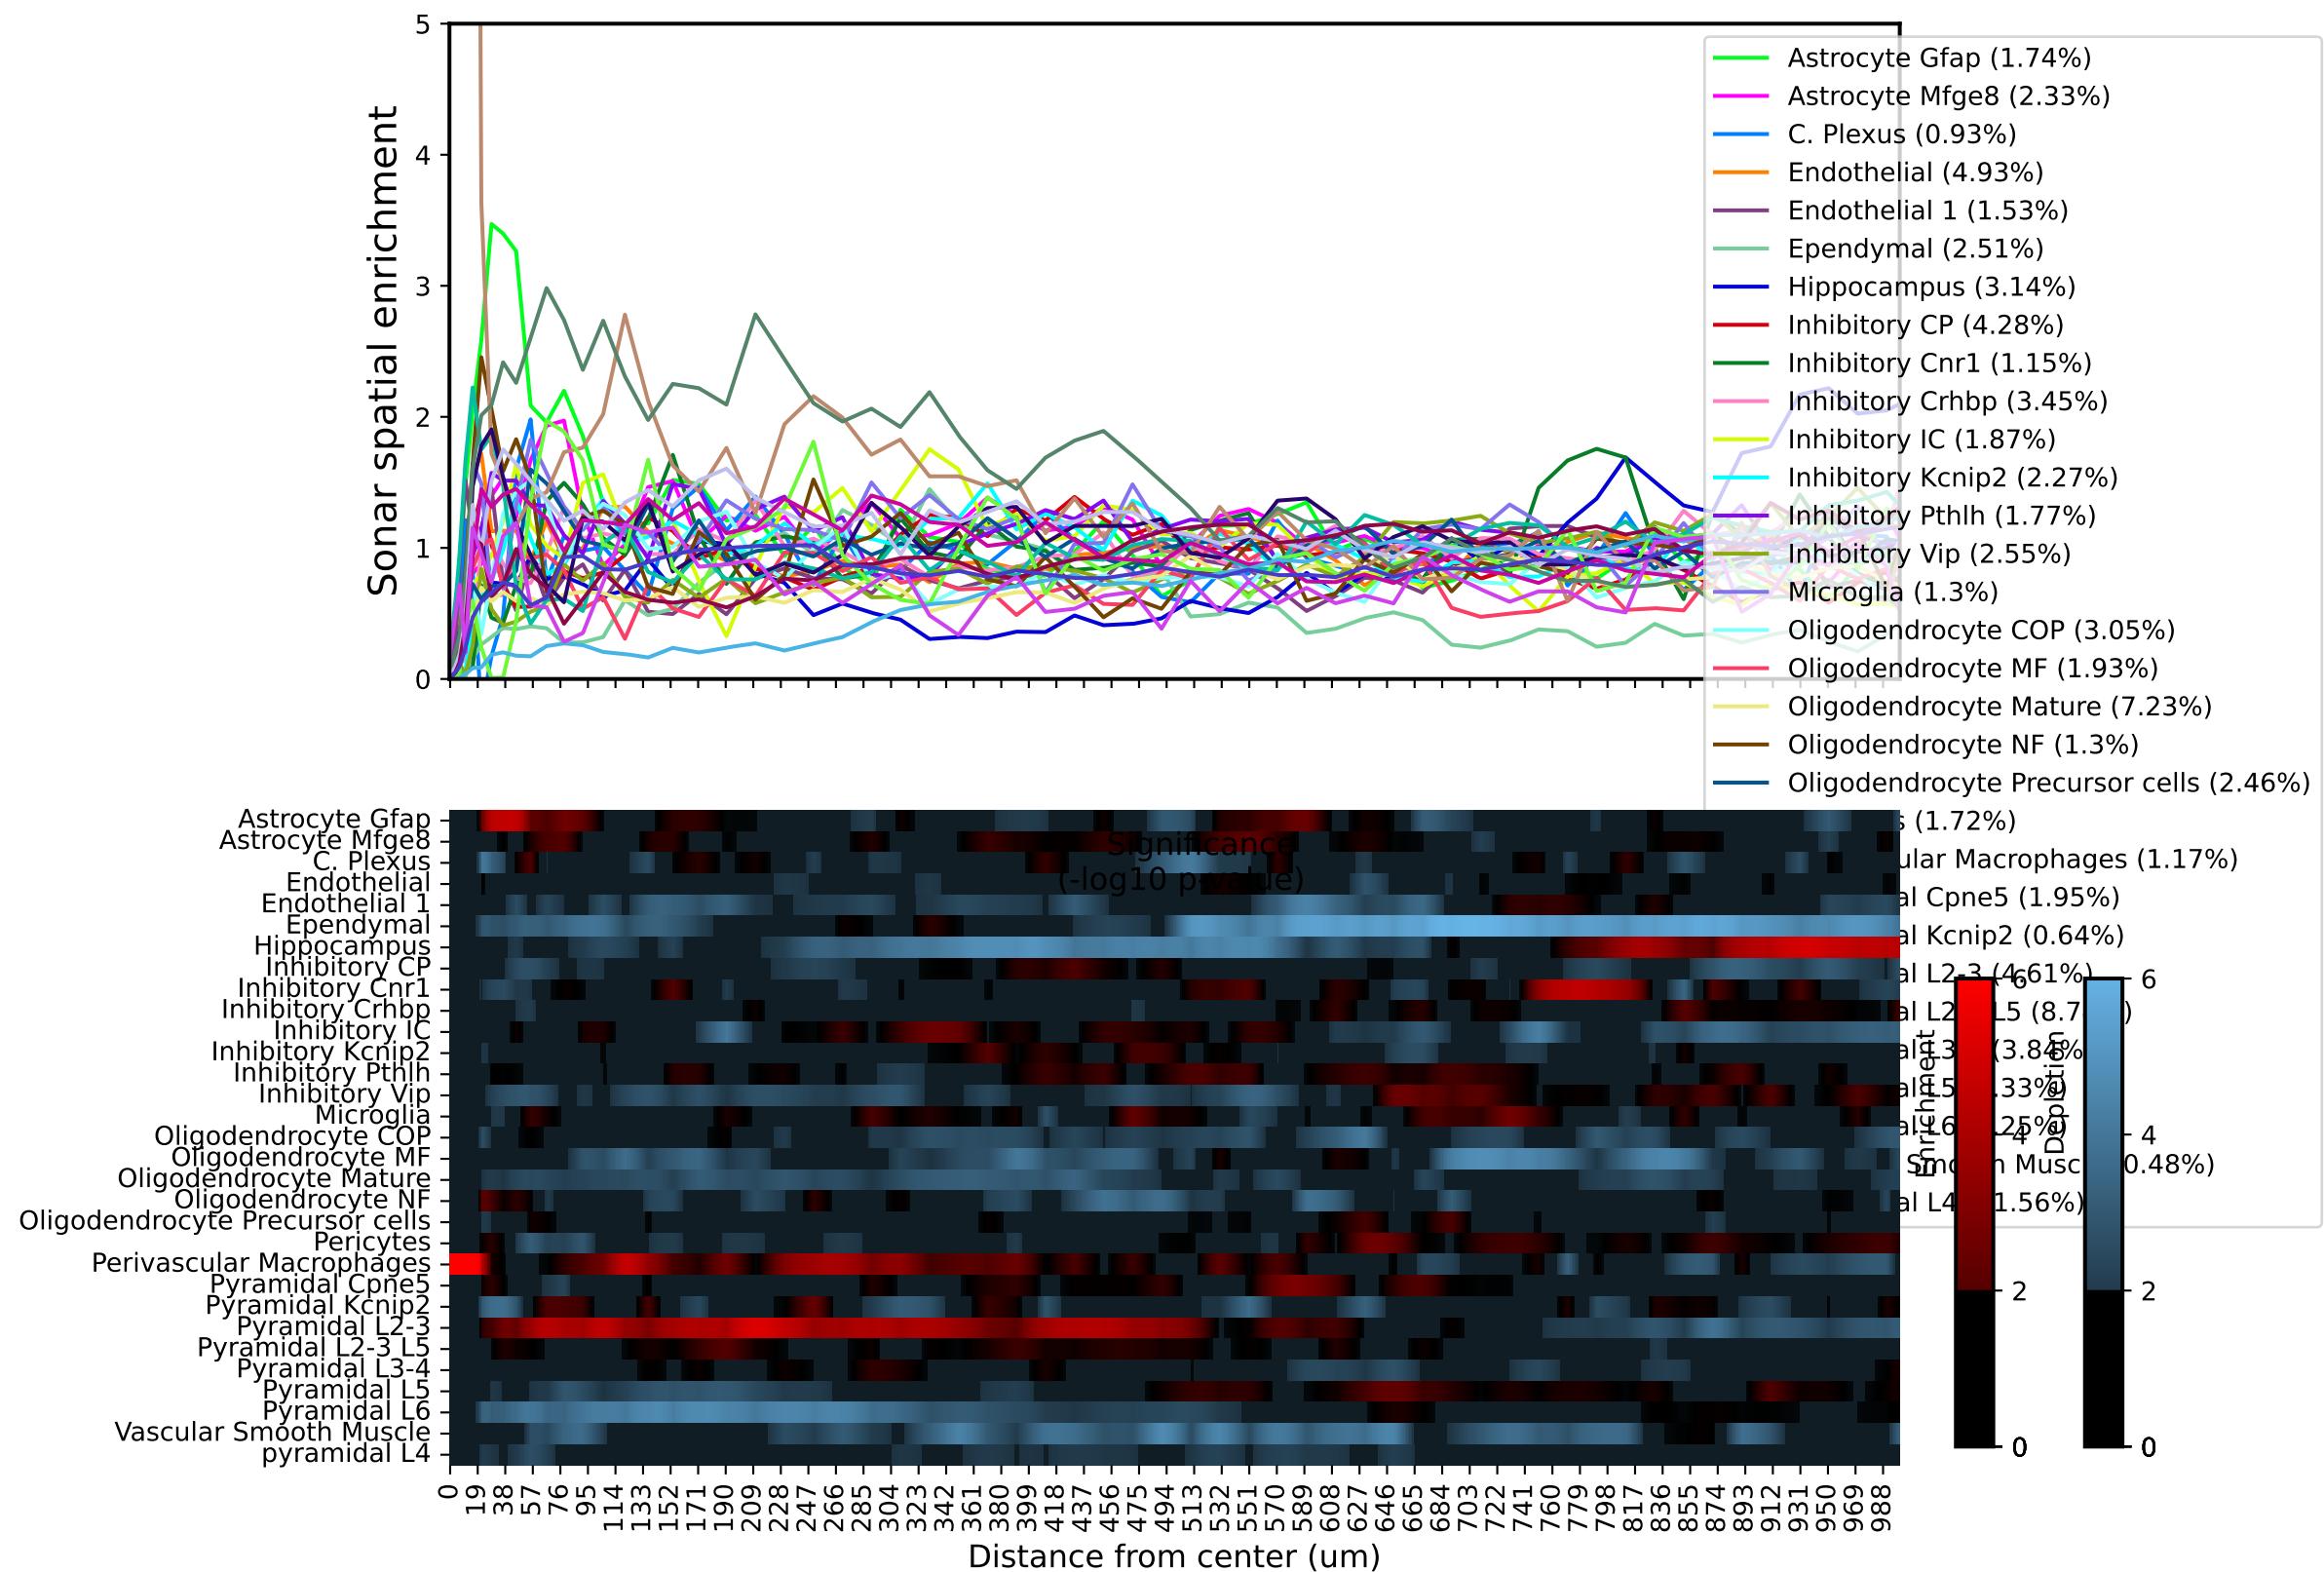

# Spatial correlation plot for Oligodendrocyte Precursor cells cells

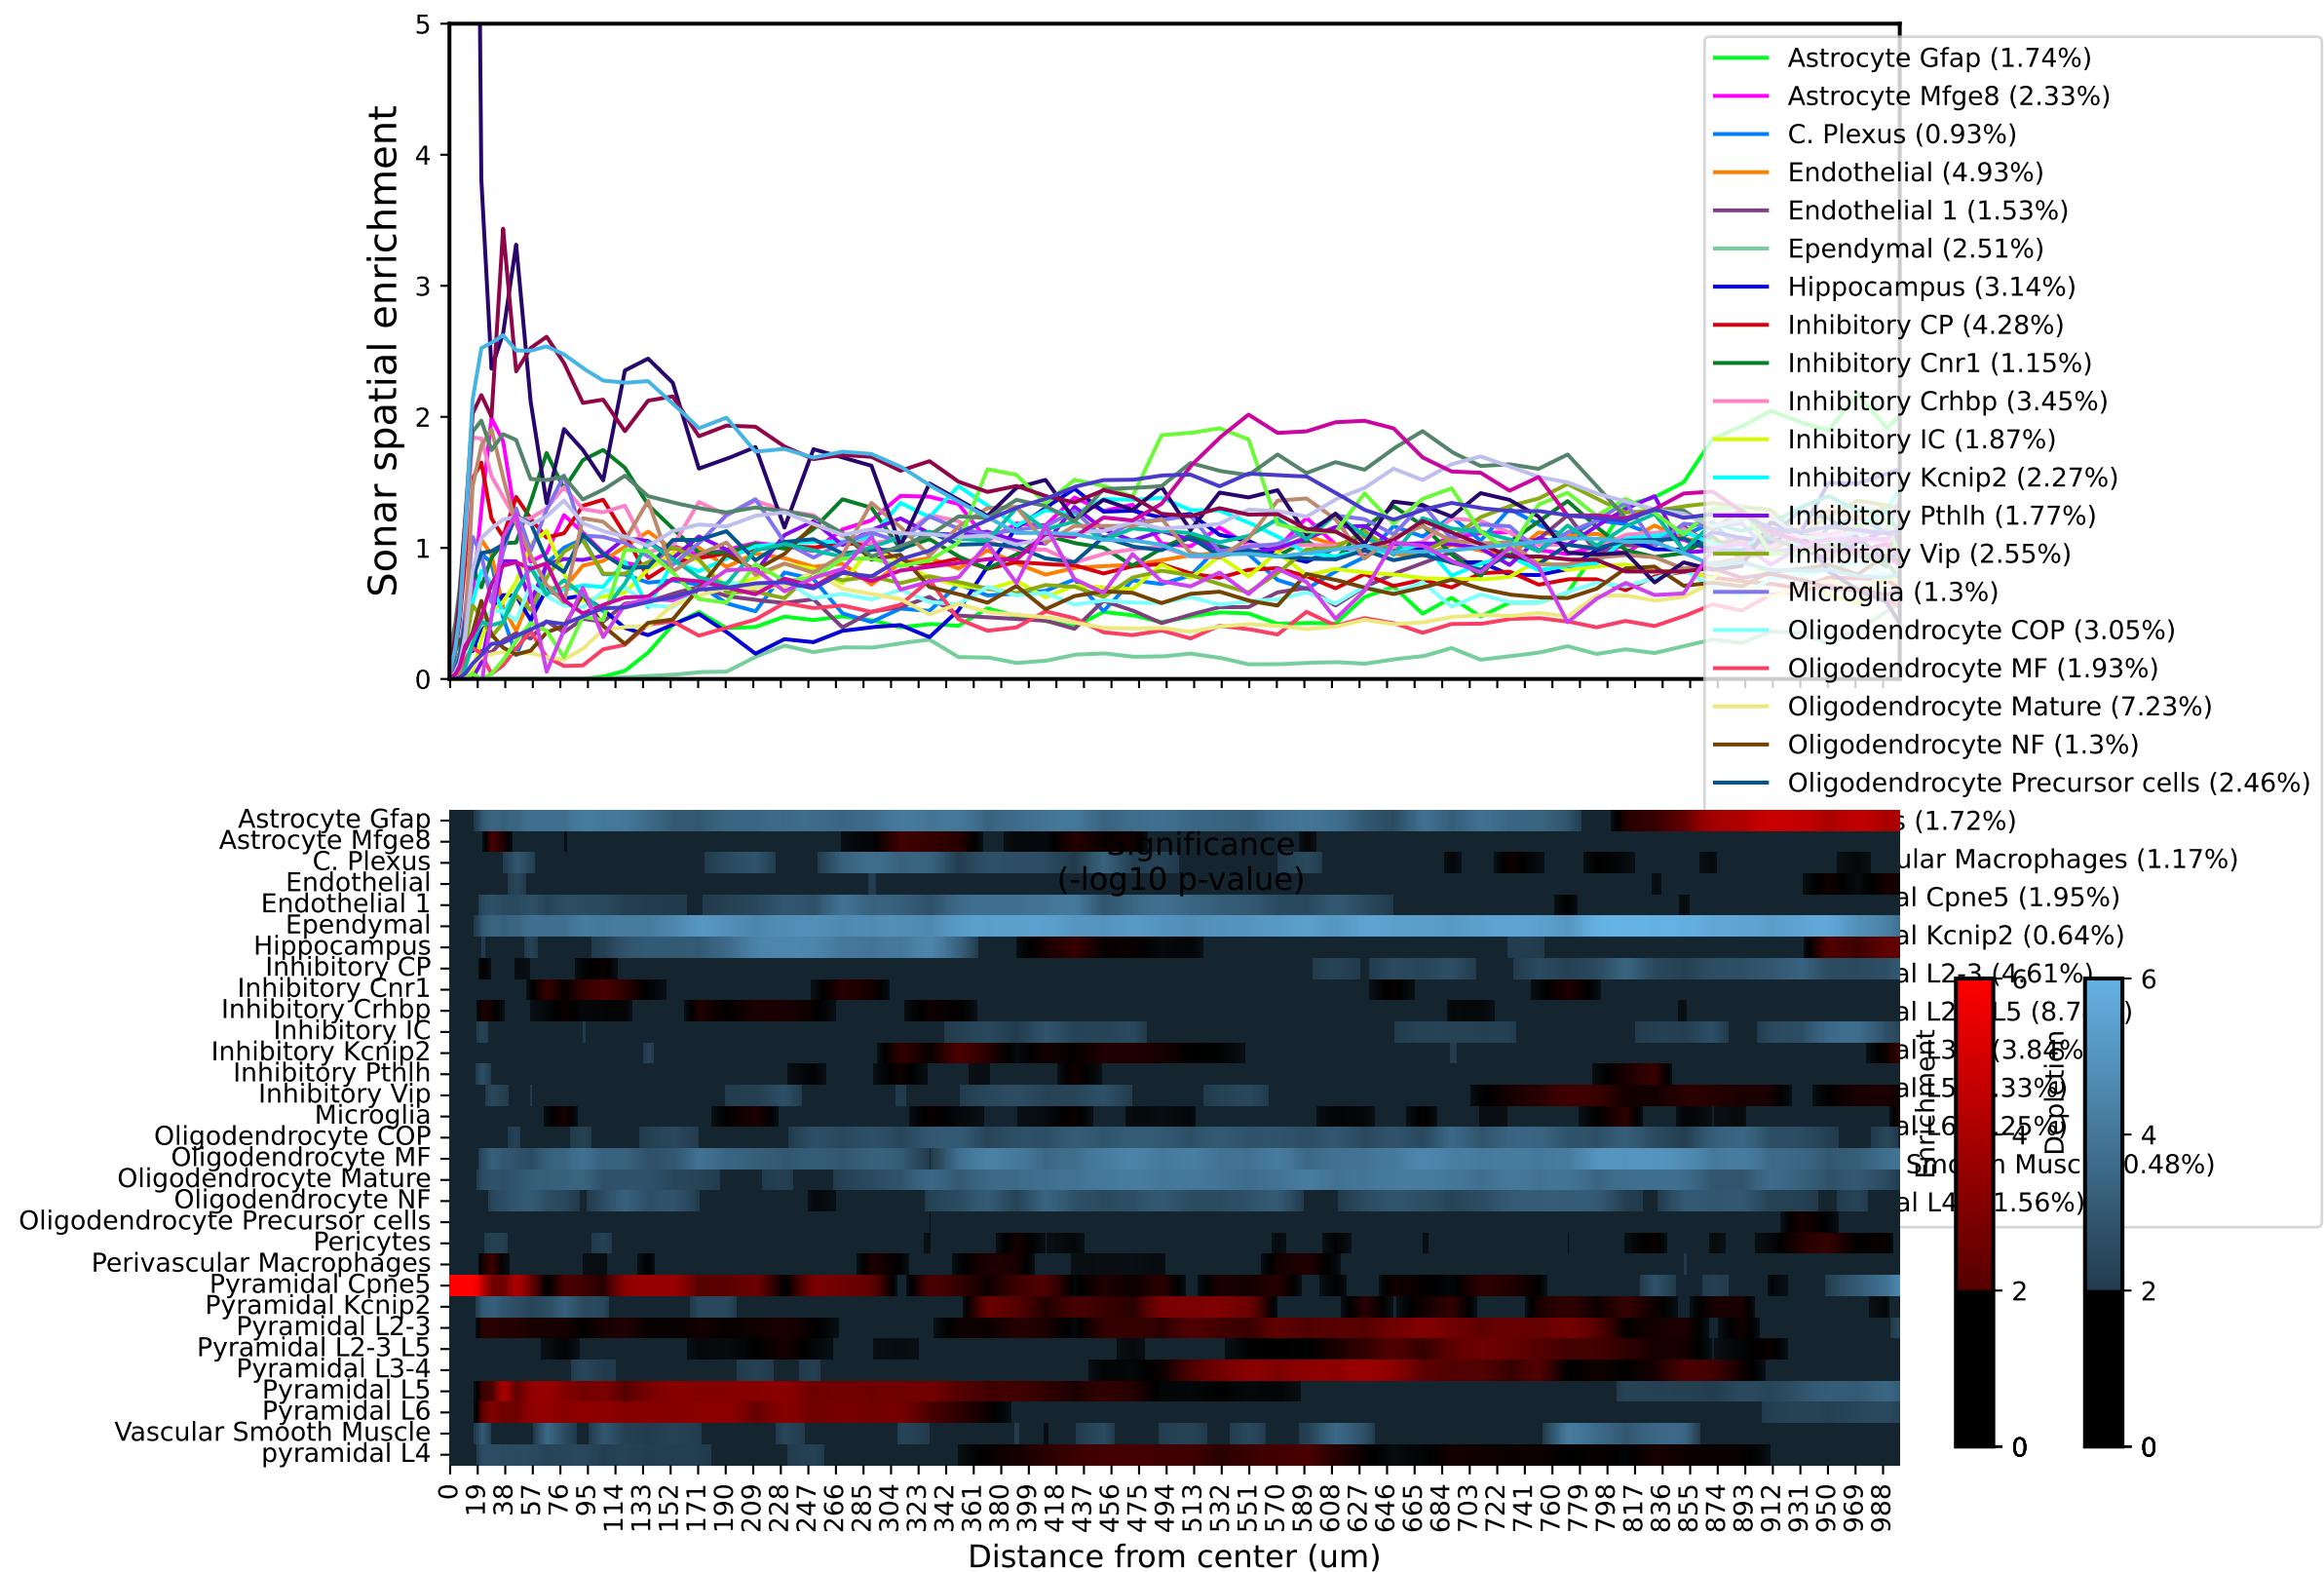

# Spatial correlation plot for Pericytes cells

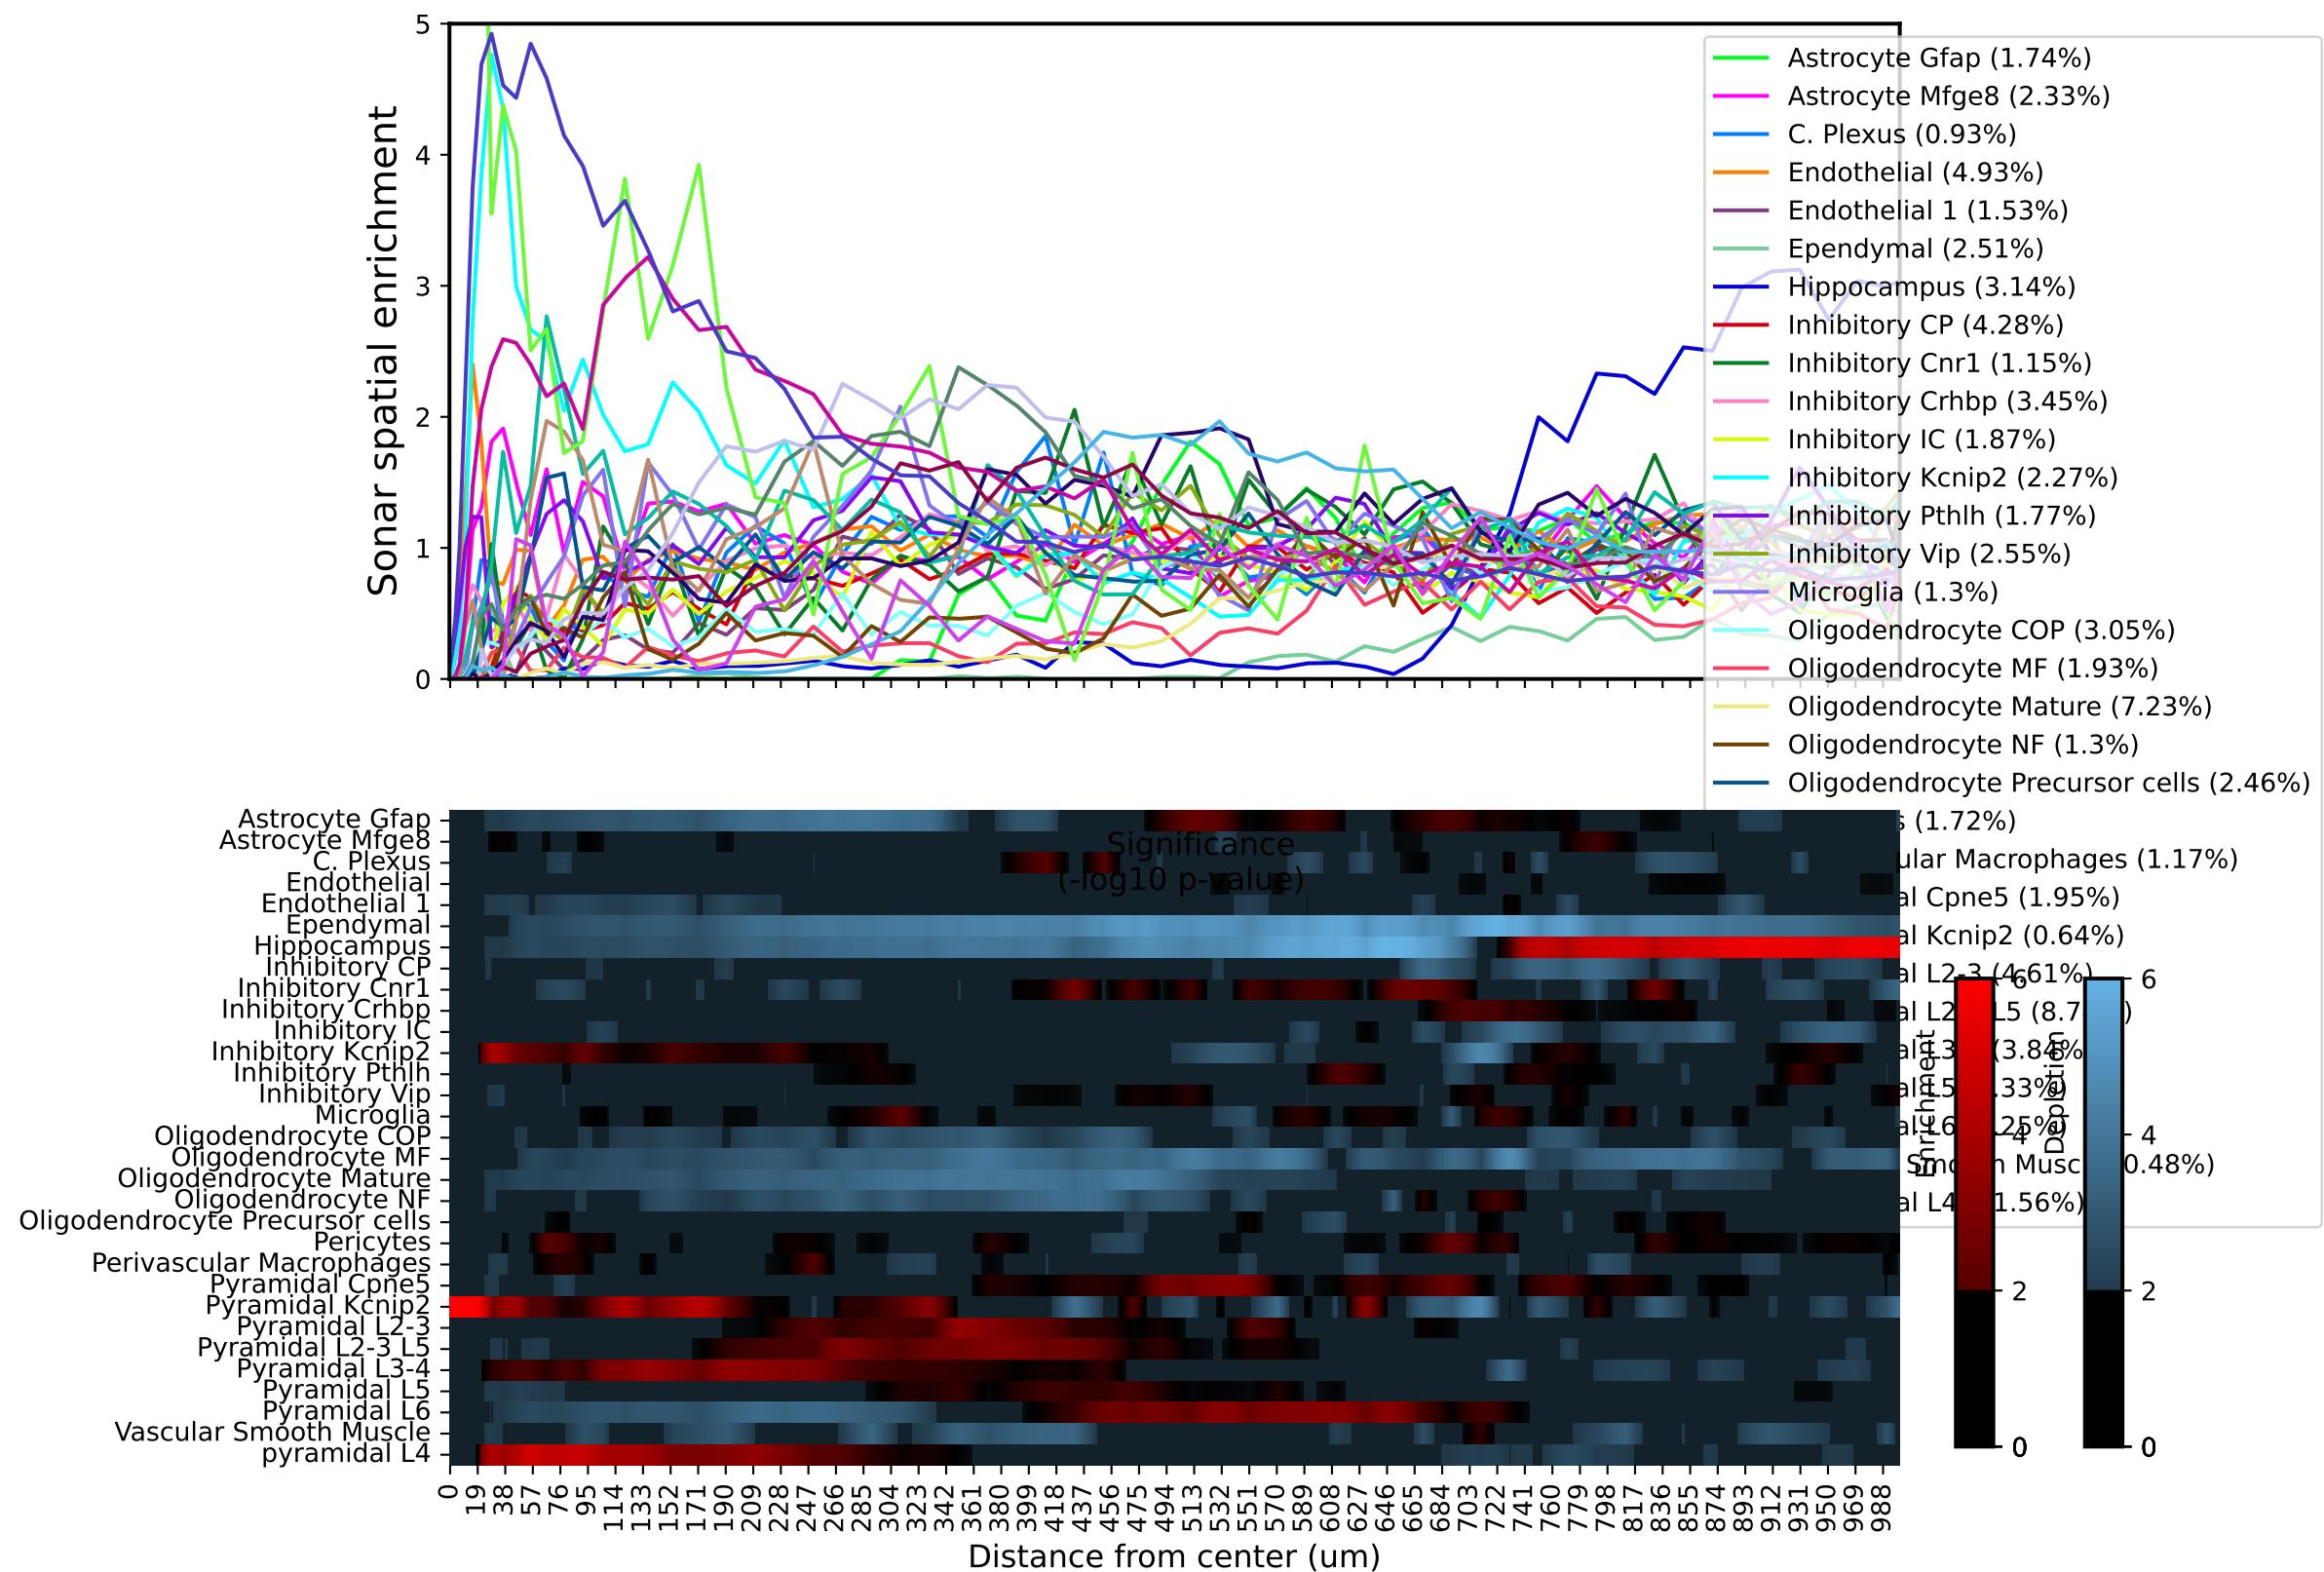

# Spatial correlation plot for Perivascular Macrophages cells

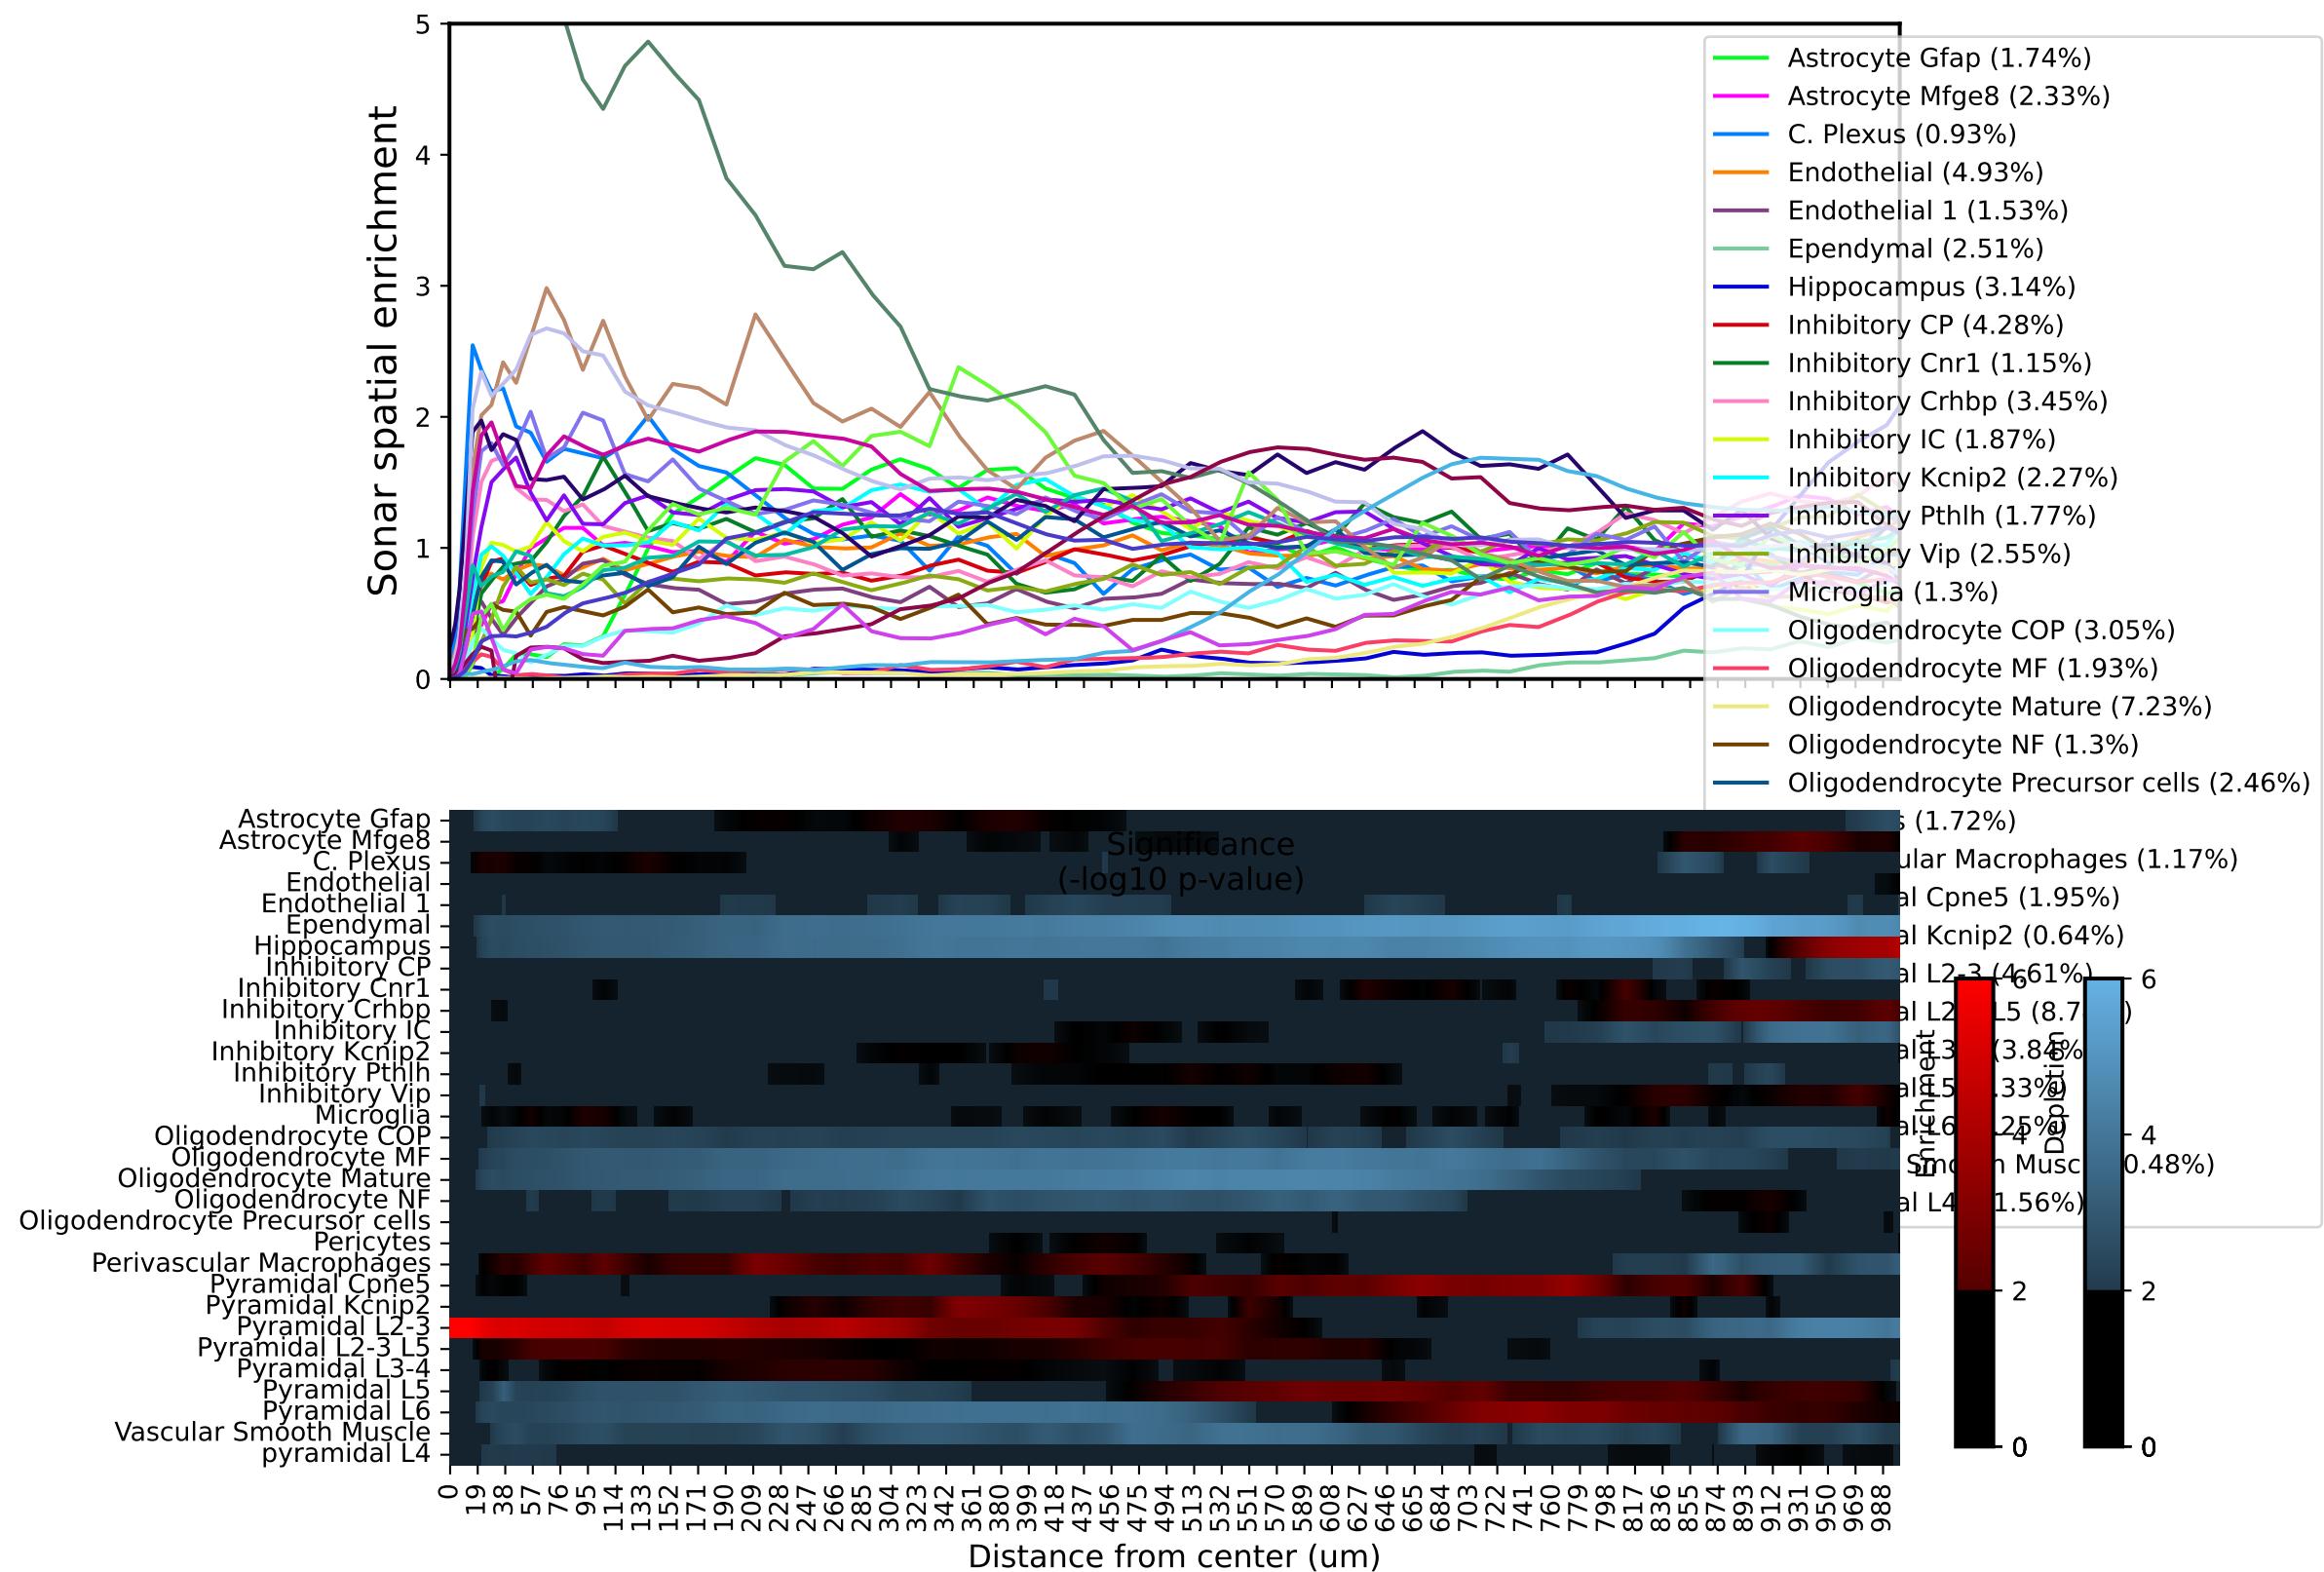

# Spatial correlation plot for Pyramidal Cpne5 cells

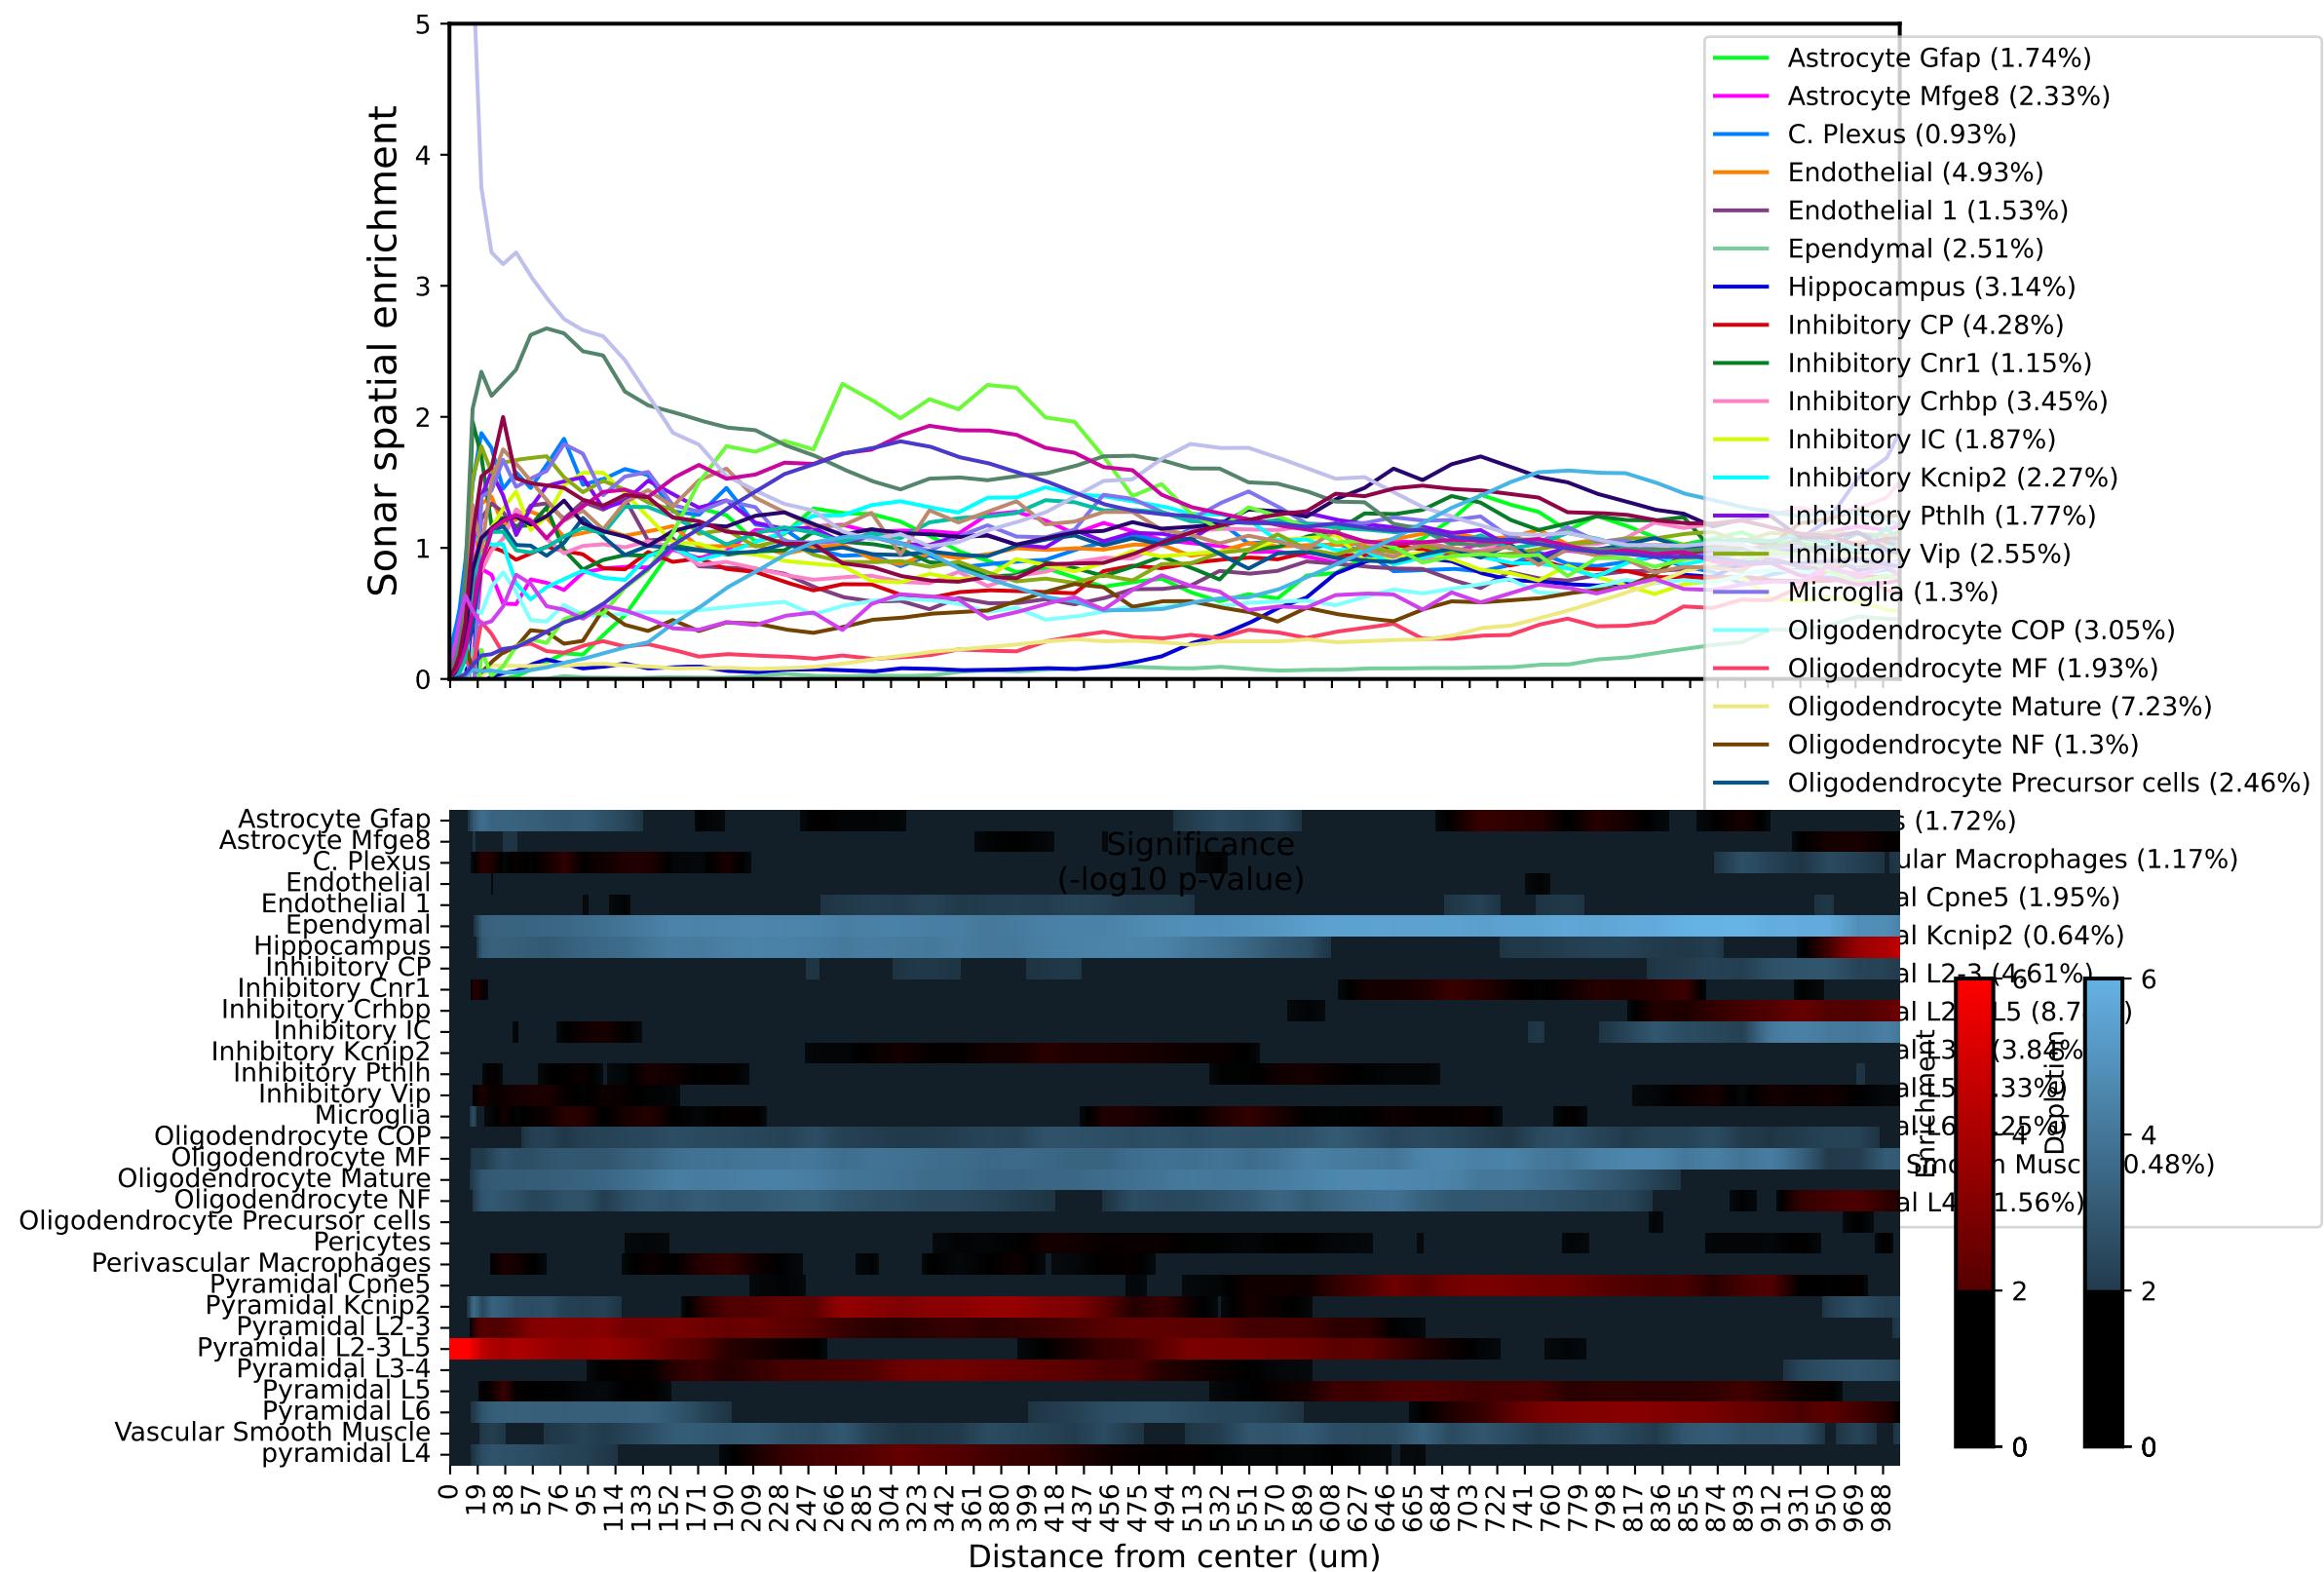

# Spatial correlation plot for Pyramidal Kcnip2 cells

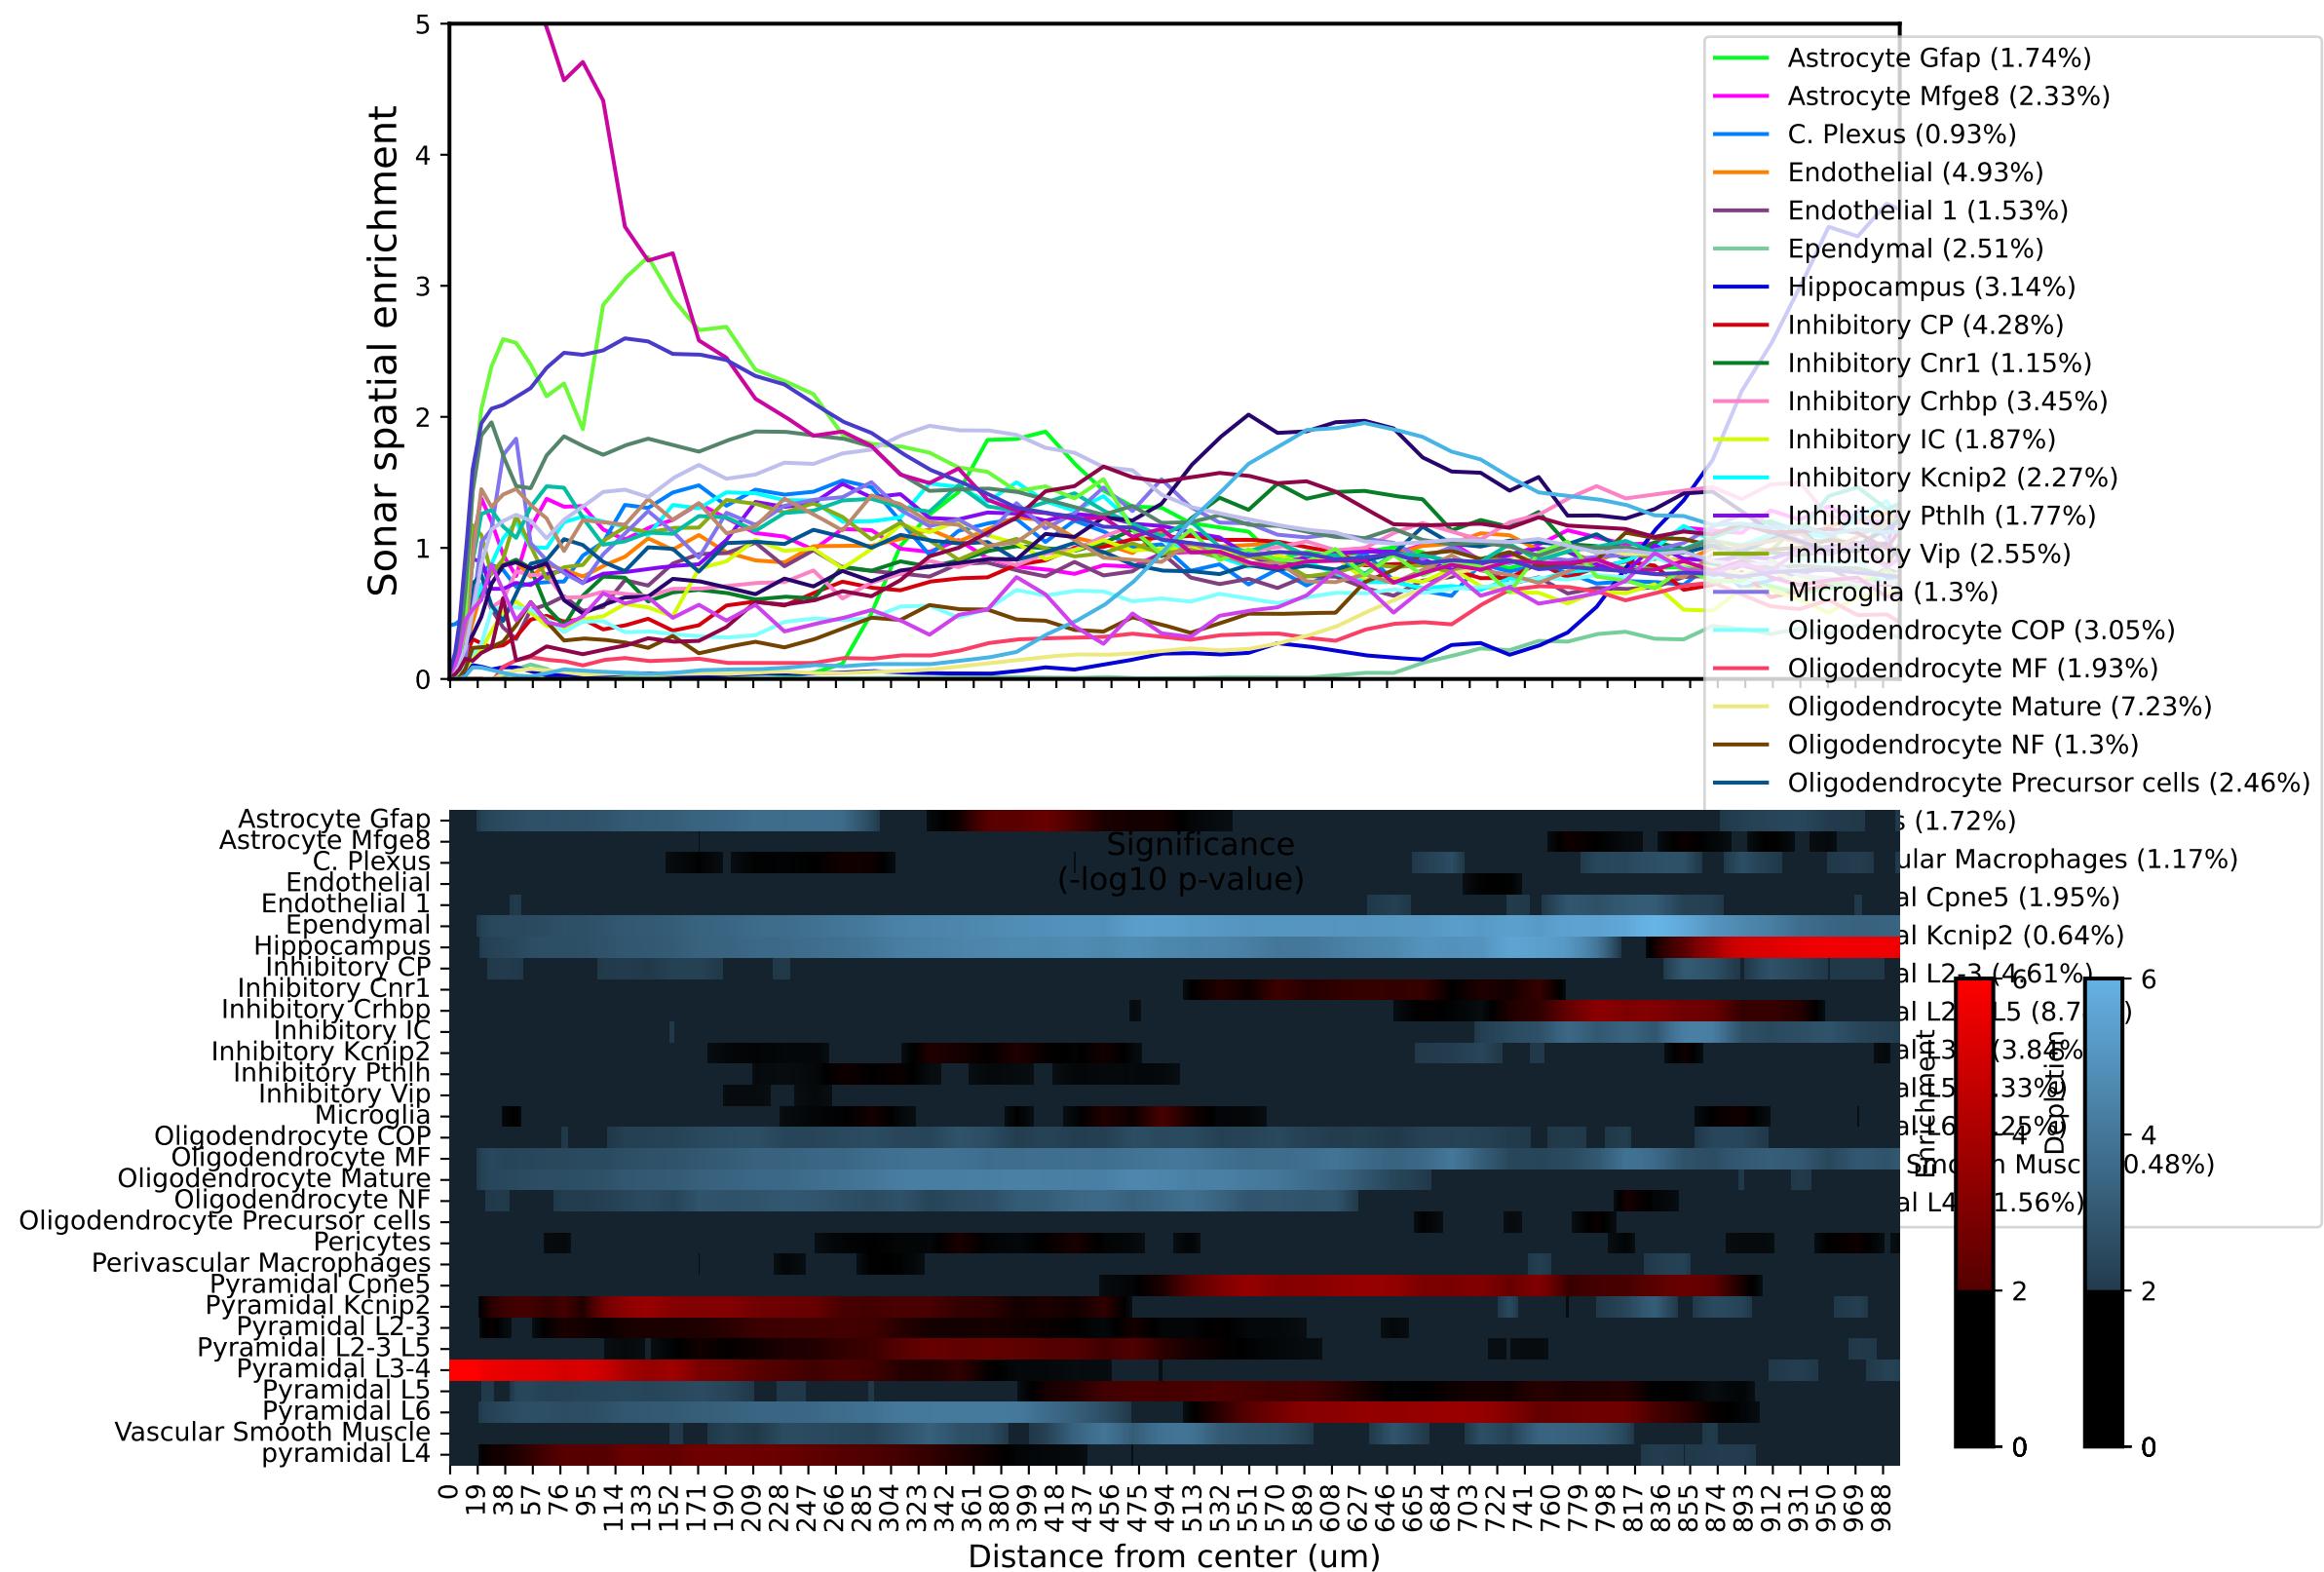

# Spatial correlation plot for Pyramidal L2-3 cells

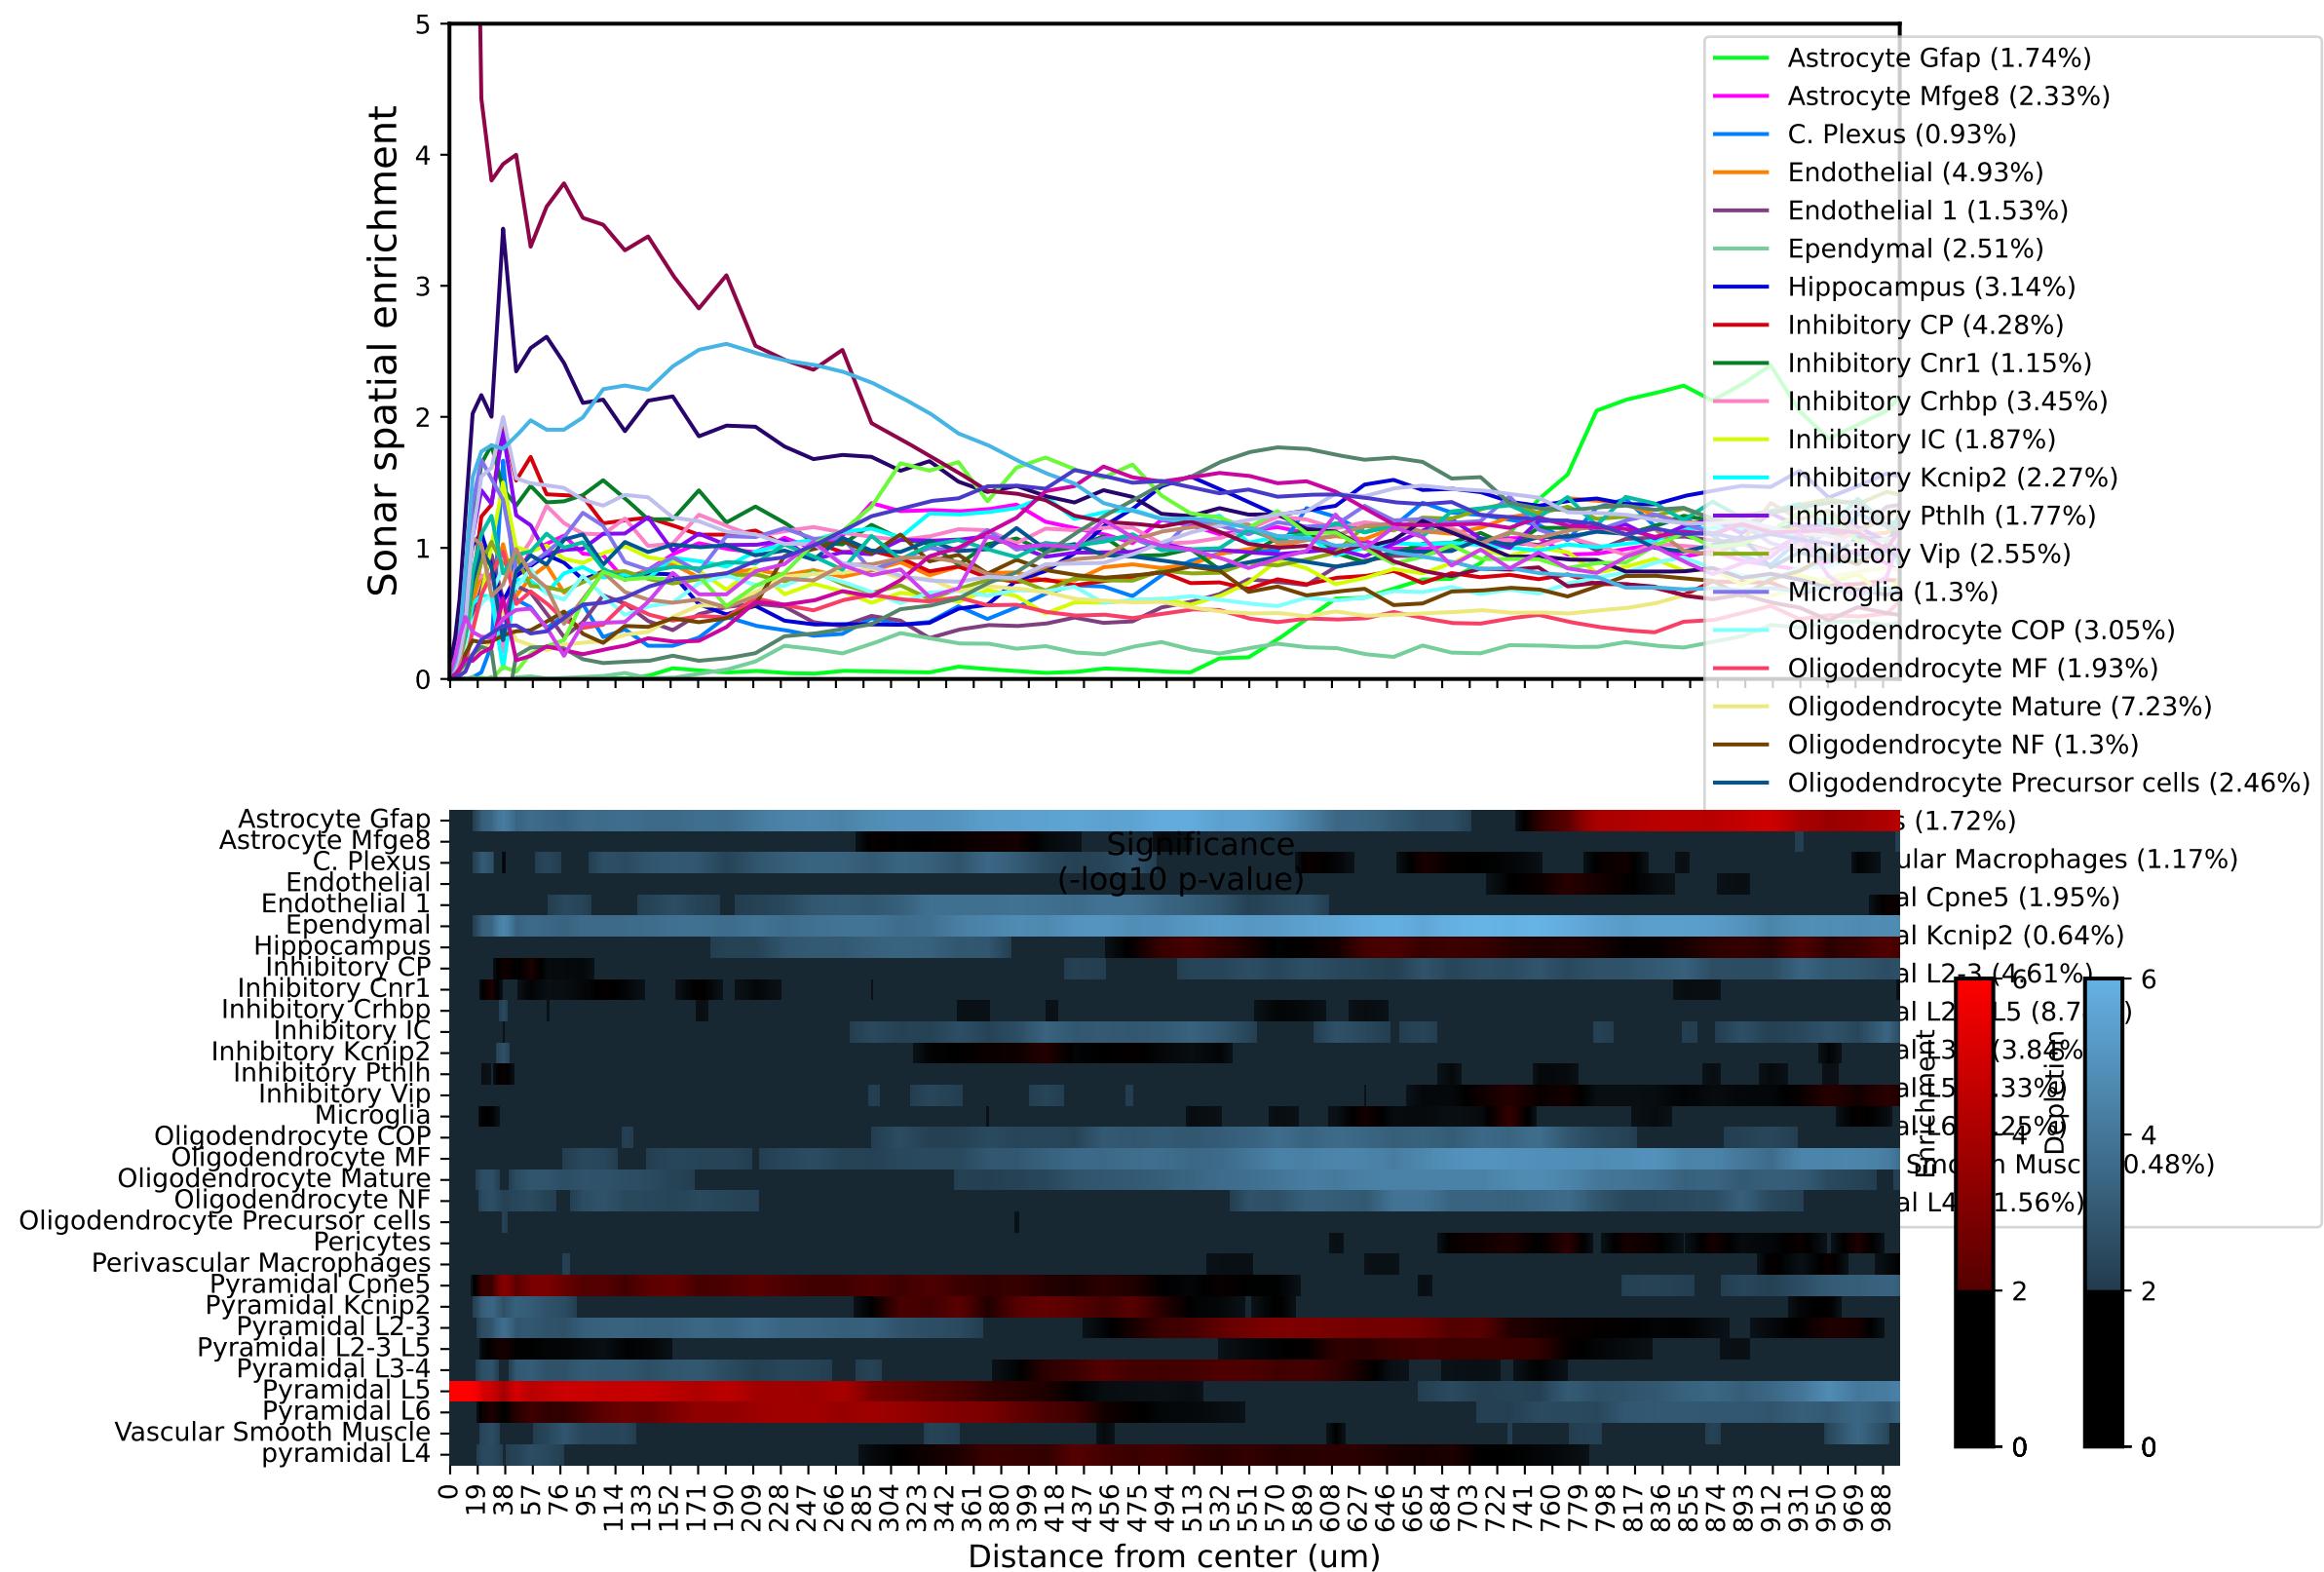

# Spatial correlation plot for Pyramidal L2-3 L5 cells

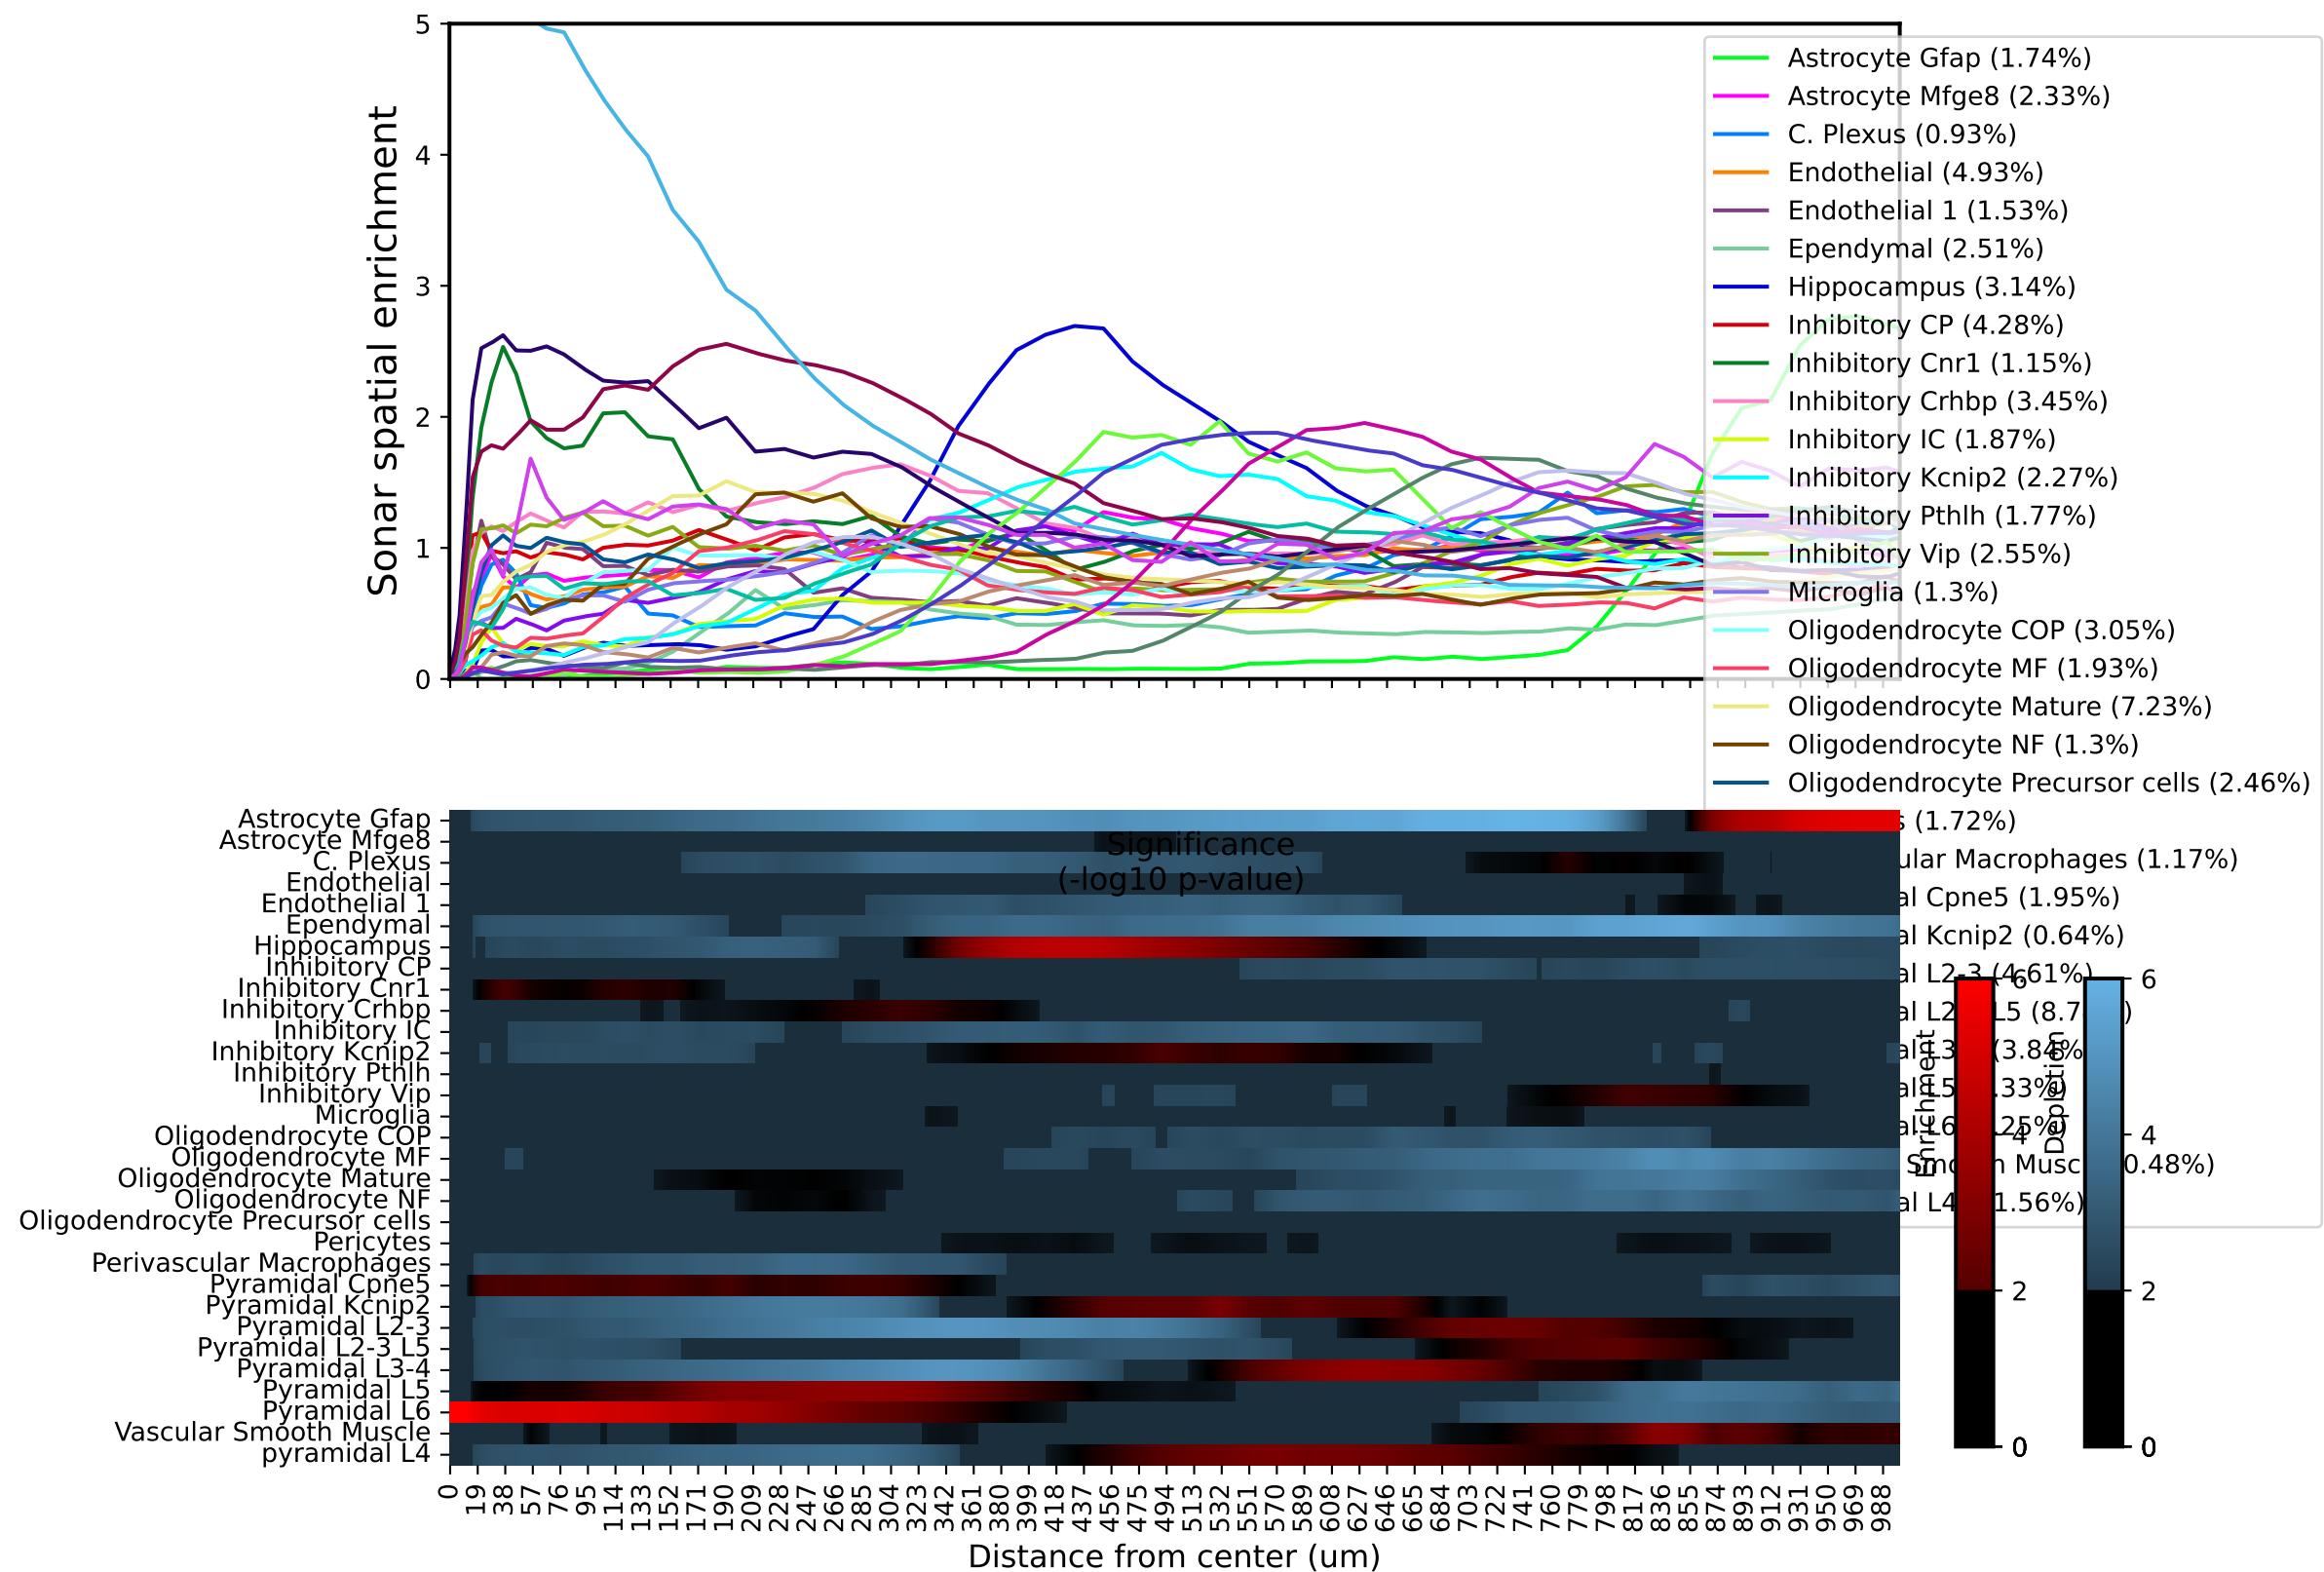

# Spatial correlation plot for Pyramidal L3-4 cells

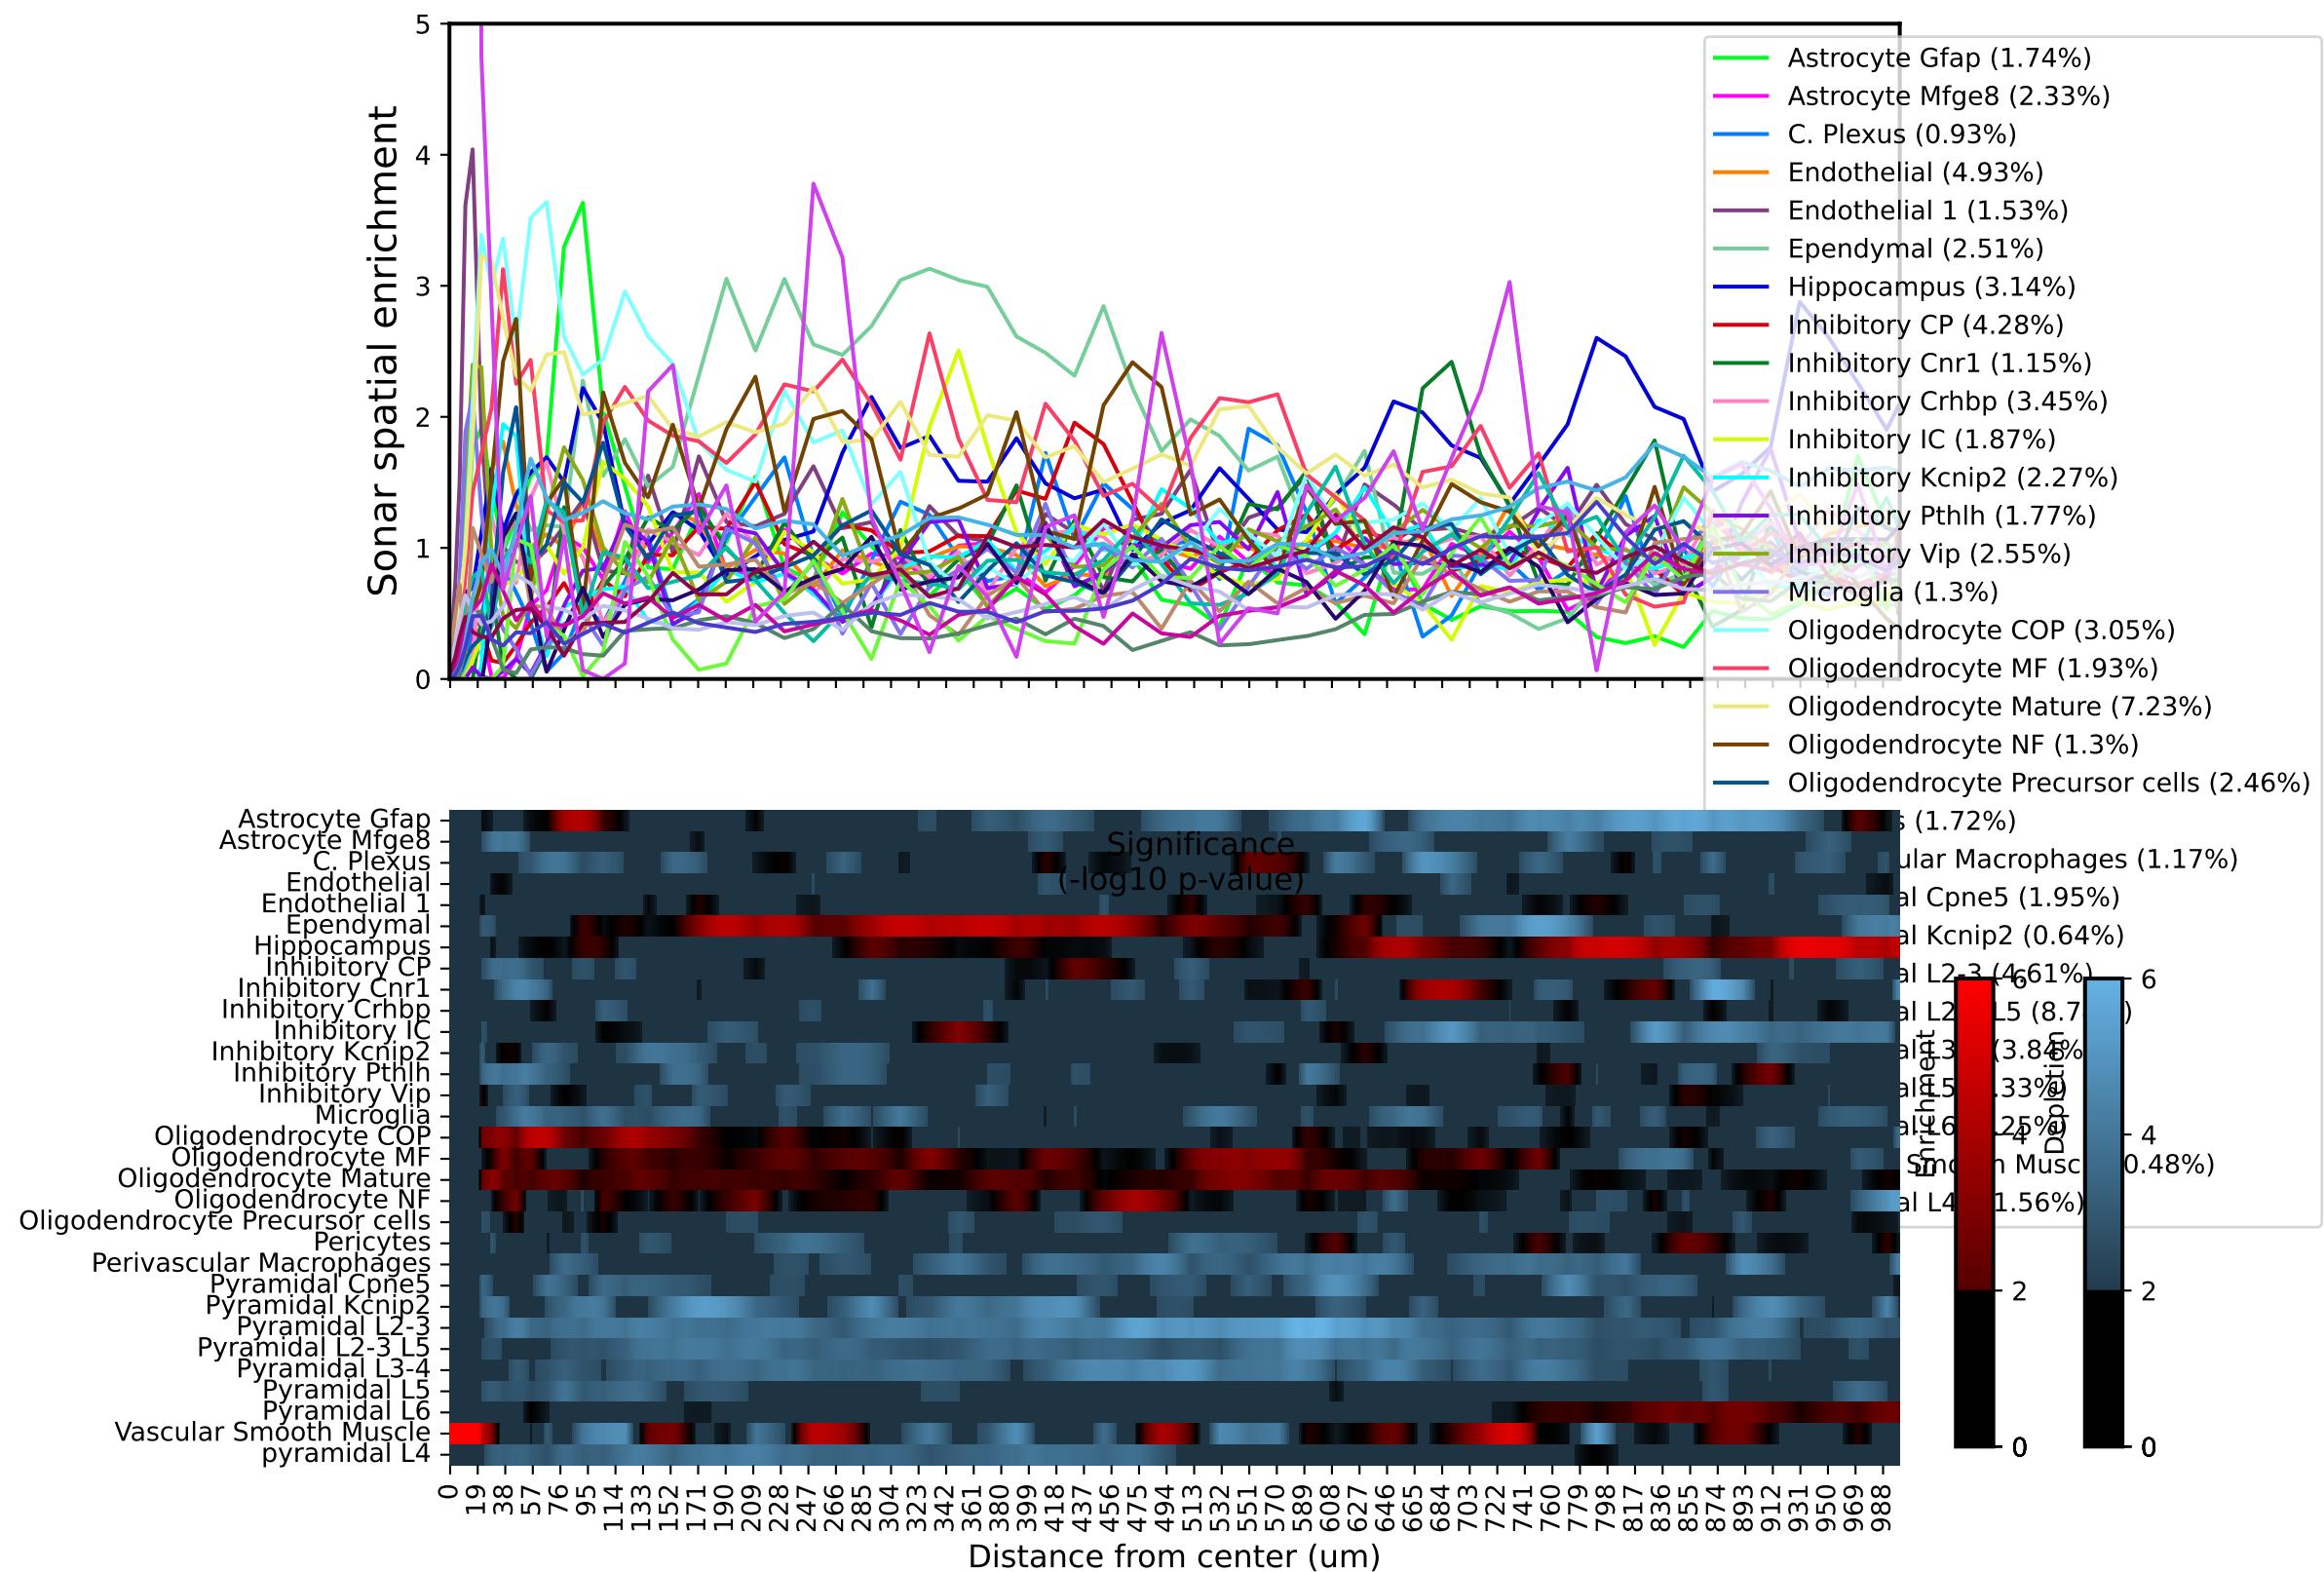

# Spatial correlation plot for Pyramidal L5 cells

# Spatial correlation plot for Pyramidal L6 cells

# Spatial correlation plot for Vascular Smooth Muscle cells

# Spatial correlation plot for pyramidal L4 cells
